Crazed Man, Gun At Chin, Holds Off Cops 2 Hours

A 60-year-old Kentfield business man took 26 tranquilizing pills early today and then held off San Anselmo police for over two hours by holding the muzzle of a rifle under his chin, threatening to shoot himself if approached by anyone.

Finally, Police Officer Donald E. Nelson leaped from concealment to snatch the gun from McKean's hands. As he did so, the gun went off, blowing away part of McKean's nose.

The victim, Harry Parker McKean, owner of a leather products company in Sausalito, made the suicide attempt at the home of his brother-in-law at 90 Butterfield Road in San Anselmo, where three children slept peacefully in an upstairs bedroom during the macabre affair.

McKean's wife, June, called police at 2:18 a.m. from the Butterfield Road home of her brother and sister-in-law, Mr. and Mrs. Frank Couwenberghe. The McKeans live at 6 McAllister Avenue in Kentfield.

Mrs. McKean, with Howard Embury of 203 El Prado Avenue, Terra Linda, had called last evening at the Couwenberghe home. She said she and the others had seen a man prowling about the place with a gun in hand. Mrs. McKean said she felt sure it was her husband.

Sgt. Raymond A. Velati and Officer Nelson sped to the Couwenberghe home.

McKean was crouching in the doorway of the garage. He held a .20 caliber rifle, with the muzzle against his throat.

The officers said he threw an empty tranquilizer pill can at them and shouted: "I took 26 of these pills. . . . Don't come near me . . . I want to die."

The officers called the police station for additional help. Chief Raymond R. Buchignani responded.

While McKean continued to hold the gun, with a finger on the trigger, ready to shoot himself, the officers eventually talked him into going into the house to "talk things over." Meanwhile, Mrs. McKean and Mr. and Mrs. Couwenberghe remained in the kitchen. Embury left.

The distraught man went into the living room, warning the officers to keep their distance.

While Buchignani and Velati continued to try to reason with McKean, Officer Nelson remained concealed.

After nearly two hours, McKean arose to go to the bathroom. Nelson slipped into the living room and bid behind an angle of the wall, planning to seize McKean's gun as McKean passed him.

But McKean, instead of reentering the living room, sat down near Buchignani and Velati in the adjoining family room, frustrating the plan.

About that time, Chief Buchignani related, Couwenberghe exploded. He leaped into the room, threatening to attack McKean with his bare hands.

As the chief and sergeant restrained Couwenberghe, McKean's attention was diverted. Officer Nelson leaped into the room and grabbed the gun.

It went off. The bullet passed through McKean's right nostril, went through the second floor and lodged in the ceiling of an upstairs bedroom. But it was an empty bedroom—not that in which the three small Couwenberghe children lay sleeping.

McKean, handcuffed, was taken to Marin General Hospital, treated for his injury and transferred to Napa State Hospital.

Chief Buchignani expressed high commendation of Sergeant Velati and Officer Nelson, particularly the latter for "risking his life in a brave manner to save the lives of others."

THEY DON'T BELIEVE IN SIGNS —Rubbish dumps like this one, right beside a sign warning "Unlawful to Dispose of Litter" on San Quentin Road, drew the ire of the San Rafael City Council last night. They must go, the council ordered.

'WE AIM TO PLEASE . . .'

San Rafael has the most obliging election clerks.

A voter entered a polling place on D Street shortly after the polls opened today, and said to one of the clerks, "I'm registered as a Democrat, but I'd like a Republican ballot."

And, according to another voter who was there at the time, the clerk obligingly complied with her request.

Voters Turn Out To Polls

Pleasant weather and an assortment of highly charged local issues helped bring out a turnout of more than 20 per cent of voters to the polls in Marin this forenoon.

Such a morning vote portends a heavy total balloting by the time polls close at 7 p.m., election officials said.

At 14 polling places check in a spot check by the Independent-Journal 687 had voted by noon of 2,101 registered.

The check included polling places in San Rafael, Santa Venetia, San Anselmo, Mill Valley, Belvedere, Novato, Fairfax, Sausalito, Corte Madera and Larkspur.

$3 Million Tam High Bond Issue

A bond issue of $3 million to be voted on early in October was approved last night by the Tamalpais Union High School District board of trustees.

The money would go toward purchase of a site for a fourth high school and construction and alterations on the present three schools.

As recommended by a 30-member citizens advisory committee under chairmanship of Robert E. Rogers of Sausalito, $1,622,800 would go toward construction of the "second phase" of Redwood High School; $15,100 would be spent on remodeling and new construction at Tamalpais High School; $158,000 was earmarked for construction and remodeling at Sir Francis Drake High School, and $604,000 would be used to purchase a fourth high school site.

Board member Howard I. McGill, in making the motion for the bond election, said the present schools would reach their capacity enrollment of 4,175 by September, 1960. By September of the following year, the school population would total 4,575, making double sessions almost a certainty, he declared.

The fact that it would be 16 or 17 months after passage of the bond issue before students could move into new classrooms makes it urgent that the bond election be set as soon as possible, McGill said.

The Belvedere-Tiburon peninsula and Marin City have both been proposed as possible sites for the fourth school. The trustees made no decision on the location last night.

City Cracks Down On Unsightly Dump Areas

All dumping operations in San Rafael, especially along San Quentin Road between the sanitation treatment plant and the Marin Rod and Gun Club, must stop in 10 days, the city council decreed last night.

City fathers instructed Public Works Director Norris Rawles to notify landowners along the tideland area that all trash must be cleaned up from the Richmond approach to San Rafael. Otherwise, the city will clean up the mess and charge the landowners for the cost.

This decision was laid down by aroused city councilmen, who were incensed after a report from City Engineer Dominic Selmi and Rawles. The two showed colored slides of trash dumped along San Quentin Road.

In addition to trash dumping, Selmi reported tidelands are being subdivided and sold without benefit of subdivision maps. This has resulted in the clogging and blocking of drainage channels and pipes, Selmi pointed out. He explained that small levees are landlocking water, and larger levees are blocking water outlet from smaller levees. If this continues, water which should drain from San Quentin Road will be completely landlocked, and floods will result, he declared.

The area has electrical power, but no sewer lines, gas or water facilities. If subdivision maps are filed, the city could require all utilities. However, since the owners are subdividing and selling lots at random, there is no control, said Selmi.

At the suggestion of Councilman Louis H. Baar, Mayor John F. McInnis asked Rawles to contact the state real estate commissioner to see what can be done about the illegal subdividers.

Rats, Trash Must Go, Says Council

The rats and the empty produce boxes on a grocery store parking lot in Sausalito will have to go.

So ruled the Sausalito city council last night in authorizing city manager Charles A. Brown to turn the matter over to the city health officer.

Councilman George E. Keeney initiated the action, saying that a few evenings ago "we watched a dozen rats at the parking lot." He said the store has been notified many times and "this rat situation is absolutely unbearable." He also asked that the boxes be disposed of, saying he thought they are removed but once every two weeks.

Mayor Philip S. Ehrlich Jr. said, "This is an offensive situation in one of the most beautiful spots in town."

The matter will come up again at the council's next meeting.

Tiburon Board Adopts Budget

The Tiburon Sanitary District board last night adopted a final budget for the 1960-61 fiscal year, totaling $16,000. The current year's budget is $14,000.

"Maintenance requirements necessitate the additional $2,000," commission secretary Robert A. Sterling said. Seven thousand dollars is allocated for operating expenses, $4,500 for salaries of the plant operator and director and $2,000 set aside in a reserve fund, Sterling said.

Three directors' terms will expire in September and a special election will be held Sept. 6. Directors whose terms expire are Joseph A. Johnson, Peter Wie and Sterling. All three have indicated their desire to run again, Sterling said. Petitions of candidacy must be filed at the county counsel's office 60 days prior to the election.

SHARK BITES MARIN MAN

A shark—the angel-fish, not the man-eating variety—nipped the fingers of a Novato house painter as he tried to carry the fish from Bodega Bay at Doran Beach by its tail Sunday.

Nels Larsen, 24, of 4 Boulevard Terrace was surf fishing said his wife, Verna Larsen, "when he hooked the shark, called an angel fish, and as he was carrying it up the beach when it swung its head around and bit his first three fingers.

Larsen was treated at Marin General Hospital.

Population Passes 20,000 Mark For City Of San Rafael

San Rafael's population has risen about 23 per cent in four years to a new total of 20,293.

This figure was sent Mayor John F. McInnis today by James C. Hammons, census supervisor for the First Congressional District, with the caution: "This figure is believed to be substantially correct but is subject to revision after the returns for non-residents are credited to their proper locality and other routine checks have been made."

Hammons, in Santa Rosa, said similar figures were mailed today to other Marin County cities with the exception of Novato, for which some further checking is deemed necessary.

The new 20,293 figure compares with 16,526 counted in a special San Rafael census in 1956, a gain of 3,737 or just under one-quarter.

It compares with a city population of 13,830 in the 1950 decennial census, the gain since then being 6,463—nearly 50 per cent.

San Rafael's population in the 1940 census period was 8,573 which shows a 20-year gain of 14,420, making the city about two and one-quarter times its size 20 years back.

Stilt Homes Rejected By Belvedere

The Belvedere City Council rejected "homes on stilts" on the city's tidelands last night by a 2-1 vote, with one councilman abstaining and another absent.

The vote came on a motion by Councilman H. Nordmaark Williams to reject the planning commission's proposal that the subdivision ordinance be amended to permit construction of homes on inundated lands.

Five times, Mayor Robert P. Watkins called for a second to Williams' motion. Finally, he seconded it himself.

Williams and Watkins voted for the rejection. After long silence, Councilman E. G. (Ned) Weed voted against it. Councilman Ida M. Scott announced she was not voting—drawing groans and hissing from the audience Councilman John H. Flint was absent.

Council members then moved to ask the commission to consider a resolution that each lot be filled but "in no case shall any one lot contain less than 6,000 square feet of fill." The planning commission is to consider this at its meeting June 20, and present it for action at the July council meeting.

The resolution met with resistance from planning commission chairman George Goddard, who said, "We are aware you will not accept our recommendation . . ."

"I want to see it all filled," Watkins said. "Mr. Weed seems to want to see 7,500 square feet filled. Somebody else suggests 6,000 square feet."

Attorney Carl Hoppe, who identified himself during the evening as owning property adjacent to the "tenement on stilts," jumped to his feet and said, "I oppose strenuously filling 6,000 square feet only . . . I would endorse the 7,500 square foot amendment."

Belvedere Properties Inc.'s attorney, Morse Erskine, in an impassioned plea, charged that opponents of the subdivision "want to frustrate our efforts to develop the land. If the ordinance is not amended, we can and we will fill the land and then the planning commission and the city council will not prevent us from going ahead with our subdivision.

"You are depriving us of our property by preventing us from using it . . ."

Hoppe charged that developers had erected a "warehouse horror on Cove Road." He was interrupted by David Allen of Belvedere Properties, shouting, "That's not a true statement."

City Manager Britton Rey read a second notice of an initiative petition requesting that the land be condemned and acquired for recreation, with a fee being charged for use in water contacts ports. Hoppe said the petition was circulated to set the true value of the land before it was subdivided and the condemnation price went up. Erskine sniped, 'You will make a Coney Island out of the tidelands . . . a cheap

Terra Linda Annexation Gets Go Ahead

Terra Linda, a community of more than 1,000 homes, won the go-ahead last night to start circulating petitions for annexation to San Rafael.

City councilmen approved unanimously a resolution consenting to the start of annexation proceedings. The resolution specifically provides that the Freitas Parkway ditch must be repaired completely before the city will accept annexation.

City Manager Dan E. Andersen explained that petitions for annexation must be signed by at least one-fourth of the registered voters of the area. When the petitions are submitted, the city will set a protest hearing. Then a date will be set for election, when voters of Terra Linda will decide whether they want to become a part of San Rafael. City officials hope to hold the election at the same time as the general election in November.

First Ruling Goes Against Negro Deputy

Former Deputy Sheriff Fredrick L. Marcus, 41, who wants his deputy's job back because he is convinced he did nothing wrong in entertaining a 21year-old blonde, cannot appeal directly to the Marin County Personnel Commission.

County Counsel Leland H. Jordan ruled late yesterday that the personnel commission has no jurisdiction. Julius H. Selinger, chairman of the commission, acknowledged that he has received Marcus's appeal. However, the commission will do nothing for the moment because of the county counsel's ruling.

This means Marcus and his attorney, Benjamin Dreyfus, may have to carry their appeal to the Marin County Board of Supervisors.

Marcus contends he was forced to resign under duress.

Dist. Atty. William O. Weissich declared emphatically there was no duress or coercion used at any time. "Both the sheriff and I went out of our way to be fair to the man to make sure he was not unjustly accused," said Weissich. However, since Marcus is appealing and charging coercion, Weissich released the full story.

According to the district attorney, this is what happened:

An attractive blonde, previously married, came to the Bay Area from Denver where she had been attending college. She went to Marcus' employment agency at 619 Bridgeway Boulevard in Sausalito to look for a job. Marcus hired her to do housework for him at his apartment at 563 Bridgeway, where he lives alone.

She accepted housework at Marcus' home at $2 an hour and spent all day there on May 17, from about 10 a.m. to 8 p.m. They drank, ate, and talked. They danced.

Here, the stories begin to diverge. She admits they were intimate, but she says she was forced. Marcus maintains it was voluntary.

The girl left the home, wearing only his bathrobe, went to her own apartment in Sausalito, dressed, and complained to Sausalito police. Marcus was

Crazed Man, Gun At Chin, Holds Off Cops 2 Hours

A 60-year-old Kentfield business man took 26 tranquilizing pills early today and then held off San Anselmo police for over two hours by holding the muzzle of a rifle under his chin, threatening to shoot himself if approached by anyone.

Finally, Police Officer Donald E. Nelson leaped from concealment to snatch the gun from McKean's hands. As he did so, the gun went off, blowing away part of McKean's nose.

The victim, Harry Parker McKean, owner of a leather products company in Sausalito, made the suicide attempt at the home of his brother-in-law at 90 Butterfield Road in San Anselmo, where three children slept peacefully in an upstairs bedroom during the macabre affair.

McKean's wife, June, called police at 2:18 a.m. from the Butterfield Road home of her brother and sister-in-law, Mr. and Mrs. Frank Couwenberghe. The McKeans live at 6 McAllister Avenue in Kentfield.

Mrs. McKean, with Howard Embury of 203 El Prado Avenue, Terra Linda, had called last evening at the Couwenberghe home. She said she and the others had seen a man prowling about the place with a gun in hand. Mrs. McKean said she felt sure it was her husband.

Sgt. Raymond A. Velati and Officer Nelson sped to the Couwenberghe home.

McKean was crouching in the doorway of the garage. He held a .20 caliber rifle, with the muzzle against his throat.

The officers said he threw an empty tranquilizer pill can at them and shouted: "I took 26 of these pills. . . . Don't come near me . . . I want to die."

The officers called the police station for additional help. Chief Raymond R. Buchignani responded.

While McKean continued to hold the gun, with a finger on the trigger, ready to shoot himself, the officers eventually talked him into going into the house to "talk things over." Meanwhile, Mrs. McKean and Mr. and Mrs. Couwenberghe remained in the kitchen. Embury left.

The distraught man went into the living room, warning the officers to keep their distance.

While Buchignani and Velati continued to try to reason with McKean, Officer Nelson remained concealed.

After nearly two hours, McKean arose to go to the bathroom. Nelson slipped into the living room and bid behind an angle of the wall, planning to seize McKean's gun as McKean passed him.

But McKean, instead of reentering the living room, sat down near Buchignani and Velati in the adjoining family room, frustrating the plan.

About that time, Chief Buchignani related, Couwenberghe exploded. He leaped into the room, threatening to attack McKean with his bare hands.

As the chief and sergeant restrained Couwenberghe, McKean's attention was diverted. Officer Nelson leaped into the room and grabbed the gun.

It went off. The bullet passed through McKean's right nostril, went through the second floor and lodged in the ceiling of an upstairs bedroom. But it was an empty bedroom—not that in which the three small Couwenberghe children lay sleeping.

McKean, handcuffed, was taken to Marin General Hospital, treated for his injury and transferred to Napa State Hospital.

Chief Buchignani expressed high commendation of Sergeant Velati and Officer Nelson, particularly the latter for "risking his life in a brave manner to save the lives of others."

$3 Million Tam High Bond Issue

A bond issue of $3 million to be voted on early in October was approved last night by the Tamalpais Union High School District board of trustees.

The money would go toward purchase of a site for a fourth high school and construction and alterations on the present three schools.

As recommended by a 30-member citizens advisory committee under chairmanship of Robert E. Rogers of Sausalito, $1,622,800 would go toward construction of the "second phase" of Redwood High School; $15,100 would be spent on remodeling and new construction at Tamalpais High School; $158,000 was earmarked for construction and remodeling at Sir Francis Drake High School, and $604,000 would be used to purchase a fourth high school site.

Board member Howard I. McGill, in making the motion for the bond election, said the present schools would reach their capacity enrollment of 4,175 by September, 1960. By September of the following year, the school population would total 4,575, making double sessions almost a certainty, he declared.

The fact that it would be 16 or 17 months after passage of the bond issue before students could move into new classrooms makes it urgent that the bond election be set as soon as possible, McGill said.

The Belvedere-Tiburon peninsula and Marin City have both been proposed as possible sites for the fourth school. The trustees made no decision on the location last night.

City Cracks Down On Unsightly Dump Areas

All dumping operations in San Rafael, especially along San Quentin Road between the sanitation treatment plant and the Marin Rod and Gun Club, must stop in 10 days, the city council decreed last night.

City fathers instructed Public Works Director Norris Rawles to notify landowners along the tideland area that all trash must be cleaned up from the Richmond approach to San Rafael. Otherwise, the city will clean up the mess and charge the landowners for the cost.

This decision was laid down by aroused city councilmen, who were incensed after a report from City Engineer Dominic Selmi and Rawles. The two showed colored slides of trash dumped along San Quentin Road.

At the suggestion of Councilman Louis H. Baar, Mayor John F. McInnis asked Rawles to contact the state real estate commissioner to see what can be done about the illegal subdividers.

Rats, Trash Must Go, Says Council

The rats and the empty produce boxes on a grocery store parking lot in Sausalito will have to go.

So ruled the Sausalito city council last night in authorizing city manager Charles A. Brown to turn the matter over to the city health officer.

Councilman George E. Keeney initiated the action, saying that a few evenings ago "we watched a dozen rats at the parking lot." He said the store has been notified many times and "this rat situation is absolutely unbearable." He also asked that the boxes be disposed of, saying he thought they are removed but once every two weeks.

Mayor Philip S. Ehrlich Jr. said, "This is an offensive situation in one of the most beautiful spots in town."

The matter will come up again at the council's next meeting.

Tiburon Board Adopts Budget

The Tiburon Sanitary District board last night adopted a final budget for the 1960-61 fiscal year, totaling $16,000. The current year's budget is $14,000.

"Maintenance requirements necessitate the additional $2,000," commission secretary Robert A. Sterling said. Seven thousand dollars is allocated for operating expenses, $4,500 for salaries of the plant operator and director and $2,000 set aside in a reserve fund, Sterling said.

Three directors' terms will expire in September and a special election will be held Sept. 6. Directors whose terms expire are Joseph A. Johnson, Peter Wie and Sterling. All three have indicated their desire to run again, Sterling said. Petitions of candidacy must be filed at the county counsel's office 60 days prior to the election.

Williams and Watkins voted for the rejection. After long silence, Councilman E. G. (Ned) Weed voted against it. Councilman Ida M. Scott announced she was not voting—drawing groans and hissing from the audience Councilman John H. Flint was absent.

Council members then moved to ask the commission to consider a resolution that each lot be filled but "in no case shall any one lot contain less than 6,000 square feet of fill." The planning commission is to consider this at its meeting June 20, and present it for action at the July council meeting.

The resolution met with resistance from planning commission chairman George Goddard, who said, "We are aware you will not accept our recommendation . . ."

"I want to see it all filled," Watkins said. "Mr. Weed seems to want to see 7,500 square feet filled. Somebody else suggests 6,000 square feet."

Attorney Carl Hoppe, who identified himself during the evening as owning property adjacent to the "tenement on stilts," jumped to his feet and said, "I oppose strenuously filling 6,000 square feet only . . . I would endorse the 7,500 square foot amendment."

Belvedere Properties Inc.'s attorney, Morse Erskine, in an impassioned plea, charged that opponents of the subdivision "want to frustrate our efforts to develop the land. If the ordinance is not amended, we can and we will fill the land and then the planning commission and the city council will not prevent us from going ahead with our subdivision.

"You are depriving us of our property by preventing us from using it . . ."

Hoppe charged that developers had erected a "warehouse horror on Cove Road." He was interrupted by David Allen of Belvedere Properties, shouting, "That's not a true statement."

City Manager Britton Rey read a second notice of an initiative petition requesting that the land be condemned and acquired for recreation, with a fee being charged for use in water contacts ports. Hoppe said the petition was circulated to set the true value of the land before it was subdivided and the condemnation price went up. Erskine sniped, "You will make a Coney Island out of the tidelands . . . a cheap

Terra Linda Annexation Gets Go Ahead

Terra Linda, a community of more than 1,000 homes, won the go-ahead last night to start circulating petitions for annexation to San Rafael.

City councilmen approved unanimously a resolution consenting to the start of annexation proceedings. The resolution specifically provides that the Freitas Parkway ditch must be repaired completely before the city will accept annexation.

City Manager Dan E. Andersen explained that petitions for annexation must be signed by at least one-fourth of the registered voters of the area. When the petitions are submitted, the city will set a protest hearing. Then a date will be set for election, when voters of Terra Linda will decide whether they want to become a part of San Rafael. City officials hope to hold the election at the same time as the general election in November.

I-J TO GIVE VOTE RESULTS

Phone the Independent-Journal office in San Rafael tonight for early election returns.

From 9 until 11 p.m., the I-J will tabulate early and scattered countywide returns to give an indication of the voting trends on national, state and local elections and issues.

Speedy tabulation of the returns as they become available will be made on National Cash Register accounting machines under supervision of Richard Rice of Mill Valley.

First Ruling Goes Against Negro Deputy

Former Deputy Sheriff Fredrick L. Marcus, 41, who wants his deputy's job back because he is convinced he did nothing wrong in entertaining a 21year-old blonde, cannot appeal directly to the Marin County Personnel Commission.

County Counsel Leland H. Jordan ruled late yesterday that the personnel commission has no jurisdiction. Julius H. Selinger, chairman of the commission, acknowledged that he has received Marcus's appeal. However, the commission will do nothing for the moment because of the county counsel's ruling.

This means Marcus and his attorney, Benjamin Dreyfus, may have to carry their appeal to the Marin County Board of Supervisors.

Marcus contends he was forced to resign under duress.

Dist. Atty. William O. Weissich declared emphatically there was no duress or coercion used at any time. "Both the sheriff and I went out of our way to be fair to the man to make sure he was not unjustly accused," said Weissich. However, since Marcus is appealing and charging coercion, Weissich released the full story.

According to the district attorney, this is what happened:

An attractive blonde, previously married, came to the Bay Area from Denver where she had been attending college. She went to Marcus' employment agency at 619 Bridgeway Boulevard in Sausalito to look for a job. Marcus hired her to do housework for him at his apartment at 563 Bridgeway, where he lives alone.

She accepted housework at Marcus' home at $2 an hour and spent all day there on May 17, from about 10 a.m. to 8 p.m. They drank, ate, and talked. They danced.

Here, the stories begin to diverge. She admits they were intimate, but she says she was forced. Marcus maintains it was voluntary.

The girl left the home, wearing only his bathrobe, went to her own apartment in Sausalito, dressed, and complained to Sausalito police. Marcus was

Sausalitans Foresee Need To Hire Planner

Councilman Michael Harris suggested to Sausalito city council members last night that the planning commission be given economic aid to hire a planner.

He said, as did Mayor Philip S. Ehrlich Jr., that there are proposals for major changes in zoning and that the council is not in a position to give intelligent answers because "we don't know what the economics of the matter is."

Harris specifically cited a proposal of Rob Rose. He said Rose plans to ask a use permit to build 14 luxury apartments on the present location of the Art Boates garage. This is the spot on which Rose was denied permission to build a restaurant and 10 shops recently.

The proposed apartment house would mean a change in zoning. "I propose we obtain professional aid we need to make intelligent decisions. We can't get prompt action from the planning commission until we hire a planner," said Harris.

Mayor Ehrlich cited two other proposals that might call for a planner. They are for shopping centers in the Marinship area, one a 17-acre center and another a six-acre center. He said one is to bepresented by Kurt Heath of Mill Valley. He did not name who had proposed the other. He said there is also a proposal for a large apartment building to "vastly change the character of Marinship."

Ehrlich said planning commissioner Gilbert P. Murphy told him the state has an agency that could make this type of study without charge.

The council took no action on the matter but appeared to be in accord on the idea of a planner for the planning commission.

Council Upholds Rejection Of Apartments

Reservoir Road in San Rafael between Miramar Avenue and Wood Street should remain in single family residential instead of apartment zoning, the San Rafael City Council decided last night.

The decision upholds a previous decision of the city planning commission.

A delegation of residents, armed with petitions bearing more than 70 signatures, packed the city hall last night to oppose intrusion of apartments. Speaker after speaker arose to attack the proposed apartments on grounds the streets are too narrow, and the area is already over-saturated.

Conrad Reinhardt, who owns property at Miramar and Reservoir Road, and three others, asked for apartment zoning. They said they would widen Reservoir Road and provide offstreet parking, thus improving the neighborhood.

Councilmen decided that one apartment for each thousand square feet of land would be too dense in that area.

Landowners indicated they may ask for triplex or duplex zoning instead.

Retiring City Commissioner Commended

Dr. Gedge W. Knopf, who resigned from the San Rafael Recreation and Park Commission after 12 years of service, received a resolution of commendation from the city council last night.

As a packed house applauded, Mayor John F. McInnis presented Dr. Knopf with a scroll, commending him for long and faithful service to the community. Dr. Knopf resigned because of pressure of business. He has a dental office in the Albert Building.

A successor on the commission has not been named as yet.

Stolen Truck Recovered In Fairfax

A 40-ton Pacific Intermountain Express truck-trailer, stolen in Emeryville with $75,000 worth of cargo, was found yesterday, parked beside Center Boulevard in Fairfax.

Missing was some $35,000 worth of whiskey, in 825 cases. The rest of the cargo was still intact.

Henry A. Sherry of 138 Suffield Avenue, San Anselmo, himself an employee of a trucking firm—Ace Truck Lines in San Francisco—heard a news broadcast about the truck's theft yesterday. He had seen such a truck-trailer parked beside the Fairfax street on Sunday, he related.

Sherry called Pacific Intermountain Express. The firm called Police Chief Clifton Cordes of Fairfax. He investigated. Sure enough, the big truck-trailer was the stolen one.

Cordes said he found only boxes of machinery, broken cases of golf clubs and some religious articles in the trailer.

Company officials, Federal Bureau of Investigation agents and Emeryville police came and investigated the truck-trailer, which had come to the Emeryville yard from Chicago.

The FBI said the thieves had ransacked the cargo, casting aside other merchandise as they sought out the whiskey.

Theft of the truck-trailer from Emeryville was not discovered until early yesterday. It arrived Saturday afternoon from St. Louis.

Trestle Glen Fire House Contract Let

Tiburon fire protection commissioners last night awarded the contract for construction of the Trestle Glen fire substation to low bidder, A. A. Hemmerling, at $11,390.

Other bidders were Skaggs and Kirchmann, $11,860; H. S. Meinberger, $12,859; G. A. Pritchett, $16,552 and Dave Donzel, $16,971.

Commissioner Fred Mantegani voted against the contract award. Commissioners unanimously approved the architectural contract to E. Allen Steinau Jr. of White, Herman and Steinau in the amount of $1,308.

At the request of Mantegani, commissioners changed the regular monthly meeting date to the second Monday "so the press can be here." The first Monday's meeting conflicts in press coverage with the Belvedere city council. Mantegani indicated he wanted an Independent-Journal representative at all commission meetings.

Mantegani also cast the only dissenting vote on the motion to accept commission secretary Kelly J. Wheeler into the ranks of the volunteer fire department. "I feel it is bad policy for commissioners to be firemen," Mantegani said.

Former commissioner Howard R. McGill had fought present commission chairman Fred C. Hannahs remaining a volunteer after his election as commissioner. Commissioners Paul C. Hantzsche and Hannahs are now volunteers.

A report recommending that a fulltime paid firemen be employed in July to cover the firehouse during the day, Wednesday through Sunday, was tabled.

WORLD NEWS IN BRIEF

Strike Deadlock

NEW YORK (AP) — Negotiations for a quick end to the Broadway stage blackout have collapsed. Actors and producers both report a hopeless deadlock over wage demands.

The breakdown last night climaxed a day of mercurial ups and downs. No new talks were scheduled.

Disarmament Talks

GENEVA (AP)—Soviet Deputy Foreign Minister Valerian Zorin opened a new round of East-West disarmament talks today with a blast against "aggressive circles" in the United States. He alleged these Americans sabotaged the Paris summit meeting and sought to prevent peaceful coexistence.

Hitler Picture 'Fake'

FRANKFURT, Germany (UPI)—Adolf Hitler's former personal pilot said today reports that the fuehrer's body has been found intact were "nothing but a fairy tale."

Reached by telephone at his home in the small village of Herrsching, former general Hans Baur said the photograph published this week in a Soviet newspaper purporting to be that of Hitler's corpse was "an obvious fake."

"Hitler's body was burned after he committed suicide," Baur said. "We know because we saw it burn, along with that of Eva Braun."

Railroad Subsidy

TRENTON, N.J. (AP) — Gov. Robert B. Meyner is expected to give ailing New Jersey railroads a six-million-dollar transfusion soon. The Assembly passed a bill Monday 53-0 to allow commuter railroads to get the subsidy.

Rhee Resting

HONOLULU (AP) — A Tripler Army Hospital spokesman says Syngman Rhee, 85, is in good physical condition but is tired and needs rest and relaxation.

The former president of the Republic of Korea entered the hospital yesterday for comprehensive laboratory and clinical tests.

'Moral Lethargy'

FAIRFIELD, Conn. (UPI)—Gen. Thomas D. White, Air Force chief of staff, said today a tide of indifference and cynicism is sweeping America.

He told the graduating class at Fairfield University, where he received a doctor of laws degree, that "our high prosperity and 'easy' life tends to induce moral lethargy—if not closely watched."

He urged the graduates to help turn the national course away from "self-interest and private pursuits to a greater and more immediate concern for this country's over-all welfare."

Finch In Isolation

LOS ANGELES (UPI)—Dr. R. Bernard Finch, wealthy physician accused with his young mistress of slaying his wife, was ordered confined in an isolation cell at county jail for disobeying a guard.

Finch, 43, confined at the jail since shortly after his wife, Barbara, 33, was found slain last July 18, was denied smoking privileges, visitors or mail on May 20 and 21, it was revealed yesterday. He had changed his clothes for a court appearance in his cell instead of a dressing room as ordered.

New York Shrinks

NEW YORK (UPI)—New York—the nation's largest city is about 200,000 persons smaller than it was in 1950, a regional census report showed today.

Arthur F. Young, federal statistical administrator for the New York metropolitan region, said the city's present population is about 7,650,000, a drop of three per cent from 1950.

Storms Hamper Relief

SANTIAGO, Chile (UPI)—Gale winds and heavy rains blocked air, land and sea approaches to quake-wrecked, flood-threatened Valdivia today, halting efforts to ferry an estimated 15,000 persons to safety.

Fifteen Chilean freighters were standing by for orders to aid the rescue fleet, and Argentina alerted its merchant marine for emergency action if necessary.

Mild Weather

By U.P. INTERNATIONAL

Cool dry air coursed down from New England into the central plains today, giving the northern states a taste of mild and pleasant weather.

The air dropped temperatures 10 to 15 degrees and mingled with a dome of high pressure over south central Canada and from the middle Atlantic seaboard to the Mississippi River.

The weather bureau said scattered thunderstorms would fall today from the California mountains and Pacific northwest across the Rockies into the plains, the gulf states and the extreme southeast.

Aid For Poland

WASHINGTON (AP) — The United States is about to hand Poland another big economic aid package even though the Poles backed the Soviet Union in denouncing the U2 spy plane incident.

The State Department is going ahead with negotiations for shipments of more American wheat, cotton, fats and oils with every sign the deal will be successfully concluded in a few weeks.

Eichmann Tracked

BUENOS AIRES (AP)—The Israeli government Monday night confirmed that a determined band of Jews tracked Adolf Eichmann to Argentina but insisted the ex-Gestapo official was not kidnaped. It said he agreed to go to Israel to stand trial.

An Israeli note to the Argentine government told of a relentless 15-year quest that spanned three continents and ended with a showdown in Buenos Aires. It claimed that a group of "Jewish volunteers" who caught up with Eichmann here and took him to Israel acted without the Israeli government's official knowledge.

'Gators Slaughtered

TALLAHASSEE, Fla. (UPI)—The Florida Game and Fish Commission reported yesterday professional hunters killed 18,735 alligators during the 1959-1960 'gator hunting season.

Education Trustee To Quit

Lyman B. McBride of Sleepy Hollow missed his final meeting as a member of the Marin County Board of Education last night.

McBride, in Chicago on business, is not again seeking his board post which expires June 30. He sent a letter, thanking the members of the board and its staff for their friendship and assistance during his term on the board and wishing them well.

The board in return passed a resolution expressing its "gratitude" and commending him for "devoted service" to the board and the county's public education program.

The board members will meet July 1 as a committee of the whole to consider applications for appointment to fill McBride's seat until the 1961 election. Theodore V. Cole, chairman of the committee, said "four or five" applications for the post, serving the San Anselmo, Fairfax, Lagunitas and Nicasio School Districts, had been received. He said the committee is still looking for other applications, however.

Formal appointment will be made by the board at the regular July 5 meeting. At the same time an appointment must be made also for the one year for the West Marin representative on the board. OB Cavanaugh has indicated he is a candidate to succeed himself. No other applicant has as yet been announced.

Rights Asserted

MONTGOMERY, Ala. (AP) — In a sweeping challenge of federal power, a state court judge has told the Justice Department to keep its hands off all voting records in Alabama.

Circuit Court Judge Walter B. Jones signed an injunction Monday to prevent federal agents from seeing any Alabama registration files in their hunt for evidence of anti-Negro discrimination.

GENEVA (AP)—Soviet Deputy Foreign Minister Valerian Zorin opened a new round of East-West disarmament talks today with a blast against "aggressive circles" in the United States. He alleged these Americans sabotaged the Paris summit meeting and sought to prevent peaceful coexistence.

Hitler Picture 'Fake'

FRANKFURT, Germany (UPI)—Adolf Hitler's former personal pilot said today reports that the fuehrer's body has been found intact were "nothing but a fairy tale."

Reached by telephone at his home in the small village of Herrsching, former general Hans Baur said the photograph published this week in a Soviet newspaper purporting to be that of Hitler's corpse was "an obvious fake."

"Hitler's body was burned after he committed suicide," Baur said. "We know because we saw it burn, along with that of Eva Braun."

Railroad Subsidy

TRENTON, N.J. (AP) — Gov. Robert B. Meyner is expected to give ailing New Jersey railroads a six-million-dollar transfusion soon. The Assembly passed a bill Monday 53-0 to allow commuter railroads to get the subsidy.

Rhee Resting

HONOLULU (AP) — A Tripler Army Hospital spokesman says Syngman Rhee, 85, is in good physical condition but is tired and needs rest and relaxation.

The former president of the Republic of Korea entered the hospital yesterday for comprehensive laboratory and clinical tests.

'Moral Lethargy'

FAIRFIELD, Conn. (UPI)—Gen. Thomas D. White, Air Force chief of staff, said today a tide of indifference and cynicism is sweeping America.

He told the graduating class at Fairfield University, where he received a doctor of laws degree, that "our high prosperity and 'easy' life tends to induce moral lethargy—if not closely watched."

He urged the graduates to help turn the national course away from "self-interest and private pursuits to a greater and more immediate concern for this country's over-all welfare."

Finch In Isolation

LOS ANGELES (UPI)—Dr. R. Bernard Finch, wealthy physician accused with his young mistress of slaying his wife, was ordered confined in an isolation cell at county jail for disobeying a guard.

Finch, 43, confined at the jail since shortly after his wife, Barbara, 33, was found slain last July 18, was denied smoking privileges, visitors or mail on May 20 and 21, it was revealed yesterday. He had changed his clothes for a court appearance in his cell instead of a dressing room as ordered.

New York Shrinks

NEW YORK (UPI)—New York—the nation's largest city is about 200,000 persons smaller than it was in 1950, a regional census report showed today.

Arthur F. Young, federal statistical administrator for the New York metropolitan region, said the city's present population is about 7,650,000, a drop of three per cent from 1950.

Storms Hamper Relief

SANTIAGO, Chile (UPI)—Gale winds and heavy rains blocked air, land and sea approaches to quake-wrecked, flood-threatened Valdivia today, halting efforts to ferry an estimated 15,000 persons to safety.

Fifteen Chilean freighters were standing by for orders to aid the rescue fleet, and Argentina alerted its merchant marine for emergency action if necessary.

Mild Weather

By U.P. INTERNATIONAL

Cool dry air coursed down from New England into the central plains today, giving the northern states a taste of mild and pleasant weather.

The air dropped temperatures 10 to 15 degrees and mingled with a dome of high pressure over south central Canada and from the middle Atlantic seaboard to the Mississippi River.

The weather bureau said scattered thunderstorms would fall today from the California mountains and Pacific northwest across the Rockies into the plains, the gulf states and the extreme southeast.

Aid For Poland

WASHINGTON (AP) — The United States is about to hand Poland another big economic aid package even though the Poles backed the Soviet Union in denouncing the U2 spy plane incident.

The State Department is going ahead with negotiations for shipments of more American wheat, cotton, fats and oils with every sign the deal will be successfully concluded in a few weeks.

Eichmann Tracked

BUENOS AIRES (AP)—The Israeli government Monday night confirmed that a determined band of Jews tracked Adolf Eichmann to Argentina but insisted the ex-Gestapo official was not kidnaped. It said he agreed to go to Israel to stand trial.

An Israeli note to the Argentine government told of a relentless 15-year quest that spanned three continents and ended with a showdown in Buenos Aires. It claimed that a group of "Jewish volunteers" who caught up with Eichmann here and took him to Israel acted without the Israeli government's official knowledge.

'Gators Slaughtered

TALLAHASSEE, Fla. (UPI)—The Florida Game and Fish Commission reported yesterday professional hunters killed 18,735 alligators during the 1959-1960 'gator hunting season.

Education Trustee To Quit

Lyman B. McBride of Sleepy Hollow missed his final meeting as a member of the Marin County Board of Education last night.

McBride, in Chicago on business, is not again seeking his board post which expires June 30. He sent a letter, thanking the members of the board and its staff for their friendship and assistance during his term on the board and wishing them well.

The board in return passed a resolution expressing its "gratitude" and commending him for "devoted service" to the board and the county's public education program.

The board members will meet July 1 as a committee of the whole to consider applications for appointment to fill McBride's seat until the 1961 election. Theodore V. Cole, chairman of the committee, said "four or five" applications for the post, serving the San Anselmo, Fairfax, Lagunitas and Nicasio School Districts, had been received. He said the committee is still looking for other applications, however.

Formal appointment will be made by the board at the regular July 5 meeting. At the same time an appointment must be made also for the one year for the West Marin representative on the board. OB Cavanaugh has indicated he is a candidate to succeed himself. No other applicant has as yet been announced.

Rights Asserted

MONTGOMERY, Ala. (AP) — In a sweeping challenge of federal power, a state court judge has told the Justice Department to keep its hands off all voting records in Alabama.

Circuit Court Judge Walter B. Jones signed an injunction Monday to prevent federal agents from seeing any Alabama registration files in their hunt for evidence of anti-Negro discrimination.

NEW HIGHWAY RAMPS TO OPEN TOMORROW

This California Division of Highways sketch shows how traffic will be channeled beginning tomorrow with opening of the new on and off ramps to U.S. Highway 101 at San Pedro Road, connecting Santa Venetia, Los Ranchitos and San Rafael. The new access system includes a revision of the San Pedro Undercrossing. The two hazardous pedestrian grade crossings atop Puerto Hill and at Las Gallinas Avenue will be eliminated. Entrance and exit ramps for San Pablo Avenue will be closed. Barriers were removed from the new on and off ramps today.

Planners Defer Consideration Of Tiburon Plan Modifications

The Marin County Planning Commission yesterday postponed consideration of amendments to the Tiburon master plan to June 20, to give the Tiburon Coordinating Council an opportunity to review the proposals.

Peter Macgowan, chairman of the council, said he would try to arrange a special meeting before the council's regular session on June 22.

The commission is considering amendments to the master plan as it would be affected by a change in the location of the Strawberry recreation area and possible alternative or revised traffic circulation systems in the vicinity of the recreation area and Rolling Hills and Marinero subdivisions.

The commission also:

1. Approved an application for adjustment from Pacific Telephone and Telegraph Co. to permit the establishment of a mobile dial center office in a trailer on Arenal Avenue just east of Calle Del Mar in Stinson Beach. The trailer will house a joint Stinson Beach-Bolinas exchange and cost $135,000 equipped, according to the telephone company. If the State Division of Highways does not eventually utilize the site, the telephone company plans to construct permanent facilities there.

2. Approved establishment of a pole peeling machine and an industrial building to house the machine at the Vander Laan Piling and Lumber Co., Black Point. Approval was granted with the provision that no burning is to be done and there be a limit on accumulation of bark.

3. Indefinitely continued an application for construction of a "mobile home park" on Sir Francis Drake East across from Hutchinson Quarry just east of Wood Island, Greenbrae. The planning staff is studying possible standards to be adopted by the county for trailer parks.

4. Continued to June 20 a petition to reclassify [illegible] of land east of Highway 101, extending from Ricardo [illegible] within about 250 feet of Belvedere Drive, in the Alto area, from a single family zoning to a "planned residential district," which would permit some multiple dwellings.

5. Approved a petition to reclassify from single family zoning to a commercial district about three acres of land approximately 200 feet south of Belvedere Drive and extending half way between Belvedere Drive and West Ricardo Drive in the Alto area.

6. Approved the tentative map of Golden View Heights subdivision, approximately 2.10 acres in the Lyford Cove area of Tiburon. The subdivider, D. M. Christensen, plans to divide the parcel into nine lots, all to be used for duplex dwellings.

7. Approved the master plan for Marin Garden Apartments, on a 3.8-acre parcel fronting on the service road on the west side of Highway 101 south of the Corte Madera town limits. Off-street parking is to be provided at the ratio of 1-1½ spaces per unit. The development will have 32 units, and walks for general circulation must be 15 feet from buildings, the commission specified.

8. Approved the tentative map of Las Colindas Unit 7, a proposed subdivision on about four acres north and east of previous Las Colindas units in Terra Linda.

9. Continued to June 20 consideration of the tentative map of Barn House Ranch subdivision, about 7½ acres, southwest of Novato near Indian Valley Road. Objections were heard to the proposed construction of 21 septic tanks in the subdivision.

10. Approved the application of Charles J. Hendrickson to build an eight-unit apartment house on the Charles Robinson tract on Calle Del Embarcadero in Stinson Beach.

Pilot Receives Jail Term For Drunk Driving

John Olsen, 44, of Oakland, former airlines pilot, must serve five days in Marin County Jail and pay a $250 fine for his second drunken driving conviction since last December.

He was arrested on Tiburon Boulevard on March 22. He had a prior conviction in Mendocino County last Dec. 3.

Judge Leonard A. Thomas of Marin Municipal Court sentenced Olsen yesterday. Two other drunken drivers drew $150 fine and six months probation for first offenses.

Burt Leroy Morris, 39, of 402 Pleasure Lane, Novato, was caught on Highway 101 a week ago Sunday. George Beasley, 33, of San Francisco was arrested on Highway 101 last Saturday.

Chile Needs Money But Not Supplies

Clothing, food and medical supplies are no longer needed for the Chilean Relief program, but there still is an emergency need for money for household items and temporary housing.

Mrs. A. C. Anderson, executive director of the Marin chapter of the American Red Cross, said today four American representatives in Chile have reported that there was still a need for money to purchase furniture and temporary housing for the Chilean people left homeless by the recent earthquakes.

The four-man American team is made up of the U.S. Ambassador Walter Howe and representatives of the Lutheran Church, Catholic Relief Service and American Red Cross, reported Mrs. Anderson.

Cash donations may be made to the Marin chapter of the Red Cross, the Salvation Army, or local church collection agencies, Mrs. Anderson announced.

Union St. Extension Contract Let

Contractor Piombo and Bresnan of San Rafael will build the Union Street extension from Mission Avenue to Third Street at a cost of $49,665.

San Rafael City Council last night awarded the contract to Piombo and Bresnan, who underbid six other contractors. Bids ranged to a high of $58,943. The city engineer's estimate of cost was $53,873.

City fathers also approved a land-swap arrangement previously agreed upon with the San Rafael High School District. When Union Street is opened, the city has agreed to close High Street for use by the school district. A hearing on the closing of High Street will be held sometime in July.

Bolinas Club Hears Blair, Mrs. Schultz

Vera L. Schultz and J. Walter Blair, candidates for the third district supervisorial office, gave their platforms in talks before the Bolinas Beach Improvement Club in Bolinas Saturday night. Sixty-six people attended.

A potluck supper preceded the candidates' talks. Frank Fuller, president of the club, thanked the 18 volunteers who painted the exterior of the clubhouse two weeks ago. He also thanked the members' wives who furnished lunch during the two-day job.

Calvin C. Talcott, secretary, said the club will not meet again until the first Saturday in October.

Council Over-Rules Driveway Protests

An access driveway into El Camino Drive was conditionally granted a Mobiloil service station last night by the Corte Madera town council, over the protests of 231 Marin Estates homeowners.

Represented by Jack Ellis of 2 Paloma Drive, president of the Marin Estates Homeowners Assn., the residents maintained the driveway would create a traffic hazard on the only entrance to their subdivision.

The driveway, which crosses a strip of town property between the station and El Camino Drive, has already been constructed by General Petroleum Co., owner of the service station. Inasmuch as it crosses the town property, permission for use was necessary from the council. The only other entrance to the station is on Paradise Drive.

"Plans call for a shopping center and at least 500 more homes in the area," Ellis said. "All this is going to mean an even greater hazard."

"I see no compelling reason why we should refuse this access," Councilman Roger F. Morse said. "Looking at the total picture, I believe denial of the access would create an even greater hazard on Paradise Drive."

"I don't feel we can overlook 231 signatures on a petition representing 91 per cent of the people who will have to live with this bottleneck," argued Councilman Raymond De Young.

"Don't confuse public interest with public sentiment," Morse advised the new councilman.

"Whether it will be a traffic hazard or not would be best proved by actual operation," suggested Town Atty. John B. Ehlen.

"By what yardstick do you propose to measure the hazard—by one death?" asked Ellis.

By four-to-one vote, with De Young dissenting, the council granted the access, reserving the right to shut the gate on the driveway if proved unworkable.

"I think the council is adopting a 'public be damned' attitude," one resident commented from the floor after the decision was announced.

Steele Shops Close In Memory of Plane Victim

Steele's patio shop in Corte Madera and Steel's gift shop in San Rafael will be closed tomorrow and Thursday in memory of Jack C. Steele, son of Mr. and Mrs. Edward Steele, owners. Jack Steele was killed in an airplane crash a week ago Saturday.

Barn Dance Plan Meeting Tonight

A special meeting of the San Geronimo Valley Assn. to complete plans for the association's barn dance Saturday night will be held tonight at 8 o'clock at the Lagunitas School.

The Independent-Journal incorrectly announced the date of the meeting as last night in yesterday's paper.

Mrs. Marie Gee and Mrs. Kenneth Burt are co-chairmen for the dance, to be held at 9 p.m. in the barn of the Ralph Roy ranch.

"I don't feel we can overlook 231 signatures on a petition representing 91 per cent of the people who will have to live with this bottleneck," argued Councilman Raymond De-Young.

"Don't confuse public interest with public sentiment," Morse advised the new councilman.

"Whether it will be a traffic hazard or not would be best proved by actual operation," suggested Town Atty. John B. Ehlen.

"By what yardstick do you propose to measure the hazard—by one death?" asked Ellis.

By four-to-one vote, with De Young dissenting, the council granted the access, reserving the right to shut the gate on the driveway if proved unworkable.

"I think the council is adopting a 'public be damned' attitude," one resident commented from the floor after the decision was announced.

Steele Shops Close In Memory of Plane Victim

Steele's patio shop in Corte Madera and Steel's gift shop in San Rafael will be closed tomorrow and Thursday in memory of Jack C. Steele, son of Mr. and Mrs. Edward Steele, owners. Jack Steele was killed in an airplane crash a week ago Saturday.

Barn Dance Plan Meeting Tonight

A special meeting of the San Geronimo Valley Assn. to complete plans for the association's barn dance Saturday night will be held tonight at 8 o'clock at the Lagunitas School.

The Independent-Journal incorrectly announced the date of the meeting as last night in yesterday's paper.

Mrs. Marie Gee and Mrs. Kenneth Burt are co-chairmen for the dance, to be held at 9 p.m. in the barn of the Ralph Roy ranch.

San Geronimo Valley Rezoning Postponed

The Marin County Planning Commission yesterday deferred action for 60 days on proposed new interim zoning in San Geronimo Valley, at request of a number of residents of the area.

The interim zoning would classify most of the areas already developed as R-1, single family residence district. Ranch lands not yet subdivided would be classified as a planned community district. Such a district would require that ranches be thoroughly planned as to land use, roads, utilities and other matters before they are subdivided and developed.

The new zoning would serve as a temporary measure until the planning commission can study and recommend to the board of supervisors a permanent zoning plan for the valley.

About 50 persons concerned with the proposals filled the commission's hearing room. Most objected to taking of action at this time. A representative of the newly organized San Geronimo, Forest Knolls and Lagunitas Property Owners and Business Men's Assn. said he had a petition with 250 names asking postponement of action on the item for at least 30 days.

The matter will be heard at the commission's Aug. 8 meeting.

The commission also created a new district known as an "open area district" and recommended the rezoning of Forts Barry, Baker and Cronkhite as such districts. It continued to a future meeting the question of classifying as an open area district the Marin Conservation League property on Tiburon boulevard.

The new district would be used where it is considered desirable and in the public interest to maintain such land in a permanent open state because of topography, natural beauty, historical interest or recreational needs.

Uses to be permitted would include public parks, playgrounds, or schools, or private non-profit recreational uses.

The commissioners reconsidered P. J. Tarrant's petition for rezoning a 33,000-square foot area by the Gallinas Shopping Center in Santa Venetia for apartments after it was referred back to them by the board of supervisors, then split 2-2 on the matter. Commissioner Worth Fenner was absent.

The planners had originally turned down the petition, stating that if used for apartments, the land should have a limit of one unit per 1,500 square feet. Tarrant sought one unit for each 1,000 square feet. Three supervisors agreed that the builder should have the leeway he sought.

Lodger Found Dead In Jail

A 48-year-old dishwasher from Lake County, who walked into the county jail last night seeking lodging, was found dead this morning in his bunk, apparently from a heart attack.

The victim was Earl J. McFarland, 48, who worked at Adams Springs Resort in Lake County. Coroner Frank J. Keaton said McFarland was a veteran of World War II and had been in and out of veterans' hospitals.

Funeral arrangements are pending at Keaton's, San Rafael. An autopsy was to be performed today.

About 8:30 this morning, cellmates in the jail found the man dead and called jailers. A county doctor pronounced the man dead. Coroner Keaton said the victim appeared to have been dead about an hour when found.

McFarland's mother, Ella Paquepte, died a week ago in Vallejo. The coroner learned that McFarland had failed to show up for her funeral.

He leaves two daughters, Mrs. Rose King of Benicia and Miss Mary McFarland of Vallejo. He was divorced.

Nature Group To See Flower Film

The Marin Nature Group will hold a potluck supper meeting Friday at 6:15 p.m. in the College of Marin barbecue area, Kentfield.

After dinner, Waldemar Sievers will show pictures showing how cultivated flowers evolved from wild ones at 8 p.m. in Room 40, Chemistry Building, announced Margaret B Best, secretary.

Willis J. Pelletier of 100 Belvedere Drive, Mill Valley, will lead the group's June field trip Sunday to McClure's Beach. He will explain the geography of that area, reported Mrs. Best.

Persons planning on going on the field trip are to meet at the College of Marin Circle at 9:30 a.m., she said. Cars will be pooled and persons are to take their own box lunches.

Civil Liberties Unit Hear McWilliams

Carey McWilliams, editor of "The Nation," will analyze activities of the House Un-American Activities Committee at the sixth annual pot-luck dinner of the Marin Chapter of the American Civil Liberties Union, June 24 at the Roger Kent estate in Kent Woodlands.

McWilliams will speak on "1950-60, the Vile Decade," discussing the last 10 years from the point of view of civil liberties.

Ph. D. Degree From U.C. For R. D. Estes

The University of California will confer the degree of doctor of philosophy on Richard D. Estes, son of San Rafael High School teacher Aura M. Estes, at commencement exercises at the Berkeley campus Saturday.

Estes, 28, now living in Berkeley, is a candidate of San Rafael High School. He received bachelor's and master's degrees from University of California. His doctorate was taken in paleontology, the study of fossils.

Hoppe charged that "Belvedere Properties Co. can get a planning commission they can run and keep coming back before the city council to put them on the spot . . ."

Erskine said, "Mr. Hoppe shows no confidence in the city council and casts doubt on their honesty." Hoppe disagreed.

Cove Players To Observe Birthday

The Cove Players will celebrate a "second birthday party" tomorrow night following the midweek rehearsal of the play "An Inspector Calls," when they light a two-candled birthday cake celebrating the completion of two performances.

Following the mid-rehearsal party, the cast and production staff will adjourn to Tommy's Pier 41 restaurant on Tiburon's Main street for the traditional post-rehearsal champagne party.

Performances of the J. B. Priestly mystery drama are scheduled for Friday and Saturday night and June 17 and 18. Performances start at 8:30 p.m.

Sausalito To Act On Cove Lot Purchase

The Sausalito city council decided last night to step up its meetings to get early action in purchase of Shelter Cove lots for the city.

David B. Gideon, owner, has asked for purchase of at least part of the property before he leaves for a trip to Europe June 17. The council decided last night to hold a special meeting at 8 p.m. Thursday in the city hall conference room with Gideon; Donald Duncan, president of the Sausalito Foundation; Richard Gladstein, attorney for Saily Stanford, and John B. Ehlen, city attorney.

An adjourned meeting of the council will be held June 14 at which a decision is to be made on the purchase.

Council members discussed last night the possibility of paying Gideon $30,000 down and $20,000 more in each of consecutive years. Gideon said this was agreeable. Mayor Philip S. Ehrlich Jr. said that between $25,000 and $30,000 had been committed by residents toward buying the land, which is priced at $70,000.

The council also:

1. Approved a resolution entering into contract to become a member of the Assn. of Bay Area Governments.
2. Went on record as favoring an ordinance to establish an open area district of Forts Barry, Baker and Cronkhite.
3. Directed the planning commission to study increased parking requirements for single family houses, two spaces per single family and three for a duplex.
4. Accepted the resignation of Mrs. Howard M. Peek from the planning commission. She said she is to be out of the state for the rest of the year.

awakened and questioned at police headquarters. On May 18, both submitted to lie tests in San Francisco. Weissich said she passed, but Marcus flunked.

Marcus was given a chance to resign and did so. Then the case was turned over to the district attorney for possible criminal complaint.

The decision on whether to prosecute was completely separate from the resignation, Weissich declared.

"I told her if she wanted to prosecute, I would file a criminal complaint. She said she did not want to prosecute because of the notoriety and anguish," he declared.

"Any way you look at it, it is conduct unbecoming an officer," commented Weissich.

According to attorney Dreyfus, Marcus's account differs: He had been trying to find the girl a job for about two weeks. She was sent out on a waitress' job, but turned it down. Finally he offered her the housework job and she accepted. Marcus said it was a friendly get-together from 10 a.m. to 8 p.m. She accepted drinks, they played records and talked. She telephoned some friends in Sausalito and in San Francisco from his apartment.

Never once did the girl give any indication she wanted to leave, Marcus said. Then, all of a sudden, while Marcus was in the bathroom, she disappeared in a bathrobe, leaving her clothes behind.

Marcus said he was awakened at 1 a.m. by police and questioned for 17 hours, then told to resign or be fired.

Nevada Degree

Russell L. Melquist of 513 Fourth street, San Rafael, was awarded a bachelor of science degree at commencement exercises at the University of Nevada Sunday for studies completed last February.

Light To Be Shed On Dark Paradise Drive

Some light will be shed on Paradise Drive as a result of last night's decision by the Corte Madera town council to erect nine 6,000-lumen street lights between Seawolf Passage and a point across the railroad tracks near the car wash plant.

A proposed additional installation of an undetermined number of 23,000-lumen lights was held over for further study on recommendation of town manager Arthur H. Brandow.

"Lights measuring 23,000 lumens would make the drive as brightly lighted as the overpass," Brandow said.

Also recommended for further study for one month was a decree that unincorporated areas near Corte Madera would no longer be served by the town fire department. The town town department has, in the past, answered calls in areas which have no protection and do not pay taxes toward the town operation.

The delay was granted to give the affected areas time to make arrangements for protection by creating their own fire districts or annexing to existing ones.

Two new titles — "senior clerk-typist" and "investment counsellor"—were added to the list of town employees in a move to legally increase the pay of the town clerk and town treasurer.

According to law, the salaries of elected town officials cannot be raised during their term of office. Town Atty. John B. Ehlen said giving additional titles with compensation attached was common practice among cities.

The present salaries of the two offices call for a "minimum of $2 per year." By creation of the new posts as additions to the same jobs, the town can legally pay the town clerk $2.37 an hour and the treasurer $55 a month. The new posts would be created on July 1.

In other action last night, the council:

1. Accepted the resignations of councilman Raymond De Young from the Park and Recreation Commission and of James B. Davitte from the Planning Commission. The council also reappointed Mrs. Alfred Kraeger, Bruce Goecker and Herman Fuetsch to the Park and Recreation Commission on expiration of their terms.
2. Approved a policy that the deadline for automatic public hearings on zoning variances will be 14 days before the following meeting of the board of adjustments.
3. Held over for further study a request that Corte Madera join the Bay Area Assn. of Governments at a cost of $50 a year.
4. Approved inclusion of a planting area at Willow Avenue and Chapman Drive in the town maintenance system. Residents of the area have maintained the spot until now.
5. Authorized Brandow to request the county to re-budget funds for paving of Paradise Drive, after being informed by the town manager that the pavement is not up to required thickness in at least two sections. Lee Mac Paving Co., a Corte Madera firm, was the contractor.

STOCKS TODAY

NEW YORK (AP)—Stocks made a spirited advance today and lifted prices to their best level since late January.

Quality stocks—steels, autos and chemicals—again set the pace. Allegheny Ludlum rose about 2 and other leading steels around a point.

A better sales picture boosted White Motors around 3, and Chrysler, Ford and General Motors around 1 each. Eastman Kodak jumped around 4 and Du Pont about 3 to help pull the industrial average up sharply.

Trustees Named To 2 Boards

Two Marin school districts have new trustees today.

Last night the Marin County Board of Education approved the appointment of:

Mrs. Charles Secor of 30 Palm Avenue, Larkspur, to fill the vacancy created by the resignation of Mrs. Doris Barck from the Larkspur School District board.

John Nielsen of Forest Knolls to replace retiring Sterling Whitt on the Lagunitas School District board.

Nielen's appointment was made quietly and without opposition, although it had been expected a group from Woodacre would appear at the meeting proposing a Woodacre resident for the vacancy.

County Supt. Virgil S. Hollis reported to the board, in anticipation of a Woodacre proposal, that "no matter how outstanding a candidate might be, to choose a person from the Woodacre area at this particular time would disrupt the apparent harmony now existing within the school district." The district has had some notable disharmony in past years.

Representatives of the Lagunitas school board reported that the board had voted unanimously in support of Nielsen's appointment.

Nielsen, 36, is postmaster and real estate man at Forest Knolls and the father of seven children, four of them now in school. He is a graduate of the Davis campus of University of California and has been active in affairs of the San Geronimo Valley Assn.

Mrs. Secor, a resident of Marin for nine years, has four children in school. A Stanford University graduate, she has been active in P-TA activities, served on the Larkspur Recreation Commission, is a past president of the Marin Medical Society Auxiliary, a member of the Junior League and the League of Women Voters.

Both new trustees will serve terms ending June 30, 1961. Their appointment was made by Hollis with the approval of the county board.

Graduation Set At Mt. Carmel School

Graduation exercises will be held at Our Lady of Mount Carmel School in Mill Valley at 7 p.m., Friday, with 43 students to receive eighth grade diplomas.

Rev. John O'Brien will be master of ceremonies and will present diplomas to the 22 boys and 21 girls. The ceremony will take place in the school auditorium.

Shannon Boyd, daughter of Mr. and Mrs. David L. Boyd of 36 Somerset lane, Mill Valley, will be valedictorian.

Following the exercises there will be a celebration for graduates and parents in the parish hall.

Friday at 8 a.m. there will be a mass at the church for graduates and their families, to be followed by breakfast in the parish hall with graduates only and Father O'Brien.

School Board Asks Budget Fund Shift

The Sausalito School District board last night instructed Supt. Marcus F. Davis to pare down the budget between $10,000 and $15,000 to establish a building fund for the Marin City school and to help purchase a larger bus for the district.

A preliminary budget of $588,334 was presented last night. This figure is a decrease from last year's budget, which was $599,140.

A meeting will be held at 8 p.m. Monday at Marin City school to continue discussion of the preliminary budget.

Board members adopted the annual contract for non-teaching employees as amended last night. It will be effective July 1. The contract, Davis said, spells out rules and regulations under which the employees work. In addition to the contract, a job specification was adopted which defines the job, qualifications and duties to be performed.

Rites Held For Ross Resident

Requiem Mass for Joseph Guglielmo, 76, of Ross, was celebrated yesterday at St. Anselm's Church. Guglielmo died Sunday in a local hospital after an illness.

Born in Italy, he was a longtime resident of the Bay Area and had been general manager of Phoenix Day Co. in San Francisco. He resided at 23 Garden Road, Ross.

His wife, Lena, preceded him in death.

He is survived by two brothers, Ben Guglielmo of San Anselmo and Eugene Guglielmo of San Francisco.

Entombment was in Mount Olivet Cemetery, San Rafael.

Funeral In Utah For Corte Maderan's Kin

Funeral services were held yesterday in Ogden, Utah, for Mrs. Mary Jennings, grandmother of Richard D. Layman of Corte Madera, news editor of the Independent-Journal.

Mrs. Jennings, who was in her late 80s, died Friday after a long illness.

Chessman Will Filed For Probate Here

Convict author Caryl Chessman's will was filed for probate in Marin Superior Court yesterday and his lawyer Rosalie Asher of Sacramento was appointed executor of his estate.

According to Miss Asher's petition, Chessman left less than $1,000 in cash and an estate not expected to exceed $5,000 in all. Chessman, who was executed on May 2, left a will that gave everything to Miss Asher.

San Geronimo Valley Rezoning Postponed

The Marin County Planning Commission yesterday deferred action for 60 days on proposed new interim zoning in San Geronimo Valley, at request of a number of residents of the area.

The interim zoning would classify most of the areas already developed as R-1, single family residence district. Ranch lands not yet subdivided would be classified as a planned community district. Such a district would require that ranches be thoroughly planned as to land use, roads, utilities and other matters before they are subdivided and developed.

The new zoning would serve as a temporary measure until the planning commission can study and recommend to the board of supervisors a permanent zoning plan for the valley.

About 50 persons concerned with the proposals filled the commission's hearing room. Most objected to taking of action at this time. A representative of the newly organized San Geronimo, Forest Knolls and Lagunitas Property Owners and Business Men's Assn. said he had a petition with 250 names asking postponement of action on the item for at least 30 days.

The matter will be heard at the commission's Aug. 8 meeting.

The commission also created a new district known as an "open area district" and recommended the rezoning of Forts Barry, Baker and Cronkhite as such districts. It continued to a future meeting the question of classifying as an open area district the Marin Conservation League property on Tiburon boulevard.

The new district would be used where it is considered desirable and in the public interest to maintain such land in a permanent open state because of topography, natural beauty, historical interest or recreational needs.

Uses to be permitted would include public parks, playgrounds, or schools, or private non-profit recreational uses.

The commissioners reconsidered P. J. Tarrant's petition for rezoning a 33,000-square foot area by the Gallinas Shopping Center in Santa Venetia for apartments after it was referred back to them by the board of supervisors, then split 2-2 on the matter. Commissioner Worth Fenner was absent.

The planners had originally turned down the petition, stating that if used for apartments, the land should have a limit of one unit per 1,500 square feet. Tarrant sought one unit for each 1,000 square feet. Three supervisors agreed that the builder should have the leeway he sought.

Lodger Found Dead In Jail

A 48-year-old dishwasher from Lake County, who walked into the county jail last night seeking lodging, was found dead this morning in his bunk, apparently from a heart attack.

The victim was Earl J. McFarland, 48, who worked at Adams Springs Resort in Lake County. Coroner Frank J. Keaton said McFarland was a veteran of World War II and had been in and out of veterans' hospitals.

Funeral arrangements are pending at Keaton's, San Rafael. An autopsy was to be performed today.

About 8:30 this morning, cellmates in the jail found the man dead and called jailers. A county doctor pronounced the man dead. Coroner Keaton said the victim appeared to have been dead about an hour when found.

McFarland's mother, Ella Paquepte, died a week ago in Vallejo. The coroner learned that McFarland had failed to show up for her funeral.

He leaves two daughters, Mrs. Rose King of Benicia and Miss Mary McFarland of Vallejo. He was divorced.

Nature Group To See Flower Film

The Marin Nature Group will hold a potluck supper meeting Friday at 6:15 p.m. in the College of Marin barbecue area, Kentfield.

After dinner, Waldemar Sievers will show pictures showing how cultivated flowers evolved from wild ones at 8 p.m. in Room 40, Chemistry Building, announced Margaret B Best, secretary.

Willis J. Pelletier of 100 Belvedere Drive, Mill Valley, will lead the group's June field trip Sunday to McClure's Beach. He will explain the geography of that area, reported Mrs. Best.

Persons planning on going on the field trip are to meet at the College of Marin Circle at 9:30 a.m., she said. Cars will be pooled and persons are to take their own box lunches.

Civil Liberties Unit Hear McWilliams

Carey McWilliams, editor of "The Nation," will analyze activities of the House Un-American Activities Committee at the sixth annual pot-luck dinner of the Marin Chapter of the American Civil Liberties Union, June 24 at the Roger Kent estate in Kent Woodlands.

McWilliams will speak on "1950-60, the Vile Decade," discussing the last 10 years from the point of view of civil liberties.

Ph. D. Degree From U.C. For R. D. Estes

The University of California will confer the degree of doctor of philosophy on Richard D. Estes, son of San Rafael High School teacher Aura M. Estes, at commencement exercises at the Berkeley campus Saturday.

Estes, 28, now living in Berkeley, is a candidate of San Rafael High School. He received bachelor's and master's degrees from University of California. His doctorate was taken in paleontology, the study of fossils.

Hoppe charged that "Belvedere Properties Co. can get a planning commission they can run and keep coming back before the city council to put them on the spot . . ."

Erskine said. "Mr. Hoppe shows no confidence in the city council and casts doubt on their honesty." Hoppe disagreed.

Cove Players To Observe Birthday

The Cove Players will celebrate a "second birthday party" tomorrow night following the midweek rehearsal of the play "An Inspector Calls," when they light a two-candled birthday cake celebrating the completion of two performances.

Following the mid-rehearsal party, the cast and production staff will adjourn to Tommy's Pier 41 restaurant on Tiburon's Main street for the traditional post-rehearsal champagne party.

Performances of the J. B. Priestly mystery drama are scheduled for Friday and Saturday night and June 17 and 18. Performances start at 8:30 p.m.

Sausalito To Act On Cove Lot Purchase

The Sausalito city council decided last night to step up its meetings to get early action in purchase of Shelter Cove lots for the city.

David B. Gideon, owner, has asked for purchase of at least part of the property before he leaves for a trip to Europe June 17. The council decided last night to hold a special meeting at 8 p.m. Thursday in the city hall conference room with Gideon; Donald Duncan, president of the Sausalito Foundation; Richard Gladstein, attorney for Sally Stanford, and John B. Ehlen, city attorney.

An adjourned meeting of the council will be held June 14 at which a decision is to be made on the purchase.

Council members discussed last night the possibility of paying Gideon $30,000 down and $20,000 more in each of consecutive years. Gideon said this was agreeable. Mayor Philip S. Ehrlich Jr. said that between $25,000 and $30,000 had been committed by residents toward buying the land, which is priced at $70,000.

The council also:

1. Approved a resolution entering into contract to become a member of the Assn. of Bay Area Governments.
2. Went on record as favoring an ordinance to establish an open area district of Forts Barry, Baker and Cronkhite.
3. Directed the planning commission to study increased parking requirements for single family houses, two spaces per single family and three for a duplex.
4. Accepted the resignation of Mrs. Howard M. Peek from the planning commission. She said she is to be out of the state for the rest of the year.

awakened and questioned at police headquarters. On May 18, both submitted to lie tests in San Francisco. Weissich said she passed, but Marcus flunked.

Marcus was given a chance to resign and did so. Then the case was turned over to the district attorney for possible criminal complaint.

The decision on whether to prosecute was completely separate from the resignation, Weissich declared.

"I told her if she wanted to prosecute, I would file a criminal complaint. She said she did not want to prosecute because of the notoriety and anguish," he declared.

"Any way you look at it, it is conduct unbecoming an officer," commented Weissich.

According to attorney Dreyfus, Marcus's account differs:

He had been trying to find the girl a job for about two weeks. She was sent out on a waitress' job, but turned it down. Finally he offered her the housework job and she accepted. Marcus said it was a friendly get-together from 10 a.m. to 8 p.m. She accepted drinks, they played records and talked. She telephoned some friends in Sausalito and in San Francisco from his apartment.

Never once did the girl give any indication she wanted to leave, Marcus said. Then, all of a sudden, while Marcus was in the bathroom, she disappeared in a bathrobe, leaving her clothes behind.

Marcus said he was awakened at 1 a.m. by police and questioned for 17 hours, then told to resign or be fired.

Nevada Degree

Russell L. Melquist of 513 Fourth street, San Rafael, was awarded a bachelor of science degree at commencement exercises at the University of Nevada Sunday for studies completed last February.

Light To Be Shed On Dark Paradise Drive

Some light will be shed on Paradise Drive as a result of last night's decision by the Corte Madera town council to erect nine 6,000-lumen street lights between Seawolf Passage and a point across the railroad tracks near the car wash plant.

A proposed additional installation of an undetermined number of 23,000-lumen lights was held over for further study on recommendation of town manager Arthur H. Brandow.

"Lights measuring 23,000 lumens would make the drive as brightly lighted as the overpass," Brandow said.

Also recommended for further study for one month was a decree that unincorporated areas near Corte Madera would no longer be served by the town fire department. The town town department has, in the past, answered calls in areas which have no protection and do not pay taxes toward the town operation.

The delay was granted to give the affected areas time to make arrangements for protection by creating their own fire districts or annexing to existing ones.

Two new titles — "senior clerk-typist" and "investment counsellor"—were added to the list of town employees in a move to legally increase the pay of the town clerk and town treasurer.

According to law, the salaries of elected town officials cannot be raised during their term of office. Town Atty. John B. Ehlen said giving additional titles with compensation attached was common practice among cities.

The present salaries of the two offices call for a "minimum of $2 per year." By creation of the new posts as additions to the same jobs, the town can legally pay the town clerk $2.37 an hour and the treasurer $55 a month. The new posts would be created on July 1.

In other action last night, the council:

1. Accepted the resignations of councilman Raymond De Young from the Park and Recreation Commission and of James B. Davitte from the Planning Commission. The council also reappointed Mrs. Alfred Kraeger, Bruce Goecker and Herman Fuetsch to the Park and Recreation Commission on expiration of their terms.
2. Approved a policy that the deadline for automatic public hearings on zoning variances will be 14 days before the following meeting of the board of adjustments.
3. Held over for further study a request that Corte Madera join the Bay Area Assn. of Governments at a cost of $50 a year.
4. Approved inclusion of a planting area at Willow Avenue and Chapman Drive in the town maintenance system. Residents of the area have maintained the spot until now.
5. Authorized Brandow to request the county to re-budget funds for paving of Paradise Drive, after being informed by the town manager that the pavement is not up to required thickness in at least two sections. Lee Mac Paving Co., a Corte Madera firm, was the contractor.

STOCKS TODAY

NEW YORK (AP)—Stocks made a spirited advance today and lifted prices to their best level since late January.

Quality stocks—steels, autos and chemicals—again set the pace. Allegheny Ludlum rose about 2 and other leading steels around a point.

A better sales picture boosted White Motors around 3, and Chrysler, Ford and General Motors around 1 each. Eastman Kodak jumped around 4 and Du Pont about 3 to help pull the industrial average up sharply.

Trustees Named To 2 Boards

Two Marin school districts have new trustees today.

Last night the Marin County Board of Education approved the appointment of:

Mrs. Charles Secor of 30 Palm Avenue, Larkspur, to fill the vacancy created by the resignation of Mrs. Doris Barck from the Larkspur School District board.

John Nielsen of Forest Knolls to replace retiring Sterling Whitt on the Lagunitas School District board.

Nielen's appointment was made quietly and without opposition, although it had been expected a group from Woodacre would appear at the meeting proposing a Woodacre resident for the vacancy.

County Supt. Virgil S. Hollis reported to the board, in anticipation of a Woodacre proposal, that "no matter how outstanding a candidate might be, to choose a person from the Woodacre area at this particular time would disrupt the apparent harmony now existing within the school district." The district has had some notable disharmony in past years.

Representatives of the Lagunitas school board reported that the board had voted unanimously in support of Nielsen's appointment.

Nielsen, 36, is postmaster and real estate man at Forest Knolls and the father of seven children, four of them now in school. He is a graduate of the Davis campus of University of California and has been active in affairs of the San Geronimo Valley Assn.

Mrs. Secor, a resident of Marin for nine years, has four children in school. A Stanford University graduate, she has been active in P-TA activities, served on the Larkspur Recreation Commission, is a past president of the Marin Medical Society Auxiliary, a member of the Junior League and the League of Women Voters.

Both new trustees will serve terms ending June 30, 1961. Their appointment was made by Hollis with the approval of the county board.

Graduation Set At Mt. Carmel School

Graduation exercises will be held at Our Lady of Mount Carmel School in Mill Valley at 7 p.m., Friday, with 43 students to receive eighth grade diplomas.

Rev. John O'Brien will be master of ceremonies and will present diplomas to the 22 boys and 21 girls. The ceremony will take place in the school auditorium.

Shannon Boyd, daughter of Mr. and Mrs. David L. Boyd of 36 Somerset lane, Mill Valley, will be valedictorian.

Following the exercises there will be a celebration for graduates and parents in the parish hall.

Friday at 8 a.m. there will be a mass at the church for graduates and their families, to be followed by breakfast in the parish hall with graduates only and Father O'Brien.

School Board Asks Budget Fund Shift

The Sausalito School District board last night instructed Supt. Marcus F. Davis to pare down the budget between $10,000 and $15,000 to establish a building fund for the Marin City school and to help purchase a larger bus for the district.

A preliminary budget of $588,334 was presented last night. This figure is a decrease from last year's budget, which was $599,140.

A meeting will be held at 8 p.m. Monday at Marin City school to continue discussion of the preliminary budget.

Board members adopted the annual contract for non-teaching employees as amended last night. It will be effective July 1. The contract, Davis said, spells out rules and regulations under which the employees work. In addition to the contract, a job specification was adopted which defines the job, qualifications and duties to be performed.

Rites Held For Ross Resident

Requiem Mass for Joseph Guglielmo, 76, of Ross, was celebrated yesterday at St. Anselm's Church. Guglielmo died Sunday in a local hospital after an illness.

Born in Italy, he was a longtime resident of the Bay Area and had been general manager of Phoenix Day Co. in San Francisco. He resided at 23 Garden Road, Ross.

His wife, Lena, preceded him in death.

He is survived by two brothers, Ben Guglielmo of San Anselmo and Eugene Guglielmo of San Francisco.

Entombment was in Mount Olivet Cemetery, San Rafael.

Funeral In Utah For Corte Maderan's Kin

Funeral services were held yesterday in Ogden, Utah, for Mrs. Mary Jennings, grandmother of Richard D. Layman of Corte Madera, news editor of the Independent-Journal.

Mrs. Jennings, who was in her late 80s, died Friday after a long illness.

Chessman Will Filed For Probate Here

Convict author Caryl Chessman's will was filed for probate in Marin Superior Court yesterday and his lawyer Rosalie Asher of Sacramento was appointed executor of his estate.

According to Miss Asher's petition, Chessman left less than $1,000 in cash and an estate not expected to exceed $5,000 in all. Chessman, who was executed on May 2, left a will that gave everything to Miss Asher.

SIXTY YEARS OF SERVICE MARKED

Sister Mary Emmanuela, wearing crown presented during ceremony yesterday for her 60 years with the Order of Franciscan Sisters of the Sacred Heart, is congratulated by her sister, Mrs. Elizabeth Wondra of San Francisco. The ceremony followed a special morning mass in chapel of St. Joseph Hospital in San Francisco. Sister Emmanuela, 84, of Hannover, Germany, came to the United States with her parents when she was 15 and has never returned to her homeland. She is supervisor of the chaplain's dining room at the hosptial. (AP Wirephoto)

Baptists Elect Negro To High Church Post

ROCHESTER, N.Y. (AP) — A Negro was elected today to a top-level post of the American Baptist convention for the first time.

She is Ruth McKinney of Cleveland, named second vice president.

Delegates elected C. Stanton Callup of Plainfield, Conn., head of the Gallup Lumber Co., as president.

Elected first vice president was the Rev. Roger Frederickson of Sioux Falls, S.D.

Gallup, 49, succeeds the Rev. Dr. Herbert Gezork of Newton Centre, Mass.

Gallup is married and a father of four children. He lives on a 100-acre farm outside of Plainfield.

Mrs. McKinney is the wife of the Rev. Wade H. McKinney, pastor of Antioch Baptist Church in Cleveland, one of the largest Negro churches in the country.

A tall, dignified woman, she has been vice president of Christian Service for the National Council of American Baptist Women since 1956. She also is on the national executive board of the United Church Women, a national interdenominational group.

The Rev. Mr. Frederickson is pastor of the Sioux Falls First Baptist Church and has been a leader in developing work among college students.

The officers were elected without opposition.

The convention neared a finish later today after having squelched a series of thrusts at the Roman Catholic Church in connection with the impending national presidential election.

One by one, four such moves were decisively voted down.

The 1½-million-member denomination, however, asserted the right of citizens to inquire into the influences of any candidate's religion on his views regarding public issues.

Obvious backdrop for the spirited discussion was the candidacy of Sen. John F. Kennedy of Massachusetts, a Catholic, for the Democratic presidential nomination, but his name was not mentioned.

On a related matter, delegates commended Protestants and Other Americans United for the Separation of Church and State for "its vigilance in ferreting out infringements of the separation principles.

The convention also urged opposition to use of tax funds by private schools for pupil transportation, textbooks, teacher salaries or other purposes.

Youths Flee, Car Wrecked, Pair Hurt

Two San Francisco youths fleeing the scene of a burglary Sunday night were hospitalized after their car crashed on the Tocaloma Road, and the driver was jailed for suspicion of petty theft and contributing to delinquency of minors.

Driver Robert W. Ervin, 18, a clerk at the San Francisco Boys Club, was booked at Marin County Jail after telling authorities he and his passengers had stolen a six-volt battery from a portable pump at the Nicasio Dam site.

Ervin said he became alarmed on spotting a deputy sheriff's car. Thinking he was being followed, he started to speed along the Talcoma Road. He ran off the road at the crest of a hill, swerved hard and smashed into the left embankment, he told the Highway patrol.

He estimated his speed at 50 miles per hour.

James A. San Doval, 17, was treated for a laceration over his left eye and was reported in satisfactory condition today by a Marin General Hospital spokesman. Gerald L. Clark, 17, was treated for a cut over his right eye and released.

Ervin was also cited by the highway patrol for driving without due caution.

Prison Term For Stinson Beach Rapist

John Alva Gordon, 25-year-old San Francisco beatnik, must serve from three years to life in state prison for raping a 20-year-old blonde North Beach artist near Stinson Beach last September.

Judge Thomas F. Keating of Marin Superior Court sentenced Gordon to prison yesterday and ordered him sent to the California Medical Facility at Vacaville.

Gordon, sporting a beard, admitted attacking the girl among the rocks at knifepoint while the girl's 19-year-old cousin stood by with her back turned. However, he pleaded innocent by reason of insanity.

A jury last week found Gordon was sane at the time of the attack. Gordon asked for probation, but Dist. Atty. William O. Weissich, prosecutor, objected on grounds that Gordon has a previous felony assault record in New York.

Larkspur Youth Accepted In Navy

Albert Hallor, son of Col. and Mrs. F. C. Hallor of 45 Ardmore Road, Larkspur, has been accepted as an aviation cadet by the Navy.

Hallor will spend four months at Pensacola, Fla., undergoing pre-flight training. After completion of 14 months of additional training he will receive his commission as an ensign in the Naval Reserve.

Sausalito Budget Up 3 Per Cent From '59

A proposed 1960-61 Sausalito city budget totaling $397,000 was presented to the city council last night, with a prospective increase in operating expenses of $13,000 or approximately three per cent over the present year.

The amount includes $169,000 for personal services, $112,485 for operation and maintenance expenditures and $110,147 for yearly capital improvement program.

It proposes a tax rate of $1.25 —the same as for this year— in the following detail: general, 85 cents; park, 10 cents; library, 10 cents, and retirement, 20 cents. This compares with the present year as follows— general, $1; park, 10 cents; library, 10 cents and retirement, five cents.

City Manager Charles A. Brown, presenting the budget, said revenues anticipated during the coming fiscal year amount to $383,850, or $23,120 above the estimates made for the budget. This increase is due almost entirely to higher sales tax revenues, and to state gasoline tax funds accumulated but not used this year.

There is an increase of $18,000, Brown said, over the current year's budget in the proposed operation and maintenance figure, due mainly to the contract with the state employees retirement system.

A principal consideration in the proposed budget, Brown added, is a long-range program for development of major streets and particularly the major accesses to the city.

Delegation Asks Council To Reconsider Zoning Vote

Residents of Ridge Avenue in San Rafael last night challenged City Councilman Louis H. Baar's "yes" vote, which was the deciding vote in rezoning a lot for a duplex last month.

On May 16, the city council approved duplex zoning for Mrs. Margaret Hedden by a 3-to-2 split vote. The Hedden property is an open lot across the street from 34 Ridge Avenue. Lots on Ridge up to the Hedden property are already zoned for duplex. Those above are zoned for single family dwellings.

A delegation of residents protested the rezoning because they fear duplex zoning would "creep up the hill" into the first class homes. Baar, Fred Jensen and David Menary Jr. voted for rezoning while Mayor John F. McInnis and Charles W. Aby opposed.

Last night, a group from Ridge Avenue presented a petition asking that Baar's vote be disqualified because the councilman is associated with Maynard Redmond, who arranged the sale of the lot to Mrs. Hedden.

Baar said he had checked with City. Atty. Albert E. Bagshaw before he voted and was informed there is nothing illegal in his voting. Baar said he made no money in the deal; in fact, if Mrs. Hedden had not bought this lot through Redmond, Baar himself would have been able to sell her another one.

"However, if there is any question as to legality, I would be glad to refrain from voting," said Baar.

Mayor John F. McInnis referred the matter to the city attorney for a ruling as soon as he returns from vacation.

Later in the evening, when the annexation of a small parcel of land to add to the DeLong Chevrolet car agency came up for a vote, Baar quipped: "Well, I bought a Chevrolet from DeLong; I don't know whether I should vote or not."

Sausalitans Contribute To Chilean Aid

Mrs. M. Justin Herman, chairman of the Sausalito Citizens Committee for the people-to-people program reported to the Sausalito city council last night that $1,050 has been collected to be sent to aid Chile.

She said that, of this amount, $475 was from the person-to-person program She said Sausalito was a little sister to Vina Del Mar, Chile, but added, "we may be little but our hearts are big."

Collections for Chile will be continued, she said with food and clothing no longer being in dire need. She said money is now needed for housing.

"Thank you all, everyone in Sausalito," said Mrs. Herman.

Hal Hayes Sues Bonding Companies, Subcontractors

Millionaire North Hollywood contractor Hal B. Hayes, whose stormy relations with Marin City redevelopment caused the federal government to write a new policy in 1955, has filed five court suits in Los Angeles, seeking half a million dollars in damages from sub-contractors and bonding companies.

Hayes contends that their actions prevented his completion of work at two California Air Bases: Mather Air Force Base, Sacramento, and Beale Air Force Base, Marysville.

He recently suspended operations on 60 million dollars worth of construction nationwide.

His Marin County experience was also dramatic, involving the stormy signing of a contract with the Marin County Board of Supervisors Jan. 24, 1955, just 20 minutes before Hayes was ready to call the whole thing off—and then, after much tumult, a rejection of the deal by the federal government Feb. 10.

Some four years later, a contract for the redevelopment was awarded James E. Scheurer and Associates.

March Of Dimes Plaque Presented To Sterling Hayden

Sterling Hayden was presented with a plaque, in absentia, last night at the Sausalito city council meeting in recognition of his contribution to the recent March of Dimes campaign.

George Sugarman, March of Dimes coordinator in the drive which netted $7,500, made the presentation and read a letter from the actor. The letter said that Hayden was bowing out "not on lack of gratitude" but because "I would not feel right to stand there and have my picture taken and be the recipient of some praise simply because certain elements came together in a fortuitious fashion that yielded a tidy sum for a fine cause."

State Sen. John F. McCarthy, present for the occasion, gave a plaque to Mayor Philip S. Ehrlich Jr. who in turn presented it to Sugarman, commending him on his fine work in the drive.

Sammy Davis Jr., Mai Britt Plan September Marriage

LONDON (AP)—Sammy Davis Jr. says he and blonde movie actress Mai Britt plan to raise a large family and he doesn't care if the children are "polka dot."

The 5-foot-6-inch Negro entertainer and the 5-foot-7 Swedish actress told an ews conference Monday night they plan to marry after her divorce from American actor Eddie Gregson becomes final Sept. 28. Davis conceded some people won't approve of the interracial match.

"I'm liable to prejudice every time I walk out of the front door. But I'm not shaking in my shoes about my career. If it's so flimsy that it could be ruined by marriage, then it's not worth having."

Miss Britt is 24, Davis 34.

Davis was married to Loray White, a Negro singer, in 1958 and divorced a few months later. Last November he announced his engagement to Joan Stuart, a 21-year-old white Canadian dancer. Her parents objected on racial and religious grounds.

Miss Britt's father arrived from Sweden Monday to meet his prospective son-in-law, who is filling a night club engagement. "He told her he liked me very much," Davis said.

The entertainer added that his family in Los Angeles and Miss Britt "get along unbelievably well together."

Davis is a convert to the Jewish faith, but Miss Britt said she would remain a Protestant.

Marin Girl Hurt In Sonoma Mishap

Christine Dauphine, 14, of 202 Ranchitos Road, Los Ranchitos, was treated for bruises at Two Rock Ranch Army Station after a car in which she was riding left Tomales Road and crashed into a ditch near the army post Saturday. Driver was Robert M. Barnes, 17, a San Rafael High School student, according to a California Highway Patrol report from Sonoma County.

There Are Youths Ready, Able To Do Your Jobs

Last Friday sign-up was completed of more than 900 boys and girls who would like summer jobs, part-time or full time. This week, school is out and they are ready and available for those jobs.

The only problem is: Where are the jobs?

In order to bring the two elements—youths and jobs—together, the Marin County Youth Employment Committee has been working for months, planning and carrying out the plans.

The result is the list of boys and girls, catalogued as to abilities and desires. It is a storehouse of talent for everyone who wants some help: For the businessman who needs a stockboy or a deliveryboy; for the housewife who needs a mother's helper; for the harassed householder who needs his lawn cut, or the vacationers wanting to keep the flowers watered while they're away.

Many people have cooperated to compile this list. Not only the youths themselves, but the schools, the Marin Council of Community Services, the P-TA, probation officer, county sheriff and labor unions all have assisted.

Most of all, however, the State Employment Service has given both its assistance and its facilities to the project.

If you want a boy or girl for an hour or a summer, the employment service office is the place to call. They will have a qualified youth available who wants the job. And that includes youths in practically every part of the county.

Why not give them a try?

The Moth With The Fur Coat

The small moth was fluttering feebly in the spider web. About the size of a common miller, this little fellow was garbed in an elegant tan fur coat, not wild and hairy, you understand, but the smooth, soft kind which looks like it would be fun to caress, if there were a lot more of it.

Its wings had a sort of mosaic in two shades of pinkish tan. Doesn't it sound like a lovely creature? It is handsome to look at and it would doubtless be highly acclaimed for its rare beauty, if it were not the little rascal whose eggs become worms in our apples.

The Apple Coddling Moth spoils not only apples, but pears and plums as well. Last year, for the first time, this pest did serious damage to this state's walnut crop. Its depredations used to cause losses in millions to orchardists, but modern insecticides have made it possible to destroy it. But for the small home orchard and single tree owners, it continues to be a great nuisance.

The one which we saw struggling weakly in the spider's web was evidently the last remnant of the season. These moths appear at the time of blossoming and lay their eggs in the calyx of the fruit flower and fly away, soon to die. Anyway, we're glad we saw this last specimen of the moth with the fur coat.

Take our word for it, he's a handsome fellow.

DONATES $4,000 TO TOWN

A day laborer in New Jersey gave $4,000 to the town of Litchfield, Me. He made the surprise gift in appreciation of the care the town had given to his late father for a period of 35 years during which he had suffered from blindness.

In making the unusual contribution, the donor explained: "It was the Christian thing to do . . . I wanted to show my gratitude for the care given my father, while I was alive, rather than leave the money in my will."

The town accepted the $4,000 and put it in a trust fund. The income will be devoted to helping others in need.

Government will be good, bad or indifferent in the same proportion as the individual citizen shows a practical sense of cooperation in helping it to meet its many obligations and problems.

Regardless of your circumstances, be positive and constructive in showing your appreciation for the precious blessings of liberty.

What's Average Teen-Agers' Allowance? $10.21 Per Week

NEW YORK (AP) — Things a columnist might never know if he didn't open his mail:

It is getting harder to look down on American women. In 1900 only 1 in 25 U.S. girls was 5 feet 7. Now nearly one in five reach that height — or higher.

We're growing more males too. The average soldier in the Revolutionary War was only 5 feet 4, compared with 5 feet 8½ for the present day GI. And 20 per cent of our young men now stand 6 feet.

How much do you give your kids to spend? A survey show- that the average allowance for teen-agers is $10.21 a week. And only a third of them earn extra money.

Our quotable notables: "When a stupid man is doing something he is ashamed of," said Bernard Shaw, "he always declares it is his duty."

It's getting so only showoffs carry money. Americans will write approximately 12 billion checks this year, nearly double the number of a decade ago.

Soviet Russia doesn't advertise its flaws but the current work week there is 46 hours — it's 40 in this country And Russian consumers pay sales taxes ranging from 25 to more than 80 per cent depending on the product.

HOUSEWORK is supposed to be getting easier and the strains and stresses of the business world more unendurable. So why is it that twice as many women as men suffer high blood pressure?

A new thing! It is reported here that a Swiss manufacturer has thought up a mechanical way to cut down on smoking — if you really want to. It is a gadget that, timed to your watch, will flush a cigarette from a container only on schedule.

Someone has sent a statistic saying the FBI has figured 15 doctors out of 1,000 will be robbed this year. It looks as if some people would rather take a physician's money than his medicine.

AT THIS TIME of year many people have a spring or summer cold. They observe it is hard to get rid of and science doesn't know why. The temperature of the victims rises above the ordinary human level of 98.6 degrees. Birds have the highest known body temperatures, ordinarily ranging from 104 to 110 degrees.

Parking Mess At Shopping Center

EDITOR,
Independent-Journal:

Why don't the knuckleheads responsible for maintenance of the parking area at the Corte Madera Shopping Center, do something to correct the mess? I am half afraid to drive in there at all for fear of getting smashed.

One could put an end to the chaos, and reduce the accident potential by 80 per cent, by merely putting in divider strips. This would prevent autos from dashing all over the place and would help line up the parking. Also, it wouldn't hurt to hire a traffic expert to lay out a few logical through-ways.

I mean an expert. Whoever dreamed up the present pattern must have been on peyote. Especially that island of shrubbery that formerly blocked the southwest entrance and sent many a car to the shop for repairs . . . that was way out, man!

Complacent On Traffic Problem

EDITOR,
Independent-Journal:

Recently, I read where Leland Murphy, Marin representative on the Golden Gate Bridge District, objected to the idea of a Bay Transit Authority including Marin or using the bridge for rapid transit. One of his major objections was that "the Authority would have taxing power."

I am certain the readers would like to know how exactly the Golden Gate Bridge District is organized. Who appoints the directors of this bridge, and to whom are they responsible? How much are they paid? Does the Golden Gate Bridge District have taxing powers? What recourse do taxpayers have in controlling the election of these directors, if the District does have taxing powers?

Could the answers to these questions be the reason why there seems to be opposition on the Golden Gate Bridge District directorate to inclusion of any rapid transit using the bridge? It is obvious that if the Marin traffic problem is to be solved, some other form of transportation besides the automobile will have to be found. Only by this means can the bridge be more intelligently used for the benefit of the public, taxpayers, and travelers.

It seems that the management, which includes the directors of the bridge, are much too complacent about the entire traffic problem and are not doing enough intelligent planning for the future. Instead of resisting rapid transit, the bridge should be welcoming it as a partial solution to the ever increasing load which the bridge is being called upon to handle and is rapidly showing its inability to cope with this situation.

It is time that the directors get an expression of the travel needs of the community not by sitting by themselves and listening to themselves, but by providing an open forum for a discussion of travel problems, at which time they would be available to answer questions in the same way as any large corporation does for its stockholders.

I am, therefore, proposing that an annual meeting, open to the public, be held by the Golden Gate Bridge directors, at which time all the above matters may be thrashed out. In this way, the directors may be made more sensitive to the needs of the public and explain their actions or lack of actions.

S. MALVERN DORINSON, M.D.

(NOTE: In answer to some of the questions—directors are appointed by supervisors of the counties which they represent. They receive no pay except a $25 fee for each board meeting, not to exceed four per month, plus mileage from their homes to the bridge office and return and free use of the bridge. The bridge district does have taxing powers. Only recourse of taxpayers in controlling directors is through their elected representative, the supervisors. One thing more: The directors meet the second and last Friday in each month, 10:30 a.m., toll plaza building. Their meetings are open to the public and, presumably, a taxpayer of the district would be able to speak at such a meeting.)

Thoughts on reading Ann Seiler's letter to the editor (June 1) condemning filthy pictures at the Lark Theater:

We heard about the filthy pictures at the Lark.
We went to see the bite that went with all that bark.
I guess if you are ignorant of life's sweet facts,
You'll see great filth in many people's lives and acts.
But I'm afraid we did not find a thing amiss.
This must be why they say that ignorance is bliss.
Now we'll admit we find it hard to recommend,
A picture that is far beyond a person's ken.
Nor would we take our children to our bed at night.
This make us think that probably some likely might
Consider us quite filthy people deep within,
For all our children came by way of sin.
Or does that mean that we are communists at heart?
Because we've loved? Why, lives have had a chance to start.
There's something wrong right here in this our native land.

What Do You Do When It's Too Hot To Work, Dream Of Winter?

My idea of perfect weather is a blizzard leaving three feet of snow, followed by a month-long cold snap which keeps the snow on the ground.

Even shoveling is pleasant, if you do it at night, with just the white snow, yellow street lights and black night.

A people-populated city park becomes a white and black wilderness. You can walk on the rivers, lakes and ponds, still a startling phenomenon.

You can build snowmen with the others who have three-year-old minds. Sidewalks turn to ice which you can slide on. If you have strong ankles, you can glide on skates over glassy rinks.

It brings out the best and worst in people. The swearing motorist who can't even get away from in front of his home usually brings out plenty of helping hands, shovels, buckets of ashes and sand stolen from the street department.

You can crank up the throwing arm and whistle snowballs past the heads of the other juvenile delinquents who are throwing at you.

It is a time of bitterness and fear, full of physical discomfort for the old, infirm and old at heart.

MY IDEA of perfect weather is sitting on top of the Matterhorn, sledding, or just slogging through the white stuff.

Summers are to be borne with Stoicism. If you have self control.

It's been rather warm in Novato lately.

You can sit just so long at the local air-conditioned martini emporiums before the talk gets back to the boss man.

You start a small, independent, unofficial and very sketchy survey, trying to find some air conditioned place with a telephone booth hidden away where you can set up a second I-J office. Maybe even put a small sign on the booth door.

It may not be the only one in town — but the best known conditioned place is thet Central Valley National Bank. This is a pretty high class establishment, a last resort.

But you saunter in, casing the joint. They cash the paycheck, first asking for identification which takes a few more cool seconds. We asked for the money in pennies; it would take longer to count. 1, 2, 3, 4. . . .

WE CHECKED all the pens. Pretty good average of working ones. Read all the bank slips on the desks: "—savings, non - negotiable, deposited with."

Read the return address on some air force envelopes lying on a desk. Looked around at the "Federal Deposit Insurance Corp." signs. "Protect your valuables with a safety deposit box. Rent a box today." Don't have any valuables.

Checked the planter box inside the door to see if it had been watered lately. Muddy hand.

Walked slowly past the kid on the floor busily working on a coloring book. He was sitting next to the Red Cross lady taking donations for Chilean relief.

Neither looked up, and I didn't have any crayons with me, so there was no excuse to stop and talk.

Had to leave.

Didn't see a phone booth, either.

We've Shown We Can Investigate Ourselves Without National Fiasco

WASHINGTON — The Senate inquiry into the U-2 affair has now done its main work.

The inquiry has shown it is possible in this democracy to conduct an inquiry into the causes of a national fiasco without giving aid and comfort to the adversary.

We must begin with the fact that the inquiry dealt with a question which has never before been investigated in this country, or in any other country. The question was the competence of the President and his principal advisors in dealing with an entirely illegal and inherently clandestine operation which is, nevertheless, necessary to the security of the country.

The inquiry has established the responsibility of the President and his advisors for the timing of the flight. They did not order the flight on May 1. But they had failed to cancel their orders, given previously, which authorized the flight that did take place on May 1.

The inquiry has established too, that the critical period was the weekend from Friday afternoon, May 6, to May 9.

DURING THIS WEEKEND the administration issued two statements. One was on Saturday admitting that the U-2 was a spy plane but saying "insofar as the authorities in Washington are concerned, there was no authorization of any such flight as described by Mr. Khrushchev."

The second statement was on Monday saying that such flights were done under President order, and implying — as all the world understood it — that they would be continued.

This was the lost week-end. These were the days when the United States government not only avowed responsibility for spying, which was indubitably a violation of international law, but proclaimed that spying was a national policy which, it was universally understood, would be adhered to.

SECRETARY HERTER returned to Washington on Friday evening after 10 days of conferences in Iran, Turkey, and Greece. The U-2 affair was already in a very considerable mess when he returned, owing to the false cover statements issued by press agents who did not know what was going on.

As the Secretary of State was returning to Washington, the President was leaving for a weekend in Gettysburg. The two men did not meet face to face until the President's return to Washington Sunday.

The momentous decision to avow that the overflights were a national policy was taken after talks on the telephone to Gettsburg.

THE PRACTICAL lessons of it are clear enough. On the bad timing of the flight, the President and the Secretary of State allowed the C. I. A. too much leeway and thus forced upon it a responsibility which it was not competent to exercise.

If we were going to go to the summit, there should have been no more flights, once the date of the conference was fixed.

To be sure, there were a lot of things we would like to have known during the suspension of the flights.

But now we have no summit meeting and also we have no flight.

There Are Youths Ready, Able To Do Your Jobs

Last Friday sign-up was completed of more than 900 boys and girls who would like summer jobs, part-time or full time. This week, school is out and they are ready and available for those jobs.

The only problem is: Where are the jobs?

In order to bring the two elements—youths and jobs—together, the Marin County Youth Employment Committee has been working for months, planning and carrying out the plans.

The result is the list of boys and girls, catalogued as to abilities and desires. It is a storehouse of talent for everyone who wants some help: For the businessman who needs a stockboy or a deliveryboy; for the housewife who needs a mother's helper; for the harassed householder who needs his lawn cut, or the vacationers wanting to keep the flowers watered while they're away.

Many people have cooperated to compile this list. Not only the youths themselves, but the schools, the Marin Council of Community Services, the P-TA, probation officer, county sheriff and labor unions all have assisted.

Most of all, however, the State Employment Service has given both its assistance and its facilities to the project.

If you want a boy or girl for an hour or a summer, the employment service office is the place to call. They will have a qualified youth available who wants the job. And that includes youths in practically every part of the county.

Why not give them a try?

The Moth With The Fur Coat

The small moth was fluttering feebly in the spider web. About the size of a common miller, this little fellow was garbed in an elegant tan fur coat, not wild and hairy, you understand, but the smooth, soft kind which looks like it would be fun to caress, if there were a lot more of it.

Its wings had a sort of mosaic in two shades of pinkish tan. Doesn't it sound like a lovely creature? It is handsome to look at and it would doubtless be highly acclaimed for its rare beauty, if it were not the little rascal whose eggs become worms in our apples.

The Apple Coddling Moth spoils not only apples, but pears and plums as well. Last year, for the first time, this pest did serious damage to this state's walnut crop. Its depredations used to cause losses in millions to orchardists, but modern insecticides have made it possible to destroy it. But for the small home orchard and single tree owners, it continues to be a great nuisance.

The one which we saw struggling weakly in the spider's web was evidently the last remnant of the season. These moths appear at the time of blossoming and lay their eggs in the calyx of the fruit flower and fly away, soon to die. Anyway, we're glad we saw this last specimen of the moth with the fur coat.

Take our word for it, he's a handsome fellow.

County School Board Rehires 47 Workers

Marin's County Board of Education last night approved contracts for 26 teachers and supervisors and 21 non-certificated personnel for the County Superintendent of Schools Department.

The board authorized seven other teaching and consultant jobs which have not yet been filled.

Supt. Virgil S. Hollis said some of the vacant positions may not be filled if it develops they are not needed.

None of the employees was newly hired, the superintendent said. All had served the district in the past year.

Last night's board meeting started with an executive session, called at the request of a staff member who is not returning next year. The board members met in the closed session for more than an hour.

Mrs. Alce Ann Rust, board president, reported after the meeting that a complaint had been lodged against personnel in the superintendent's office and against evaluation procedures of the superintendent's office.

Mrs. Rust said some agreements were reached" in the meeting but "no action was taken by the board of education."

State law allows a legislative body to hold an executive session during a regular or special meeting "to hear complaints or charges" against a public officer or employee. It prohibits action by the legislative body in secret.

At the open meeting later in the evening, Hollis said he will bring in next fall the details of an evaluation procedure for his office to be added to its administrative policies and procedures code.

This code was adopted by the board last night after more than three months of study. The code was designed to "set forth and clarify certain policies, rules and regulations necessary to the efficient and harmonious operation of the office of the county superintendent of schools." The 29-page code deals with such matters as records, leaves of absence, travel, outside employment, political activity, physical examinations and many other things.

Mrs. Rust also appointed the entire board as a committee of the whole, with Mrs. Adele S. Alpers as chairman, to study and revise the rules and regulations which govern the activities of the board itself.

The board also:

1. Approved for use for another year the course of study adopted tentatively a year ago. Hollis asked that the course, adopted after a bitter battle over both its details and its printing, not be amended as yet, pending proposals by the various school districts. He said the districts are still studying it.
2. Authorized presentation of eighth grade diplomas by 19 elementary school districts under their jurisdiction.
3. Approved a series of contracts to be offered to school districts next year for special services of the county superintendent's office.
4. Accepted the resignation of Krieg Vezie, a teacher in the special education program assigned to the Larkspur School District, who has accepted a position at Tamalpais High School for next year.

City Ducks Request For Conow Street

A request that a Corte Madera street be named for one of the town's longtime citizens was passed to the planning commission by the city council last night on the grounds that the council "did not want to become involved in deciding who was worthy of such an honor."

In answer to a letter from the Meadowsweet Improvement Assn., requesting that a short street west of the old Circle Drive-in be named for Charlotte M. Conow of 811 Meadowsweet Drive, councilmen said they had no objection to streets being named after citizens, but did not want the job.

Mrs. Conow is, among other things, an honorary life member of the Parent-Teacher Assn., and is active in youth activities.

"Some of our members are among the oldest in the town," the letter said. "We feel we should have some say in such matters."

"Since it is a short street and not a main thoroughfare of the town—and since it runs into Mrs. Conow's driveway, I feel we should accede to the request,' said Councilman Albert E. Kogler.

"I think we should seek other ways to honor our citizen," said councilman Roger F. Morse in opposing the action.

PUC No Help To Corte Madera In Sign Dispute

The Corte Madera Town Council was told last night that the California Public Utilities Commission has no general rules covering erection of signs leased to private parties unless the signs interfere with visibility of train traffic.

The announcement by the commission shut the door on any hope for help from that quarter in preventing a proposed sign measuring 430 square feet on railroad property within the Larkspur city limits for James Stockman, proprietor of the Edgewater Inn.

The council voted unanimously, however, to write a letter of appreciation to the city of Larkspur for its assistance in Corte Madera's long fight against Edgewater Inn billboards.

The Larkspur council last week told Stockman the sign was unwanted and asked that he refrain from erecting it. If he did erect it, the city warned, the Larkspur zoning ordinance would be amended so the sign could be legally junked.

Novato City Coun To Meet Wednesd

The Novato City Council will meet at 8 p.m. Wednesday at the city hall.

The regularly scheduled Tuesday meeting is being postponed because of election day.

Among items on the agenda are a proposal for a franchise for Pacific Gas & Electric Co., passage of the city administrator ordinance and consideration of city civil defense needs.

NEW YORK (AP)—Paul Wilkinson, 24, a refrigerator repairman who knows his beer drinkers, used his knowledge to save his life.

He walked into the basement beer cooler of a lower East Side tavern.

"I turned around," he said, "and saw the refrigerator was closed. There was no handle. I pounded on the door and yelled." The quaffers heard nothing.

"I reached up and closed all the valves shutting off the beer supply to the bar upstairs," he said.

The bar manager went to the basement to check the beer supply and there found Wilkinson unconscious and cold as a stone.

After a trip to a hospital, and a quick beer with the cheering customers, Wilkinson went back to the cooler to finish the job.

He propped the door open.

Deserting Husband Prefers Prison Term To Probation

A former Corte Madera auto salesman, who drew a year in county jail and five years probation for failing to support his family, wants to go to state prison instead.

Robert Decker, 43, was sentenced yesterday by Judge N. Charles Brusatori of Marin Superior Court for felony nonsupport. The judge put him on five years probation on condition he serve a year in county jail.

After thinking that over for a few minutes, Decker decided he would rather take his chances on a straight prison term. He appeared again before the judge and rejected probation. Maximum term in state prison would be five years.

The judge continued the case until 4 p.m. Thursday when he will rule on whether Decker can reject probation and go to prison instead.

Decker left his third wife and five children in Corte Madera last July and started life anew with a fourth wife in Iowa. Investigator William Bemiss of the district attorney's office, who tracked Decker to Cedar Rapids, Iowa, said the man's family in Corte Madera has received about $12,000 in welfare aid since 1953.

Crash Follows Skid On Fog-Slick Waldo Grade

Speed too fast for drizzly fog conditions on the Waldo Grade near Sausalito yesterday caused a car to spin and crash into another vehicle in the opposite lane, according to the California Highway Patrol.

Sidney Earl Hoydal, 32, of 2155 Las Gallinas Avenue, Terra Linda, was southbound on Highway 101 near the Sausalito lateral overcross at 9 a.m. with the pavement wet in dense fog.

He said he was traveling about 50 to 55 miles an hour when the car drifted, went out of control and spun over spun over the divider strip.

It crashed into a car driven by Richard Louis Mills, 39, of San Francisco.

Hoydal received emergency treatment at Marin General Hospital for cuts and bruises. Mills also suffered minor injuries but said he would consult his own doctor.

Giants Send Antonelli Against Reds Tonight

SAN FRANCISCO (UPI) — Hard-hitting Cincinnati, 3-1 over the San Francisco Giants this season, moves into windy Candlestick Park tonight for the opener of a three-game series.

The Giants enter the series a game back of first-place Pittsburgh — but it is sometimes hard to see how they have remained in the pennant chase of late.

The big three of Orlando Cepeda and Willie Mays and McCovey have not been hitting consistently. Moreover, manager Bill Rigney has been unable to come up with that key to any pennant winner—good relief hurling.

The latter weakness has partially both been caused and alleviated by the fact that Giant starters have gone the full nine-inning route 23 times in 47 games. Thus the bullpen brigade has perhaps lost some of its sharpness through inactivity.

Manager Rigney will start a well-rested Johnny Antonelli (3-2) against the Reds' Jay Hook (4-4). It will be Antonelli's first start in a week.

Team officials also announced today that third-sacker Jimmy Davenport will return to the lineup within the next few days. He has been sidelined by an ulcer since May 19.

His replacement, Joey Amalfitano, has turned out to be one of the Giants' pleasant surprises this season and his timely hitting has helped pick up the slack caused by the slump in the middle of the batting order.

The team was idle yesterday.

Continental's Leader Asks Vote On Bill

NEW YORK (AP)—Bill Shea, founding father of the Continental League, today appealed to Sen. Kenneth Keating (R-N.Y.) to permit the controversial Kefauver bill to go to the Senate floor for a vote.

The bill, which would curtail player operations by the major leagues by permitting the draft of any player in the minors with four years' experience in organized ball, must go through if the Continental League is to make it, Shea admitted.

Last Friday, Keating kept the bill from reaching a vote by exercising his personal privilege. He asked for a one-week delay.

NO DELAY

"I hope Sen. Keating lives up to his word that he is interested in expansion," Shea said. "If he forces further delay while saying he is for expansion, it would be a bad situation.

"I am taking his word that he wanted only a one-week delay. A week delay is all we can stand. Even that was harmful. Another delay would be murder But I am certain that once it reaches the floor, it will be passed."

Shea's statements followed Continental League president Branch Rickey's endorsement of the bill.

Rickey also blasted American Assn. president Ed Doherty as the "undertaker of the American Assn."

INDEMNITY

Rickey said the American Assn. is demanding one million dollars indemnity for each of the five cities it stands to lose to the new league.

He accused Doherty of trying to sabotage the Continental by making unreasonable demands.

"Even if the American Assn. could defeat the purpose of the Continental League fumed Rickey, "the American Assn. will die certainly, within two years. I have been studying attendance figures and I know for a certainty Doherty is the undertaker of the American Assn.

Tommy Bolt Beats Hogan In Playoff

MEMPHIS, Tenn. (UPI)—Tommy Bolt, preparing for next week's National Open Golf Tournament by winning the Memphis Open in a playoff, paid tribute today to Ben Hogan, whom he edged by a single stroke.

"That Hogan is tough coming down the stretch," said Bolt, who pocketed $4,300 to $2,500 each for Hogan and Gene Littler, "and I don't like to play him at all."

The 41-year-old Bolt, whose last tournament victory was in the 1958 Open, won the playoff though playing with the knowledge that his wife, Mary Lou, was hospitalized after surgery here Sunday.

He used accurate long iron play to post a two-under-par 68 and fend off Hogan's closing rush.

Hogan missed a five-foot putt for a birdie on the 18th and finished with a 69. Littler, steady from tee to green but putting erratically, wound up with a 71.

BASEBALL ROUNDUP

Orioles' Youngsters Beat Washington, 6-1

U.P. INTERNATIONAL

Pennants can't be bought for money but it took a super salesman like Paul Richards to sell his Baltimore Orioles the idea they could win one with pitching and hustle.

Richards delivered his sales talk on the opening day of spring training.

"The White Sox won last year mainly on pitching and hustle," he told his young, impressionable Orioles. "If they did it, there isn't any reason in the world why you can't do it the same way."

And that's exactly the manner in which the first-place Orioles have won 28 of their last 40 games. They lead the American League now by 2½ games and even Al Lopez of the White Sox is beginning to show some respect.

"It's still a little bit early, but I'm definitely impressed," Lopez said following Baltimore's 6-1 victory over Washington last night.

The White Sox manager, however, was no less impressed by his own team's 3-2 triumph over the Yankees in the only other A.L. game scheduled. Only one game was played in the National League where the St. Louis Cardinals defeated the Philadelphia Phillies, 5-2.

Rookie Chuck Estrada, 22-year-old member of Baltimore's "kiddie korps," struck out seven and yielded only six hits in beating Washington. Estrada, who is putting in only his fourth season in pro ball, did not allow a single extra-base blow in running his record to 6-1.

Like last year's White Sox, the Orioles showed the old hustle on the base paths with three thefts, including two by Marv Breeding, who collected three of the Orioles' nine hits.

Baltimore clinched the game early by raking Jim Kaat for five runs on six hits in 3⅔ innings. Jim Gentile, a Dodger castoff, supplied the muscle by driving in three runs with a two-run double in the third inning and his seventh homer of the season in the seventh.

Two errors by third baseman Gil McDougald in the ninth inning enabled the White Sox to win their fourth straight and remain three games off the pace, a half game behind the second-place Indians.

Luis Aparicio's single with the bases full in the ninth drove in the winning run after the White Sox loaded the bases on Sherm Lollar's single and the two errors by McDougald on balls hit by Gene Freese and Al Smith.

Southpaw Whitey Ford was the victim of the errors which resulted in his fourth defeat against two victories. Jerry Staley, second of three White Sox pitchers, was credited with his sixth victory although he yielded Roger Maris' 15th homer which tied the score at 2-2 during the one inning he pitched. Minnie Minoso had put Chicago ahead, 2-1, with a two-run single in the top of the eighth before Maris' homer.

Dodgers To Face Old Tormentor

LOS ANGELES (AP)—The Los Angeles Dodgers, defending but apparently defenseless world champions run into one of their most persistent persecutors when they open a three-game series with Milwaukee tonight.

He's Bob Buhl (4-2) who has a lifetime record of 21-9 against the Dodgers. Johnny Podres (4-4) will pitch for Los Angeles.

Despite their meager success against him, the Dodgers did manage to beat Buhl 6-4 last time out, when Frank Howard hit a grand-slam homer at Milwaukee May 17. Buhl has one victory over the Dodgers at the Coliseum this season.

If Podres finishes tonight, he'll be the first Dodger pitcher to go the distance in 10 games.

The Dodgers will have a new pinchhitter on their bench. Outfielder Irv Noren, recently released by the Chicago Cubs, was signed yesterday and rookie pitcher Ed Rakow was sent to Spokane on option.

Noren, remembered by Pacific Coast League fans as the PCL's most valuable player when he was with Hollywood in 1949, has been wtih five other major league clubs. He came up with Washington in 1950 and later played for the New York Yankees, Kansas City Athletics, St. Louis Cardinals and the Cubs. He had his best season in 1954, when he hit .319 for New York.

WEEKEND FIGHTS

NEW YORK — Benny Gordon, 133½, New York, knocked out Tommy Pacheco, 135½, Puerto Rico, 10.

JOHANNESBURG, South Africa —Carl (Bobo) Olson, 176¼, San Francisco, outpointed Mike Holt, 175, South Africa, 10.

TICKETS READY FOR OLYMPIC TRACK TRIALS

STANFORD (UPI)—Tickets for the U.S. Olympic track and field trials at Stanford Stadium July 1-2, were on sale today throughout the Bay Area.

Reserved seats, which sell for $3.50 for each day, were available on both sides of the field. Non-reserved seats, located in the end zones, were priced at $1.50 for one day and $2.50 for two days.

Friday's program starts at 5:30 p.m., while Saturday the first field event is slated for 1 p.m., the first track event for 2 p.m.

Fighter Near Death After Ring Beating

NEW YORK (UPI) — Tommy Pacheco, a 19-year-old Puerto Rican lightweight who found his 13th pro fight the unluckiest, underwent brain surgery early today in an effort to save his life from the effects of a beating he took in the ring last night.

Pacheco did not regain consciousness following his 10th-round knockout at the hands of Bennie Gordon of New York in the main event at St. Nicholas Arena.

He was carried from the ring on a stretcher and physicians administered oxygen in the dressing room but could not revive him. He then was taken to Roosevelt Hospital in an ambulance.

Dr. Howard Dunbar performed a brain operation on the young boxer around 1 a.m. (EDT). His condition was reported as "critical."

Last night's bout was only the first 10-rounder for both Pacheco and Gordon. Pacheco has been boxing professionally since May of 1958. Gordon, 21, began pro boxing only last year.

Pacheco was making his 13th pro appearance in the prize ring.

Tiburon, Strawberry Little League Feed

Tiburon and Strawberry Little League parents Sunday dished up more than 2,000 breakfasts from 10 a.m. to 2 p.m. in the Bel Aire Shopping Center parking area. Pancakes, scrambled eggs, sausage, juice, milk and coffee were served. Ages ranged from babes in arms to grandparents.

The food was donated by Brice Brothers Market. Proceeds will purchase uniforms and equipment for the two Little Leagues.

The FISHIN' FOOL

Angler Lands Huge Sturgeon With 12½-Pound Test Fishing Line

STEVENS

Howdy, folks! Wanta hear a true fish story? Then read this:

It was eight o'clock last Saturday morning. There was a bit too much wind blowing for successful black bass plugging at Sturgeon Bend on the San Joaquin River (between the mouth of the Stanislaus and San Joaquin City Beach.)

Fred Metzger and Louis Salado were about ready to call it a day and head for home. Metzger cast his Paul Bunyon lure at the end of his 12½ pound test braided nylon line. He started to reel in. Figured he had hooked the plug on a snag. Began to mutter a few angler's curses under his breath.

The "snag" came to life; the reel began to spin, the line to stream off the reel. Fred knew he had a fish. He had! From then until 1 p.m. he had it.

FOR FIVE SOLID hours he played give-and-take with the line. At the end of the first hour, a huge body broke the surface; an ugly snout and an armored back was seen.

"My gosh!" yelled our hero, "It's the grandaddy of all sturgeon!" With the same care he used in handling a black bass, Fred retrieved line or allowed his prize to take it when the tension grew too dangerous.

ALWAYS HE KEPT the line between the mouth of the fish and the tip of his six foot, lightweight casting rod taut. Time passed. Fred's fingers cramped, his arm muscles ached, but he never relaxed his vigilance for a moment.

Noon came and passed. Fred had no time for lunch—neither did the sturgeon. At the end of those five grueling hours, the fish was maneuvered to shore. Both Fred and his buddy lambasted that poor fish with clubs until he lay still, half on shore and half in the water. Both men are husky speciments—they had to be to haul that monster out of the water, onto the beach and then load it into the truck.

THE DOGGONE thing measured eight feet six inches in length and was as large around as a barrel. No scales in the neighborhood could weigh it, so it was hauled to a merchant's store where it proved to weigh 322 pounds, dry.

That is only two pounds lighter than the largest fish ever caught in the Delta Region, and we'll wager the old bank-roll it is the largest EVER to be caught anywhere, anytime, on 12½ pound test line.

SALMON FISHING over the past weekend was somewhat in the doldrums. Such fish as were caught, however, were of good size. High winds on Sunday chased many of the skiffs back to port, according to Grace Quan of China Camp and Joe Nervani of Joe's Boat Launching at Venetia Slough.

Saturday was not a great deal better as far as the number of fish taken is concerned. From China Camp we learned that the skiffs (28 of them) averaged less than two bass per boat. A few bass were taken trolling near the Sisters.

WE SHOULD HEAR of greatly increased activity from the Brothers to Hamilton Field on the Marin side of the San Pablo Bay very soon, now. Here's hoping we can pass that word along before the week ends.

Awards Given To Athletes

CHEVROLET
OUT WHERE THE COUNTRY CAN TEAR A TRUCK TO PIECES—
Chevy middleweights get 1/3 more work done in a day!

Where they used to deliver 2,300 gallons of liquefied petroleum gas in other trucks, Petrolane Gas Service of Long Beach, California, can now deliver 3,500 gallons a day! That's 7 days a week usually, over back trails and up into high rock country with maximum GVW loads. And with Chevy's Torsion-Spring Ride paving every foot of the way! "You don't get any more jolting on washboard roads than you do in a passenger car, or any sidesway on curves," says driver Bernie Stone. "I used to take some rough roads at from 5 to 8 miles an hour. Now I can go 30 over them." Petrolane has over 200 Chevrolets hauling for them.

If you think we're excited about Chevy's independent front suspension, you ought to talk to the truck owners who are *profiting* by it. They'll tell you Chevy's torsion-spring design is the hottest thing to hit the industry since trucks began. Drive one—that's the proof, short and sweet.

Giants Send Antonelli Against Reds Tonight

SAN FRANCISCO (UPI) — Hard-hitting Cincinnati, 3-1 over the San Francisco Giants this season, moves into windy Candlestick Park tonight for the opener of a three-game series.

The Giants enter the series a game back of first-place Pittsburgh — but it is sometimes hard to see how they have remained in the pennant chase of late.

The big three of Orlando Cepeda and Willie Mays and McCovey have not been hitting consistently. Moreover, manager Bill Rigney has been unable to come up with that key to any pennant winner—good relief hurling.

The latter weakness has partially both been caused and alleviated by the fact that Giant starters have gone the full nine-inning route 23 times in 47 games. Thus the bullpen brigade has perhaps lost some of its sharpness through inactivity.

Manager Rigney will start a well-rested Johnny Antonelli (3-2) against the Reds' Jay Hook (4-4). It will be Antonelli's first start in a week.

Team officials also announced today that third-sacker Jimmy Davenport will return to the lineup within the next few days. He has been sidelined by an ulcer since May 19.

His replacement, Joey Amalfitano, has turned out to be one of the Giants' pleasant surprises this season and his timely hitting has helped pick up the slack caused by the slump in the middle of the batting order.

The team was idle yesterday.

Continental's Leader Asks Vote On Bill

NEW YORK (AP)—Bill Shea, founding father of the Continental League, today appealed to Sen. Kenneth Keating (R-N.Y.) to permit the controversial Kefauver bill to go to the Senate floor for a vote.

The bill, which would curtail player operations by the major leagues by permitting the draft of any player in the minors with four years' experience in organized ball, must go through if the Continental League is to make it, Shea admitted.

Last Friday, Keating kept the bill from reaching a vote by exercising his personal privilege. He asked for a one-week delay.

NO DELAY

"I hope Sen. Keating lives up to his word that he is interested in expansion," Shea said. "If he forces further delay while saying he is for expansion, it would be a bad situation.

"I am taking his word that he wanted only a one-week delay. A week delay is all we can stand. Even that was harmful. Another delay would be murder. But I am certain that once it reaches the floor, it will be passed."

Shea's statements followed Continental League president Branch Rickey's endorsement of the bill.

Rickey also blasted American Assn. president Ed Doherty as the "undertaker of the American Assn."

INDEMNITY

Rickey said the American Assn. is demanding one million dollars indemnity for each of the five cities it stands to lose to the new league.

He accused Doherty of trying to sabotage the Continental by making unreasonable demands.

"Even if the American Assn. could defeat the purpose of the Continental League," fumed Rickey, "the American Assn. will die certainly, within two years. I have been studying attendance figures and I know for a certainty Doherty is the undertaker of the American Assn.

CHEVROLET

OUT WHERE THE COUNTRY CAN TEAR A TRUCK TO PIECES—

Chevy middleweights get ⅓ more work done in a day!

Where they used to deliver 2,300 gallons of liquefied petroleum gas in other trucks, Petrolane Gas Service of Long Beach, California, can now deliver 3,500 gallons a day! That's 7 days a week usually, over back trails and up into high rock country with maximum GVW loads. And with Chevy's Torsion-Spring Ride paving every foot of the way! "You don't get any more jolting on washboard roads than you do in a passenger car, or any sideway on curves," says driver Bernie Stone. "I used to take some rough roads at from 5 to 8 miles an hour. Now I can go 30 over them." Petrolane has over 200 Chevrolets hauling for them.

If you think we're excited about Chevy's independent front suspension, you ought to talk to the truck owners who are *profiting* by it. They'll tell you Chevy's torsion-spring design is the hottest thing to hit the industry since trucks began. Drive one—that's the proof, short and sweet.

Uncle Mike Takes Very Dim View Of Goings-On At Candlestick Park

CONNOLLY

(A letter to Horace Stoneham, passing along comments of Uncle Mike.)

'Dear Horace:

"My Uncle Mike always worries about other folks. Today he is worrying whether your baseball manager is a shirt tail relative. Of if he is a warm pal of your nephew "Chub" Feeney, who, I understand, gets more money from you for doing less, than all the people got for signing the Declaration of Independence.

"There is some justification for Uncle Mike being in a dither because he likes you and fears the worst is approaching for your 1960 ball club.

"He says, does Uncle Mike, that your club is sliding backwards at a faster clip than Sonja Henie used to skate forward. He means, of course, in its style of play, not yet in a percentage way.

"AND HE SEES NO reason for it.

" 'What the devil is the matter with Stoneham?' Uncle Mike asks me. "Does he pay a manager for having butterflies in his stomach or cultivating ulcers or does he pay him for running a ball club?

" 'The Giants,' raves on Uncle Mike, 'are panicky. They can't be as bad as they act. It is just a club that doesn't know which way to turn, and nobody to tell them which way to turn.

"WHY GUYS LIKE Mike Donlin, Kid Everfield, Kid Gleason, Johnny Evers, Ty Cobb, or Rabbit Maranville would laugh themselves sick at the mis-direction your club gets daily. The only time they look good is when the manager stays in the dugout and doesn't try to out-think their opponents.

"When the White Sox of old, considered the Hitless Wonders, were in their prime, they had to take whatever they got for pay. But you pay the Giants a nice juicy salary and get nothing but mistakes for change.'

"Now what my Uncle Mike wants me to ask you Horace, is: Are you contented?

"I SUSPECT YOU ARE sizzling after that exhibition last Sunday but Uncle Mike is a man of very strong convictions. He says a baseball owner can go too far with his public and pretty soon could find himself with a 15-million-dollar ball park lease and a terrible, terrible, headache on his hands.

"Uncle Mike says he isn't after anybody's job. But he wants to know if you are doting, slipping or getting so soft you can't feel a pin when they stick it in your cushion.

"WHAT MAKES UNCLE Mike real sore is that he sits in the sun and the wind at Candlestick Park with the change of a five dollar bill in his jeans and hears, over his transistor set, Pittsburgh has just lost a doubleheader to the Phils. He realizes that the Giants and Cards are even at 4 to 4 with a couple of innings left to play.

"And who do you think your brainy manager trots out to save the game and put your club in first place but a skinny Stu Miller, who has only pitched 22 innings all year and who doesn't weigh 145 pounds soaking wet.

"THAT GESTURE ON your manager's part really busted the confetti bag in the face of the electric fan.

"Uncle Mike wonders whether you are working on the theory that the easiest way is the best way. And he truly is confused.

" 'Gez,' he says, I once walked into a bar and read a sign that said NO LIQUOR SERVED TO INDIANS.'

"And then, Uncle Mike relates, 'I squints down at the other end of the rail and see six dames and three guys falling off their stools. They could handle it the Indians couldn't.

" 'That,' my Uncle Mike contends, 'is typical of the Giants. They can handle it but fall down doing it.'

"But, Horace, Uncle Mike is a solid Giant fan. He doesn't go to the horse races, because he can't afford the price of a $2 mutual ticket. Give him a dollar window and he might get a chance to blow himself for a few scooties. But there are no dollar or fifty-cent windows. They say it slows up the play, so he goes to your ball park and what does he see or hear. He finds out the Pirates drop a double header to the Phils and then sees your brainy manager pull the prize skull of all years by trusting the game to a bullpen flinger who can't dent your ear drums with his fast ball.

IT IS AN UNHAPPY thought, Horace, says my Uncle Mike, but there are only 154 games in a season and you can win so many and lose so many. But Uncle says if somebody doesn't put the brakes on the Giants, they'll skid out of the race all by themselves.

Miller Team In Sweep At Greenbrae

Salmon Saving Project Ends For Year; Seen As Success

SACRAMENTO (UPI) — The California Department of Fish and Game plan to save the salmon has ended for another year but it had a difficult time.

Officials pronounced the king salmon marking project a resounding success so far.

The project, designed to last for eight years, has two principal purposes:

To find the most efficient means of releasing into the ocean hatchery-raised fish.

To devise an accurate method of calculating the ratio of eggs to fish that have successfully migrated to the ocean.

Now in its second or third year—depending on whether 1958 is counted as the first year—the program was started at the request of a number of California sportsmen's groups after a series of poor salmon years.

The dispute over the actual start evolves from the fact that in 1958 the department barged a number of salmon down the Sacramento River from Sacramento to Sausalito. That barging proved that fish could survive such a trip.

In 1959, the department tried sending one million marked fish to the sea by several different routes:

1. By planting them at Rio Vista and letting them make their own way.

2. By releasing them from the Coleman hatchery.

3. By planting them at Tiburon on Racoon Strait—across from Angel Island near Sausalito.

That test started April 14 and continued through the end of May. Midway in the period, two lots of marked fingerling salmon made the trip to sea from Rio Vista by boat. There were 125,000 fingerlings in each lot.

This year the department released more than a million marked fish into the Sacramento River drainage in three lots:

1. By placing them in a river tributary near the hatchery.

2. By trucking them to Rio Vista.

3. By moving them by boat from Rio Vista to water of about 50 per cent salinity in the upper part of San Pablo Bay.

The project ran into difficulties and for a while it looked as if the plan might be scuttled—through no fault of the state.

A "cold water" disease broke out at the U. S. government's Coleman hatchery and forced the program to halt. But the disease disappeared as the water began to warm up in April and the program moved ahead.

Biologist Eldon Hughes said none of the fish marked last year had shown up in the early season catch but he expected some to show up late in the summer as two-year-old fish.

"The majority are expected to appear in the sport and commercial catch beginning next winter," he said. "It is expected that marking will resume next year."

It is no secret that the salmon resource of California is in trouble. As an example of what has happened, the salmon spawning area of the Central Valley has been reduced from 6,000 miles 100 years ago to only 300 miles now.

Director Walter T. Shannon of the department put his finger on the villain—"haste, lack of knowledge and indifference."

Why is the department trying so hard to restore the resource?

Shannon pointed out that the commercial fishing industry alone supplies a livelihood for 1,800 fishermen in more than 1,600 boats. In 1956, for instance, the value of commercial salmon landings to fishermen was nearly four million dollars and sport fishermen spent 150,000 angler days fishing for salmon.

The director also said it costs the average salmon angler $16 a day when he is out fishing for a total annual expenditure of $2,400,000.

Oakland Grid Pros Sign Ex-COP Star

OAKLAND (AP)—The Oakland Raiders have signed Tom Flores, former College of the Pacific quarterback who ranked fourth in total offense in collegiate football in 1956.

The American Football League club now has six signal callers on the roster. Oakland has 57 players under contract.

Flores, who starred in the 1957 post-season East-West Shrine game, was a tryout with the Washington Redskins in the National Football League but was dropped after hurting his arm.

Marin Team Wins Race

The Marin A. C. cross country running team won the junior race and team championship at the fortieth annual Statuto race in San Francisco Sunday.

The order of finish for the Marin A. C. was: Dr. George Brannan of Hill Valley, first over-all; Robert Hope of Mill Valley, second over-all; Leon Strongther of San Francisco, third over-all; Tim Kelly of Berkeley, seventh over-all, and Bill Farlatte of San Rafael, 11th over-all.

The senior division race was won by the Santa Clara Youth Village team, while Darryl Beardall of Santa Rosa, running for the Marin A. C., finished second, and Bill Ranney of San Rafael, also running for the Marin A. C., finished 15th.

Coach Jim Imperiale of Mill Valley accepted his club's new championship trophy.

Piecemeal Planning Resposible For Traffic Troubles

SAN FRANCISCO (AP)—Piecemeal planning and stopgap measures are responsible for present chaotic U.S. traffic conditions, a panelist told a national conference on urban transportation.

The panelist, Oscar L. Dunn, of General Electric Co.'s motor division, said Monday that despite their wide use, "such piecemeal efforts will never solve this growing problem. We must look at the entire transportation process."

Dunn and transportation representatives exchanged views during the national conference sponsored by ACTION, Inc., a private organization promoting civic planning and improvement. The conference ends today.

According to Dunn, "each stopgap measure is followed by another—new traffic light arrangements, one-way streets, more buses, helicopter directed traffic—an endless list.

"Similarly, rail commuting systems are allowed to deteriorate to the point of extinction, then revived, generally under some inadequate, hastily conceived plan."

The panelists agreed that planning was necessary, but differed on the relative merits of various modes of transportation—especially rapid transit. The speakers represented highways, motor firms, rails and airways.

Thomas R. Reid of Ford Motor Co. contended that means of urban transportation was a choice of the individual and, if the individual preferred the auto to the regimentation of public transportation, then highways must be provided.

Walter W. Patchell, vice president of the Pennsylvania Railroad Co., argued for more government assistance for rails. He said that more highways only compounded the problem and that rail transit systems would relieve a good portion of congestion.

Herter Says Ike Should Go To Japan

WASHINGTON (AP) — Secretary of State Christian A. Herter said today President Eisenhower should go ahead with his plans to visit Japan June 19.

Herter told the Senate Foreign Relations Committee that despite demonstrations in Japan against the visit "under existing circumstances, the President's plans ought to remain unchanged."

Herter expressed this view in response to a question from Sen. Bourke B. Hickenlooper (R-Iowa).

The secretary told the senators that he would prefer to make any further comment in a closed session.

Herter was before the committee to urge Senate ratification of the new U.S.-Japanese treaty which he said will strengthen the "fabric of international peace and security."

There have been leftist demonstrations in Japan against both Eisenhower's visit and the treaty, scheduled to take effect at the same day the President arrives.

Chairman J. William Fulbright (D-Ark.) said the open hearing on the treaty would be followed by a closed session on questions that were not proper for public discussions.

Herter told the committee at the open hearing that the old security treaty, signed immediately after the state of war with Japan was ended, gave the United States the right to station troops in Japan for maintenance of peace and security in the Far East. But there was no obligation on the United States to assist in Japan's defense, he said.

Under the new treaty the United States is pledged to go to Japan's defense if Japan is attacked.

Litter Of 13 Pups Born To Mascot

Sheba, 17-month-old wife of Saber, mascot of the Mill Valley Bull Dogs, Pop Warner football team, had 13 puppies last week.

Sheba, a Belgian shepherd dog, lives at 217 Willow Avenue in Corte Madera with her master, Richard W. Jewett, 26, salesman at Montgomery Ward's Corte Madera store.

"She's a real wonderful mother," said Jewett, "and it might be because she had 13 brothers and sisters, herself." Jewett said all the puppies names will begin with the letter "S."

Novato Girl 4-H Winner At Petaluma Exhibit

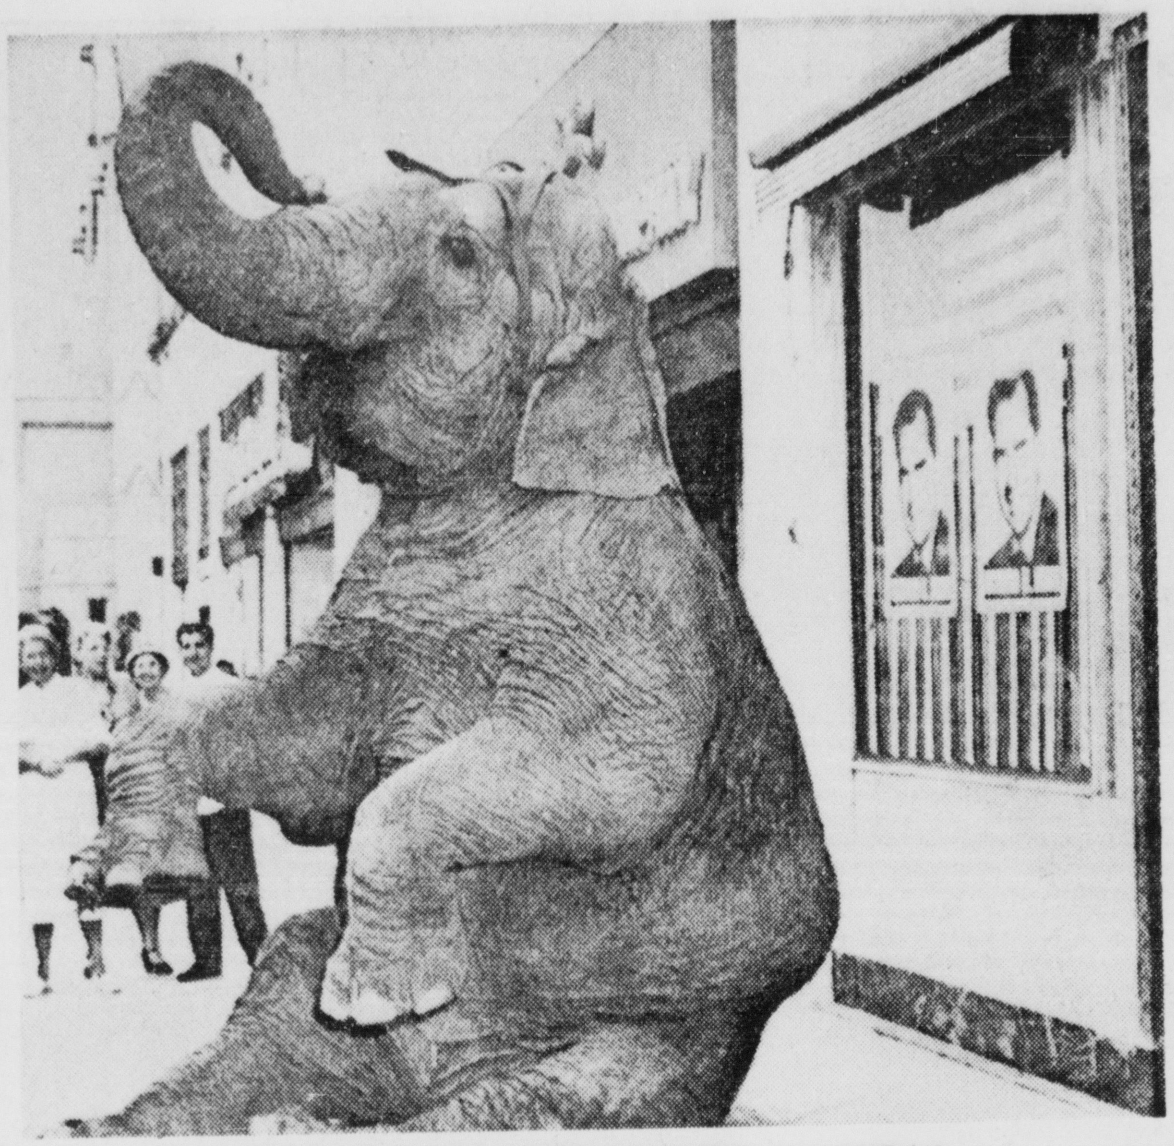
A 15-year-old Novato girl, showng dairy cows, won the round robin judging contest Saturday at the 4-H Club Exhibit Day at the Petaluma Fairgrounds.

Joan Carrillo, daughter of Mr. and Mrs. Robert M. Carrillo of 2756 Novato Boulevard, was winner of the perpetual trophy being awarded this year for the first time for the best stock showmanship.

Another Novato girl, Mary Linda (Mimi) Baccaglio, 16, daughter of Mr. and Mrs. Frank V. Baccaglio of South Novato Boulevard, won the dress review.

The Ross Valley Club won the perpetual trophy for participation by having the highest percentage of club members entering in the exhibit.

The annual exhibit day is sponsored by the Marin County 4-H Council and the agricultural extension service of the University of California.



SOLICITING VOTES FOR NIXON

This was the scene in front of Vice President Nixon's Wilshire Blvd. headquarters in Los Angeles yesterday as Nixon workers produced Babe, an old campaigner of about 75. A slate of delegates pledged to support Nixon for president was unopposed on the Republican ballot as Californians went to the polls in a primary election today.

Cross-Filling Absent First Time In 50 Years

SAN FRANCISCO (UPI)—California voters, for the first time in almost 50 years, went to the polls today to vote strictly along party lines for nominees for 130 seats in Congress and the state Legislature.

The 1959 session of the Legislature repealed cross-filing, a practice established in 1913 whereby candidates could file on both Republican and Democratic ballots.

In today's primary, Republicans could vote only for GOP candidates and Democrats were restricted to balloting for nominees of their own party.

The only exceptions were in a few scattered districts where incumbent congressmen or legislators were trying to win both party nominations via the write-in route.

Write-ins, although barred in the presidential primary, were perfectly legal in any contest for the House of Representatives, state Assembly or state Senate.

But in order to win both party nominations, an incumbent had to win his own party nomination and then defeat any other write-in or avowed candidate on the other party ballot and in addition make sure he got at least one per cent of the vote cast for the same office in the 1958 general election.

This, at least 19 incumbent legislators aimed to do.

Perhaps the most optimistic was state Sen. John F. McCarthy (R-San Rafael). McCarthy, unopposed on the GOP ballot, faced opposition from two candidates on the Democratic ticket but still was aiming at a primary election triumph on write-ins.

In the battle for nominations for the state's 30 seats in Congress, principal attention centered in two southern California districts where incumbent Republicans Donald L. Jackson (16th District) and Joe Holt (22nd) retired.

The 16th District battle for the GOP nomination featured Murray M. Chotiner, one-time campaign manager for Nixon, against Alphonzo E. Bell Jr., ex-state Republican chairman, and two other GOP hopefuls. Jerry Pacht, Los Angeles lawyer, was unopposed on the Democratic ticket.

In the 22nd, nine Republicans staged a battle royal to win their party's nomination while James C. Corman, Los Angeles city councilman, was unopposed on the Democratic side.

All 30 congressional seats were at stake in the primary, with incumbents running for new two-year terms in 28 districts. All 80 state Assembly districts plus 20 of the 40 seats in the state Senate likewise were up in the primary.

Going into today's elections, Democrats controlled the house delegation 16-14, held a 28-12 edge in the Senate and a 45-32 margin in the Assembly with three vacancies.

GOLDEN GATE BRIDGE GREEN?

Some State Bridges To Be Repainted New Green Color

SACRAMENTO (AP) — The Golden Gate Bridge painted green?

Well, maybe not right away, but it's a possibility.

The State Public Works Department announced yesterday that it will soon start painting all steel bridges green.

The green paint is more pleasing to the eye, more in tune with natural colors and cheaper to apply and maintain, the director of public works said.

"We are very pleased," said Director Robert B. Bradford, "to be able to combine beauty and utility in our bridge maintenance program."

Gov. Brown said, however, that the Golden Gate and San Francisco-Oakland Bay bridges will probably remain their present colors for some time.

"Going to start with the smaller bridges first," he said.

(James Adam, Golden Gate Bridge general manager, said the matter of switching colors had not even been discussed "for years and years.")

Old bridges will get their new green coats of paint as the present paint needs replacement. A number of new bridges will be green from the start.

The first to be painted green will be bridges over the Noya River on State Highway 1, the Mad River on U. S. 101, both on the North Coast, and the Salinas River on the Monterey-Salinas Highway near Hilltown.

Two bridges over the Santa Ana River on State Highway 38 near Redlands and two over Clear Creek on U. S. 99 south of Redding also will be painted, as will the Beaumont Overhead on U. S. 60-70-99 near Beaumont and the Kaiser Road Overhead on the San Bernardino Freeway east of Colton.

The San Pedro-Terminal Island Bridge and the Sacramento River Bridge on U. S. 99 at Redding are among the new bridges in line for green paint.

Most of California's steel highway bridges now are painted with a silver colored aluminum paint.

MARIN FOUNDERS' DAY was observed at a Meadow Club luncheon of the alumnae club of Pi Beta Phi when Mrs. Charles Stuart gave the incoming officer, Mrs. Daniel Anderson the honor of lighting a candle for each of the 12 founders. At right of Mrs. Stuart are past president, Mrs. William Berzman, two golden arrow members, Mrs. Charles Schneider and Mrs. Eugene Robinson. Facing the distinguished members are (left to right) Mesdames Peter Sommer, Burton Bergstrom, F. T. Fagerstrom, J. G. Herrman and Murray Peterson. At center table are Mesdames Robert Kettenbach, Marion Scott, Dean Brokaw, Robin Hobart and Gordon Wright. Side left are Mesdames Warren Perry, Roy A. Brown and Gifford Von Kaesborg. Mrs. Brown has done the publicity for the alumnae club since its organization in Marin more than 20 years ago. Previously Mrs. Brown did the publicity for the Fresno alumnae.

Pi Beta Phi Has Installation Rite And Founders Day Ceremonial

Installation of the 1960-1961 officers marked the closing meeting of the year when Pi Beta Phi alumnae gathered at 10 o'clock, the morning of June 1 at the Sleepy Hollow home of Mrs. Ralph B. Keilholtz (Marjorie Smith, Illinois Epsilon).

Installed were president, Mrs. Daniel H. Anderson (Arlene Allen) Nevada Alpha; vice president, Mrs. Burton Bergstrom (Davida Riddle) Oregon Alpha; recording secretary, Mrs. Gifford Von Kaesborg (Mary Lee Cramer) California Beta; treasurer, Mrs. Murray B. Peterson (Viola Buckley) Iowa Gamma. Mrs. Charles R. Stuart (Marilyn Morse) California Gamma, was the installing officer. Marilyn, retiring president, has served the Marin club for two successive years. She was pledged and initiated in 1949 at Cal when Dorothy Walker, now Mrs. William Berzman, was "house president." Mrs. Stuart's Marin sorority sisters presented a gift— a two years' subscription to Vogue magazine, a salad service, and a lovely corsage of the Pi Phi colors of wine and blue. The latter was made by a past president, Marion Morrow Scott, who also made corsages for all the officers.

Rushing chairman, Mrs. Henry H Cole (Mary Hazeltine) who is also alumnae club chairman, read the list of Marin girls who plan to enter college this fall. Several are daughters of Pi Phi alumnae.

Settlement School co-chairmen, Mesdames R. Dale Anderson, Peter S. Sommer and Francis A. Muetzel, will be in charge of the future sales of Pi Phi handicraft from the Gatlinburg, Tenn., Settlement School, and staff a booth each Wednesday during the summer series of fashion luncheons at the Art and Garden Center.

Besides the summer luncheon sales Settlement School goods are sold at the annual Grape Festival at Sunny Hills.

Then there is usually a benefit—private and also a public sale of handicraft during the preholiday season.

The retiring president called for executive officers and board reports which showed a paid membership of 57 members in Marin.

PANHELLENIC

Marin Pi Beta Phi alumnae had the honor of arranging the first meeting of a Panhellenic association in San Rafael on April 8, 1949. At that time 21 sororities became organized.

Serving on the hostess committee were many who remain active in the present club.

Among the alumnae hostesses were Mesdames J. Boatner Chamberlain. Roy A. Brown, Francis T. Fogarty, Marvin W. Houghton, Ralph B. Keilholtz, Eugene Robinson, R. E Rogers, the late Mrs. Franklin Smith and Mesdames George Stapleton, Charles Schneider, Theodore Smith, Merritt Webster and Alfred Wilcox.

Pi Phi alumnae are contributing baby clothes which will be sent to the Smoky Mountain families in Tennessee where the Pi Phi Settlement School is located at Gatlinburg.

The summer craft workshop convenes from June 13 through July 19 in Gatlinburg.

Classes will be held for physiotherapists, teachers, community volunteers, hobbyists and students seeking university credit.

Pi Phis have their shops in the Settlement School building and maintain a grade school, county grade school and high school in Gatlinburg.

The arrowcraft shop is nearby and a summer workshop connected with the University of Tennessee.

The Jennie Nicol Health Center, Emma Harper Turner Craft Center, Ruth Barrett Smith Staff House are all identified with Pi Phi as are the boys' and girls' dorms and the teachers' cottages.

Alumnae clubs last year sold $99,360.50 in arrowcraft goods. These sales provide the mountain people with a thriving industry as well as keeping alive the beautiful handicraft handed down from pioneer times.

Hostesses with Mrs. Keilholtz for the June luncheon were Mesdames William L. Berzman, Richard Fagerstrom, Boyd Quinn, Calvin Friar and Richard Armor. Maggie, the Keilholtz French poodle, was also much in evidence.

Cocktails and luncheon followed the meeting and installation with swimming taking preference for the afternoon hours.

FOR CONVENTION

The new president, Arlene Anderson, will be leaving June 14, with a group of Bay Area council members for the forty-second biennial convention at Hot Springs, National Park, Arkansas, dates June 19 through 25. Arlington and Majestic Hotels will be the sites for the hundreds of convention delegates' activities. The Spa recreational center is owned, controlled and administered by the U. S. government and located in a picturesque, pine forested area in the Ouachita Mountains Forty-seven natural springs are in this area.

Arlene will travel by auto with Mrs. C. Stanley Greenbaum of Palo Alto and Janet Echels.

News was regretfully received by the Marin alumnae that the former Jessie Moeur, now Mrs. James M. Hamilton, California's province vice president, and a resident of Sacramento, may not be among those present due to the critical illness of her husband. "Pete," as she is affectionately known, was detained from attendance at the annual Founders' Day luncheon held recently in San Francisco when active members of U. of California presented the candle lighting ceremony and offered the program. Jerry Spencer, Marin Pi Phi senior at U C., took one of the leading parts in the Berkeley chapter house skit.

Mrs. Virginia Gibbons of San Francisco is to be the new president of the San Francisco club.

Mrs. A. Gabor presided in the absence of the acting president who was visiting in Madrid. Early Pi Phi songs and Pi Phi grace made the program impressive with active members assigned to such projects as "What Pi Phi Means to Me," Carole Williams speaker; Linda Palmquist talking on "The Meaning of Initiation" and Carolyn Hand reporting on "House Highlights of the Past Year."

Seven 50 year members, golden arrow honorees, were presented. Singly honored, as the 1960 golden arrow member, was Mrs. George Davis of Berkeley, formerly a member of the Marin alumnae.

The 1964 convention of Pi Beta Phi is scheduled to be held at the Jack Tar Hotel in San Francisco.

FOUNDERS' DAY

Founders' Day in Marin brought an interested number to the Meadow Club where the president and president-elect participated in the traditional candle lighting ceremony. Pi Phi is now in its ninety-third year.

There, seated by a five branch candelabrum, photographs were taken of the 1960-1962 officers.

Pi Phi now has more than 65 000 initiate members in good standing in 294 chartered clubs and 42 area or junior groups.

In November the alumnae sponsored the opening night performance of the Tiburon Cove players when "Tunnel of Love" was the vehicle. Philanthropies include camperships to Boy and Girl Scouts and Camp Fire Girls.

Pi Phi activities in Marin this past year included the annual traditional Cooky-Shine, a buffet honoring husbands at the Morgan home in Mill Valley, a visit to the Fleur de Lys restaurant, and talks on interior decorating, flower arranging and the garden care of Camellias and Azaleas.

Pi Phi has a national and international membership of 67,000 living members.

More than 100 Pi Phi alumnae are residents of Marin.

Mary Hyslop Wilbee (Mrs. James P.) is the correspondent for the Pi Phi national publication, "The Arrow," representing the local Marin association.

Individual Pi Beta Phi alumnae have already donated more than $30,000 toward the centennial celebration in 1967. The goal is a million dollars for some great philanthrophy.

PICTURED are the five new officers of Marin alumnae club, Pi Beta Phi, presented in a ceremony at the April Founder's Day celebration at the Meadow Club and installed June 1. Five blue flaming candles center the table with a background of wine colored gladioli—the Pi Phi colors, wine and blue. The chest is of 1867 vintage—the year I.C. sorosis originated. It was not until 1869 the letters were changed to Greek and the sorority became national as Pi Beta Phi. Reading clockwise, beginning with the incoming president, who in traditional Pi Phi active alumnae fashion, is seated on the floor, officers are Mrs. Daniel H. (Arlene) Anderson, the new president; Mrs. John G. (Betty) Herrman, corresponding secretary; Mrs. Burton (Davida) Bergstrom, vice president; Mrs. Gifford (Mary Lee) Von Kaesborg, recording secretary; and Mrs. M. B. (Viola) Peterson, treasurer. Legion Auxiliary Installation Set Tomorrow

The newly elected officers of San Anselmo American Legion Auxiliary 179 will be installed tomorrow at 8:15 p.m.

The new officers to be installed are president, Mrs. John Bodeen; first vice president, Mrs. Jack Garcia; second vice president, Mrs. W. A. Wagner; recording secretary, Mrs. Toby Pechner; corresponding secretary, Mrs. John Kramer; treasurer, Maude Francke; chaplain, Mrs. Ernest Johnston; historian, Mrs. Billie Simpson; musician, Mrs. Oscar Liebeskind; sergeant at arms, Mrs. Walter Berta; marshal, Mrs. Jess Fisher; executive committee: Mesdames Jean Lestanguet, Warren Greenwood, Richard Brown, and as the junior past president Mrs. Don Sollars.

The installing team will be composed of past presidents and assisted by several Junior members of San Anselmo Unit.

Members of the installing team are: Mesdames Walter Johnson, William Ross, Oscar Liebeskind, Jean Lestanguet, Ernest Johnston, Larry Halpin, Delbert Brown, Warren Greenwood, Lester Wolf and Larry Schlosser. Juniors assisting are Nancy Brown, Mary Pat Ham, and Kathleen Bodeen.

Friends of the Auxiliary and the public are welcome

Hostess chairman for the evening are Mesdames Richard Brown and Larry Halpin, decorations, Mesdames Walter Johnson and Lester Wolf.

BELVEDERE HOME OPENED FOR PI BETA PHI AFFAIRS

Two charming affairs in May, the first honoring the members of Marin's Pi Beta Phi alumnae board, were held recently in Belvedere.

Mrs. Charles R. Stuart, who graciously has served the Marin alumnae club of Pi Beta Phi as their president for the past two years, was a delightful luncheon hostess at her new Crest Road Belvedere home Wednesday, May 25.

Mrs. Stuart had returned home a day earlier from a vacation trip to Mexico City, Acapulco and other delightful vacation spots, leaving the two small fry, Robin, and young Stuart, in Los Angeles with relatives while she and her husband enjoyed sightseeing.

Robin assisted her mother as hostess at the luncheon and enthusiastically directed a birthday song.

Mommy, with Robin's assistance, had made two lovely cakes, so of course, it must be a birthday party—and birthday party it was.

Marilyn, Mrs. Stuart, will celebrate her natal day June 10 and soon a little playmate will arrive to make the lovely family a quintet.

The board members presented their hostess, a retiring alumnae president, with a pair of pewter plaques made at the Pi Phi Settlement School in Gatlinburg, Tenn. The plaques were etched with kneeling figures —one a boy child, the other a girl. About the edge were the beautiful words of the children's favorite prayer.

On May 31 Mrs. Stuart entertained the executive members of the Bay Area Council of Pi Beta Phi when her co-hostesses were Mesdames Daniel H. Anderson, Richard Armor and Marion Scott, members of the Marin board. Eighteen were served luncheon from a beautifully appointed buffet. Officers were elected and new business transacted preceding the annual Pi Phi convention in Arkansas.

DeBenedettis Welcome Son

Lt. and Mrs. Frank John DeBenedetti Jr. are the parents of a baby boy, Frank John III, born Thursday morning in Geneva, N. Y., a first grandson for Mr. and Mrs. Frank J. DeBenedetti of San Rafael, and a first grandchild for Mr. and Mrs. Wyman Riley of Vallejo.

The child, who weighed four pounds at birth, and his mother, the former Ellen Riley, will both remain for the time in the Geneva General Hospital, the infant in an incubator.

Although the little boy was born three months prematurely after Mrs. DeBenedetti fell while painting a stairway in the old home the young couple has been redecorating at 292 Washington Street, doctors said both her condition and that of the child was satisfactory.

Armida Davalos Engaged To Wed Louis B. Rambke

Mr. and Mrs. Eugene S. Davalos of San Anselmo have announced the engagement of their daughter, Armida, to Louis B. Rambke, son of Mr. and Mrs. George Rambke of San Anselmo. The news was told to family members and guests at a barbecue at the Davalos home on Sunday.

Family members present were Mr Hector Davalos, Miss Margarita Davalos and Mr. and Mrs. Moises R. Davalos of San Anselmo; Mr. and Mrs. Hans Davalos of Hayward; Mr. and Mrs. Manuel Lozano of Hayward; Mr. and Mrs. Manuel Lozano of San Francisco; Mr. and Mrs. Joe Davalos; Mr. and Mrs. Phil Schaffer and Mr. and Mrs. Robert P. King of Sausalito. Out of town guests were Miss Della Lopez of Pomona; Mr. Parviz Aboutaleb of Persia, Iran, and Al Homen of Fairfax.

Armida was graduated from Tamalpais High School and is employed with the Veterans Administration in San Francisco.

Louis was graduated from Sir Francis Drake High School, attended Contra Costa College and is now an electrician with Monzo Electric Company of Oakland.

A September wedding is planned.

Sisterhood Meeting Planned Thursday

The Marin Jewish Community Center Sisterhood will hold its last luncheon meeting until fall on Thursday at noon at the Marin Community Center in San Rafael.

A complete assortment of kosher delicacies will be a feature of the luncheon. The cookbook will be the fall project and members are requested to bring recipes to the luncheon.

MARIN FOUNDERS' DAY was observed at a Meadow Club luncheon of the alumnae club of Pi Beta Phi when Mrs. Charles Stuart gave the incoming officer, Mrs. Daniel Anderson the honor of lighting a candle for each of the 12 founders. At right of Mrs. Stuart are past president, Mrs. William Berzman, two golden arrow members, Mrs. Charles Schneider and Mrs. Eugene Robinson. Facing the distinguished members are (left to right) Mesdames Peter Sommer, Burton Bergstrom, F. T. Fagerstrom, J. G. Herrman and Murray Peterson. At center table are Mesdames Robert Kettenbach, Marion Scott, Dean Brokaw, Robin Hobart and Gordon Wright. Side left are Mesdames Warren Perry, Roy A. Brown and Gifford Von Kaesborg. Mrs. Brown has done the publicity for the alumnae club since its organization in Marin more than 20 years ago. Previously Mrs. Brown did the publicity for the Fresno alumnae.

Marin Women

Pi Beta Phi Has Installation Rite And Founders Day Ceremonial

Installation of the 1960-1961 officers marked the closing meeting of the year when Pi Beta Phi alumnae gathered at 10 o'clock, the morning of June 1 at the Sleepy Hollow home of Mrs. Ralph B. Keilholtz (Marjorie Smith, Illinois Epsilon).

Installed were president, Mrs. Daniel H. Anderson (Arlene Allen) Nevada Alpha; vice president, Mrs. Burton Bergstrom (Davida Riddle) Oregon Alpha; recording secretary, Mrs. Gifford Von Kaesborg (Mary Lee Cramer) California Beta; treasurer, Mrs. Murray B. Peterson (Viola Buckley) Iowa Gamma. Mrs. Charles R. Stuart (Marilyn Morse) California Gamma, was the installing officer. Marilyn, retiring president, has served the Marin club for two successive years. She was pledged and initiated in 1949 at Cal when Dorothy Walker, now Mrs. William Berzman, was "house president." Mrs. Stuart's Marin sorority sisters presented a gift— a two years' subscription to Vogue magazine, a salad service, and a lovely corsage of the Pi Phi colors of wine and blue. The latter was made by a past president, Marion Morrow Scott, who also made corsages for all the officers.

Rushing chairman, Mrs. Henry H Cole (Mary Hazeltine) who is also alumnae club chairman, read the list of Marin girls who plan to enter college this fall. Several are daughters of Pi Phi alumnae.

Settlement School co-chairmen, Mesdames R. Dale Anderson, Peter S. Sommer and Francis A. Muetzel, will be in charge of the future sales of Pi Phi handicraft from the Gatlinburg, Tenn., Settlement School, and staff a booth each Wednesday during the summer series of fashion luncheons at the Art and Garden Center.

Besides the summer luncheon sales Settlement School goods are sold at the annual Grape Festival at Sunny Hills.

Then there is usually a benefit—private and also a public sale of handicraft during the preholiday season.

The retiring president called for executive officers and board reports which showed a paid membership of 57 members in Marin.

PANHELLENIC

Marin Pi Beta Phi alumnae had the honor of arranging the first meeting of a Panhellenic association in San Rafael on April 8, 1949. At that time 21 sororities became organized.

Serving on the hostess committee were many who remain active in the present club.

Among the alumnae hostesses were Mesdames J. Boatner Chamberlain. Roy A. Brown, Francis T. Fogarty, Marvin W. Houghton, Ralph B. Keilholtz, Eugene Robinson, R. E Rogers, the late Mrs. Franklin Smith and Mesdames George Stapleton, Charles Schneider, Theodore Smith, Merritt Webster and Alfred Wilcox.

Pi Phi alumnae are contributing baby clothes which will be sent to the Smoky Mountain families in Tennessee where the Pi Phi Settlement School is located at Gatlinburg.

The summer craft workshop convenes from June 13 through July 19 in Gatlinburg.

Classes will be held for physiotherapists, teachers, community volunteers, hobbyists and students seeking university credit.

Pi Phis have their shops in the Settlement School building and maintain a grade school, county grade school and high school in Gatlinburg.

The arrowcraft shop is nearby and a summer workshop connected with the University of Tennessee.

The Jennie Nicol Health Center, Emma Harper Turner Craft Center, Ruth Barrett Smith Staff House are all identified with Pi Phi as are the boys' and girls' dorms and the teachers' cottages.

Alumnae clubs last year sold $99,360.50 in arrowcraft goods. These sales provide the mountain people with a thriving industry as well as keeping alive the beautiful handicraft handed down from pioneer times.

Hostesses with Mrs. Keilholtz for the June luncheon were Mesdames William L Berzman, Richard Fagerstrom, Boyd Quinn, Calvin Friar and Richard Armor. Maggie, the Keilholtz French poodle, was also much in evidence.

Cocktails and luncheon followed the meeting and installation with swimming taking preference for the afternoon hours.

FOR CONVENTION

The new president, Arlene Anderson, will be leaving June 14, with a group of Bay Area council members for the forty-second biennial convention at Hot Springs, National Park, Arkansas, dates June 19 through 25. Arlington and Majestic Hotels will be the sites for the hundreds of convention delegates' activities. The Spa recreational center is owned, controlled and administered by the U. S. government and located in a picturesque, pine forested area in the Ouachita Mountains Forty-seven natural springs are in this area.

Arlene will travel by auto with Mrs. C. Stanley Greenbaum of Palo Alto and Janet Echels.

News was regretfully received by the Marin alumnae that the former Jessie Moeur, now Mrs. James M. Hamilton, California's province vice president, and a resident of Sacramento, may not be among those present due to the critical illness of her husband. "Pete," as she is affectionately known, was detained from attendance at the annual Founders' Day luncheon held recently in San Francisco when active members of U. of California presented the candle lighting ceremony and offered the program. Jerry Spencer, Marin Pi Phi senior at U C., took one of the leading parts in the Berkeley chapter house skit.

Mrs. Virginia Gibbons of San Francisco is to be the new president of the San Francisco club.

Mrs. A. Gabor presided in the absence of the acting president who was visiting in Madrid. Early Pi Phi songs and Pi Phi grace made the program impressive with active members assigned to such projects as "What Pi Phi Means to Me," Carole Williams speaker; Linda Palmquist talking on "The Meaning of Initiation" and Carolyn Hand reporting on "House Highlights of the Past Year."

Seven 50 year members, golden arrow honorees, were presented. Singly honored, as the 1960 golden arrow member, was Mrs. George Davis of Berkeley, formerly a member of the Marin alumnae.

The 1964 convention of Pi Beta Phi is scheduled to be held at the Jack Tar Hotel in San Francisco.

Fashion Focus Will Honor Cerebral Palsy On June 14.

"Look Like A Powers Model" says Fashion Focus next Tuesday at Rickey's popular weekly luncheon, and be calm, cool, and collected for summer with the poise and assurance of a Powers model whether you're a homemaker, career girl, or grandmother!

The poolside luncheon under gay umbrellas will honor United Cerebral Palsy, Inc. of Marin for its outstanding work to aid victims of cerebral palsy whether children or adults. When it is considered that one child born in every 53 will be afflicted with this malady, it is obvious that the work of Cerebral Palsy is vital indeed.

Looking like the lovely professional models that they are will be eight John Robert Powers girls giving of their time and talents to benefit Cerebral Palsy and give pointers on being a more beautiful and cooler "you" during a hot summer.

On the cool side will be devastating swimwear and beach togs. To keep a sports lover calm on land or sea, fetching togs that navigate beautifully in a sports car or boat will be promenaded. And to keep everyone collected for every sparkling summer occasion from luncheon to dancing, there will be a bevy of beautiful cottons all from a distinctive San Rafael shop.

Timely tips to keep summer hair from looking like wilted lettuce will be demonstrated on the Powers models by a San Rafael salon and the special techniques of the models will show many summertime secrets.

Reservations for the popular poolside luncheon may be made by calling Rickey's.

Strawberry P-TA Meets Tomorrow

The last meeting of the year of the Strawberry Point Parent Teacher Association will be held tomorrow at 8 p.m. at the school at which time officers for the coming year will be installed.

"Dessert with the Courses" will be the title of the talk to be presented by Robert Davidson, guidance consultant for the Mill Valley Schools and psychologist for the Reed District. Under discussion will be the school district's special services.

The fourth grade Brownies, led by Mrs. Frank Helmer, will present the flag ceremony. Refreshments will be served by tea chairman Mrs. James Sullivan, assisted by the second grade mothers.

Frank Rossmans Return From Trip To East Coast

Dr. and Mrs. Frank E. Rossman of Sausalito have returned from a motor trip to the East coast. Leaving Marin more than a month ago, they chose a southerly route to reach Richmond, Va.

Their son, Lt. Bruce Rossman, on leave from the Army, met them and together the family visited Colonial Williamsburg. Going on to Washington, D.C., Dr. Rossman and Bruce attended a Rotary luncheon at the Mayflower Hotel. Several days were spent in Manhattan and in upper New York state, his parents visited Bruce's present base at Watertown. Before heading West, the Rossmans viewed Niagara Falls and had an interesting tour at the Corning Glass Co., where the beautiful Steuben pieces are made.

The return to Sausalito was exactly timed to enable Mrs. Rossman to be installed as president of Marin County Dental Auxiliary.

Indiana Residents To Visit In San Rafael

Mr. and Mrs. Andrew Hutchison of Indianapolis, Ind., are expected for a brief residence in the Brown home in San Rafael, when the former's cousin, Independent-Journal publisher, is summoned to New York, Boston and Quebec on business. Hutchison has been with the Cadillac agency for many years and most of his life has been devoted to the automobile industry.

The publisher and Mrs. Brown recently attended the Inter American Press Assn. meeting which took them to New Orleans, Miami, Jamaica and on to Mexico City by way of Havana, Cuba.

The Hutchisons have been coming to California each summer for a number of years to return their little grandson, Rorden, after a visit in Indiana, Michigan or Florida.

Rorden lives in Stockton with his mother, Mrs. Tom Hutchison, an instructor in the Stockton elementary schools.

NEW PRESIDENT of St. Patrick's Guild is Mrs. Adolph Lubamersky, above, who was installed in a recent candlelight ceremony.

St. Patrick's Guild Holds Installation

In appreciation for guiding St. Patrick's Guild through a successful season, Mrs. Ralph Tobener, outgoing president, was presented with a beautiful gift by Mrs. Clifford Elder, president of the National Council of Catholic Women.

The recent occasion was marked by an impressive candlelight ceremony, installing the following officers for the ensuing term: Mesdames Adolph Lubamersky, president; Robert J. Smith, first vice president; Robert J. Prowse, second vice president; Arthur Luchetti, treasurer; Wallace Colthurst, secretary, and Frances Casey, auditor.

Mrs. Alfred Malvino received a Madonna statue for her excellent attendance record at the Guild meetings. The newly-organized drama and chorale group staged a "Gay Nineties" revue, which was a tremendous success.

Belvedere Unit Of Reed P-TC Hears Mrs. Parke

The functions, needs and goals of the Reed District Parent-Teacher Club were explained to the Belvedere Unit of the club when it met last week by Mrs. Fred M. Parke, past president of the club and member of the objectives committee appointed by the club board.

Mrs. Parke explained that the committee is noting certain needs of the club including improved communications, explanation of school policy to parents, a study of the future growth of the district, development of a better bulletin and fewer duplications of effort.

The committee has also suggested that an advisory committee be formed to meet with the Board of Trustees for pilot projects, that study groups be formed, and that school and home interests be coordinated. The group has also suggested that talents of the parents be utilized for school projects.

Annual reports were made by Belvedere Unit committee heads and nominees for office for the coming year were introduced by Mrs. Benton Mathews, president.

Terra Linda Breakfast To Be Friday

The Terra Linda Guild of Sunny Hills will give a fund-raising Continental Breakfast at Bob's of Marin in Corte Madera on Friday, June 10, at 10 a.m.

John Wheatman, interior decorator from Berkeley, will talk on personalizing home decor.

Wheatman, a graduate of the University of Washington where he majored in interior design, has taught Mills College and his articles have appeared periodically in House Beautiful and House and Garden magazines. His topic on Friday is designed to help listeners reflect their own identities and personalities in home decor.

Awards for the event are being donated by Mrs. John Namle, who obtained them on her recent excursion to the Caribbean.

Chairman for the morning party is Mrs. William Roddy. Assisting her are Mrs. Ormand Mathews, in charge of decorations, Mrs. John Blickman, posters and displays, and Mrs. Alfred Stokes, hospitality.

Mrs. Torben Strandgaard is in charge of tickets, which may be secured from members of Terra Linda Guild or from Mrs. Strandgaard, 715 Del Ganado drive, San Rafael.

Terra Linda's Junior Baseball Dance Is Set

Terra Linda's annual Junior Baseball Dance will be held Saturday night, June 11, at the Bermuda Palms, 9 p.m. to 1 a.m.

Tickets will be on sale at the dance.

An award of a weekend for two at Silverado Ranch has been announced.

All proceeds from the dance will go towards maintaining Terra Linda's Junior Baseball program.

Committee chairmen for the dance are: chairman, Mary Kaye Miller; co-chairmen, Olive Lewis and Harriette-Wills Cheek; drawing, Maxine Dragnich; tickets, Grace Cook; publicity, Paula Harris, Mary Jane Sargent, Betty Edwards; posters and decorations, Marilyn Larkin, Evelyn Miles, Anita Namle.

Frank Rossmans Return From Trip To East Coast

Dr. and Mrs. Frank E. Rossman of Sausalito have returned from a motor trip to the East coast. Leaving Marin more than a month ago, they chose a southerly route to reach Richmond, Va.

Their son, Lt. Bruce Rossman, on leave from the Army, met them and together the family visited Colonial Williamsburg. Going on to Washington, D.C., Dr. Rossman and Bruce attended a Rotary luncheon at the Mayflower Hotel. Several days were spent in Manhattan and in upper New York state, his parents visited Bruce's present base at Watertown. Before heading West, the Rossmans viewed Niagara Falls and had an interesting tour at the Corning Glass Co., where the beautiful Steuben pieces are made.

The return to Sausalito was exactly timed to enable Mrs. Rossman to be installed as president of Marin County Dental Auxiliary.

Indiana Residents To Visit In San Rafael

Mr. and Mrs. Andrew Hutchison of Indianapolis, Ind., are expected for a brief residence in the Brown home in San Rafael, when the former's cousin, Independent-Journal publisher, is summoned to New York, Boston and Quebec on business. Hutchison has been with the Cadillac agency for many years and most of his life has been devoted to the automobile industry.

The publisher and Mrs. Brown recently attended the Inter American Press Assn. meeting which took them to New Orleans, Miami, Jamaica and on to Mexico City by way of Havana, Cuba.

The Hutchisons have been coming to California each summer for a number of years to return their little grandson, Rorden, after a visit in Indiana, Michigan or Florida.

Rorden lives in Stockton with his mother, Mrs. Tom Hutchison, an instructor in the Stockton elementary schools.

Blue Birds Hold Rite For Ranks

Eighteen Tip Top Sunflower Blue Birds from Coleman School, fourth grade, became Camp Fire Girls in a Fly-Up Ceremony at the home of Mrs. William Eastman, one of the group's leaders.

Thirteen of these girls, Gigi Allison, Doris Austin, Carolyn Eastman, Pamela Ghilardi, Julie Jenkins, Robin Kennedy, Carol Parsons, Nancy Ross, Janet Pfeffer, Robin Rogers, Nancy Paterson, Cheryl Rousseau and Margaret Towne have been Blue Birds together for three years. Those who have joined the happy group since are Nancy Adams, Lynn Beckstrom, Dorbea Cook, Becky Paschal and Maria Thaning.

The program presented for the mothers of the girls included the presentation of awards by Edith Stokely, Nancy Grimes and Deborah Pfeffer, Camp Fire "sisters" of the girls, a fashion show in which the girls wore skirts which they had made and a puppet show, "The Musicians of Breman" with puppets and scenery made entirely by the Blue Birds under the direction of Mrs. Jack Ghilardi. Home made cookies and punch was prepared and served by the girls.

Two other groups, the Friendliest Blue Birds and the High Flying Blue Birds of Corte Madera have become Camp Fire Girls also in a Fly-Up Ceremony.

Parents and friends were invited to watch Betsy Ford, Nan Ball and Jackie Crisp of the O Ja Ki Wa Camp Fire Girls welcome Carolyn Black, Margo Reichard, Laura Goecker, Patsy Ford, Shari and Sheryl Hoepkemeier, Becky Crisp, Eva Mench, Jean Davis, Jacklyn Monderer, Sarah Chamberlin, Rigmor Nordskog, Allyson Ward, and Cathy Scirmer into the second part of the Camp Fire program.

Fashion Focus Will Honor Cerebral Palsy On June 14.

"Look Like A Powers Model" says Fashion Focus next Tuesday at Rickey's popular weekly luncheon, and be calm, cool, and collected for summer with the poise and assurance of a Powers model whether you're a homemaker, career girl, or grandmother!

The poolside luncheon under gay umbrellas will honor United Cerebral Palsy, Inc. of Marin for its outstanding work to aid victims of cerebral palsy whether children or adults. When it is considered that one child born in every 53 will be afflicted with this malady, it is obvious that the work of Cerebral Palsy is vital indeed.

Looking like the lovely professional models that they are will be eight John Robert Powers girls giving of their time and talents to benefit Cerebral Palsy and give pointers on being a more beautiful and cooler "you" during a hot summer.

On the cool side will be devastating swimwear and beach togs. To keep a sports lover calm on land or sea, fetching togs that navigate beautifully in a sports car or boat will be promenaded. And to keep everyone collected for every sparkling summer occasion from luncheon to dancing, there will be a bevy of beautiful cottons all from a distinctive San Rafael shop.

Timely tips to keep summer hair from looking like wilted lettuce will be demonstrated on the Powers models by a San Rafael salon and the special techniques of the models will show many summertime secrets.

Reservations for the popular poolside luncheon may be made by calling Rickey's.

Strawberry P-TA Meets Tomorrow

The last meeting of the year of the Strawberry Point Parent Teacher Association will be held tomorrow at 8 p.m. at the school at which time officers for the coming year will be installed.

"Dessert with the Courses" will be the title of the talk to be presented by Robert Davidson, guidance consultant for the Mill Valley Schools and psychologist for the Reed District. Under discussion will be the school district's special services.

The fourth grade Brownies, led by Mrs. Frank Helmer, will present the flag ceremony. Refreshments will be served by tea chairman Mrs. James Sullivan, assisted by the second grade mothers.

Marin General Service League Has Annual Meet, Installation

The annual meeting of the Marin General Hospital Service League was held Wednesday in the annex of the hospital.

Officers elected were Mesdames Watson Conner, president; Leslie Clason, vice president; Ward Hawkins, corresponding secretary; Jack Field, recording secretary; Lee Marriott, treasurer; and Walter K. Pearce, parliamentarian.

A report from the outgoing president, Mrs. Pearce, called attention to the fact that improvement of community relations and fund-raising activities outside the hospital have been made by the formation of the Marin General Hospital Auxiliary. A liaison committee has been appointed to coordinate activities of the groups. A report from Mrs. Leslie Clason, membership chairman, showed 204 adult members; 53 contributing members; and 45 junior members. The Director of Volunteers and Assistant Director of Volunteers reported 28,884 hours served. Total hours served since the hospital opened are 161,906 and the average number of Volunteers is now 162.

During the past year, 24-hour emblems were earned by 102 Volunteers; 100-hour emblems were earned by 47 Volunteers; 200-hour emblems were earned by 23 Volunteers; 300-hour emblems were earned by 17 Volunteers; 400-hour emblems were earned by 13 Volunteers; 500-hour emblems were earned by 12 Volunteers; 600-hour emblems were earned by 12 Volunteers; 700-hour emblems were earned by 13 Volunteers; 800-hour emblems were earned by 10 Volunteers; and 900-hour emblems were earned by 8 Volunteers.

Congratulations and introductions were made for Miss Jane H. Adams and for Mesdames Carl Boegershausen, Arthur Kanzee, Arne Kionig, Edward Ranahan, J. P. Redington, Alfred Ruggiero, Jack Field, and Samuel Gunnison, all of whom achieved the 1000-hour club this past year. Mrs. Thomas Pring has achieved 2000 hours, Mrs. Russel Chatham 3000 hours, and Mrs. Julian Rice has given over 5000 hours of service.

Eight orientation classes were held during the year. Many new services have been added during the past year, according to Mrs. Frank Moore, volunteer director.

A report was given by Mrs. John D. Biggane for the Kappa Kappa Gamma Sorority Alumnae of Marin County on the book cart they operate every day in the hospital. Many new books have been donated by interested community residents during the past year.

Mrs. William Anderson, chairman of hospital tours, reported that 632 children had been shown through the hospital as well as 150 adult leaders and many guests.

The expectant mothers' teas have been attended by 160 mothers this past year, according to Mrs. S. V. Gunnison, hostess chairman. Mrs. William Noon, editor of the "Pink Sheet," communications bulletin for both the hospital, Service League, and the newly formed Auxiliary, has produced editions to cover each month of the year with the exception of the summer months. Personnel interviewing has been handled by Mrs. Robert McKendry. A public relations report by Mrs. Fred Drexler stressed the success of the first Volunteer workshop and the extra thought that has been given to community relations during the past year. Planning sessions have been held and timing and coordination with other volunteer health groups has been accomplished.

Mrs. Carl Spring, press board chairman, has maintained a press board and press book for Marin General.

Mrs. Robert W. Smith, recreational therapy chairman, reported a daily program of therapy workers in the Pediatric Department. Community groups have been contacted with suggested items for groups to make and response has been very favorable. Many gifts are donated to Pediatric Department at Marin General Hospital and all add to the happiness of the hospitalized small patient.

A report by Mrs. John Kyle, Scholarship Chairman, gave $600 as the figure granted to deserving Junior Pink Ladies to further their nursing education. A report by Mrs. Arne Kionig, Service Cart Chairman, told of the Christmas and Easter sales which supplemented the receipts from the service cart which rotates through the hospital daily. A new service has been established recently for patients and guests by the Service League; it is the hospitality cart and the chairman of this project is Mrs. Kenneth Maxwell.

Marin General Service League Has Annual Meet, Installation

The annual meeting of the Marin General Hospital Service League was held Wednesday in the annex of the hospital.

Officers elected were Mesdames Watson Conner, president; Leslie Clason, vice president; Ward Hawkins, corresponding secretary; Jack Field, recording secretary; Lee Marriott, treasurer; and Walter K. Pearce, parliamentarian.

A report from the outgoing president, Mrs. Pearce, called attention to the fact that improvement of community relations and fund-raising activities outside the hospital have been made by the formation of the Marin General Hospital Auxiliary. A liaison committee has been appointed to coordinate activities of the groups. A report from Mrs. Leslie Clason, membership chairman, showed 204 adult members; 53 contributing members; and 45 junior members. The Director of Volunteers and Assistant Director of Volunteers reported 28,884 hours served. Total hours served since the hospital opened are 161,906 and the average number of Volunteers is now 162.

During the past year, 24-hour emblems were earned by 102 Volunteers; 100-hour emblems were earned by 47 Volunteers; 200-hour emblems were earned by 23 Volunteers; 300-hour emblems were earned by 17 Volunteers; 400-hour emblems were earned by 13 Volunteers; 500-hour emblems were earned by 12 Volunteers; 600-hour emblems were earned by 12 Volunteers; 700-hour emblems were earned by 13 Volunteers; 800-hour emblems were earned by 10 Volunteers; and 900-hour emblems were earned by 8 Volunteers.

Congratulations and introductions were made for Miss Jane H. Adams and for Mesdames Carl Boegershausen, Arthur Kanzee, Arne Kionig, Edward Ranahan, J. P. Redington, Alfred Ruggiero, Jack Field, and Samuel Gunnison, all of whom achieved the 1000-hour club this past year. Mrs. Thomas Pring has achieved 2000 hours, Mrs. Russel Chatham 3000 hours, and Mrs. Julian Rice has given over 5000 hours of service.

Eight orientation classes were held during the year. Many new services have been added during the past year, according to Mrs. Frank Moore, volunteer director.

A report was given by Mrs. John D. Biggane for the Kappa Kappa Gamma Sorority Alumnae of Marin County on the book cart they operate every day in the hospital. Many new books have been donated by interested community residents during the past year.

Mrs. William Anderson, chairman of hospital tours, reported that 632 children had been shown through the hospital as well as 150 adult leaders and many guests.

The expectant mothers' teas have been attended by 160 mothers this past year, according to Mrs. S. V. Gunnison, hostess chairman. Mrs. William Noon, editor of the "Pink Sheet," communications bulletin for both the hospital, Service League, and the newly formed Auxiliary, has produced editions to cover each month of the year with the exception of the summer months. Personnel interviewing has been handled by Mrs. Robert McKendry. A public relations report by Mrs. Fred Drexler stressed the success of the first Volunteer workshop and the extra thought that has been given to community relations during the past year. Planning sessions have been held and timing and coordination with other volunteer health groups has been accomplished.

Mrs. Carl Spring, press board chairman, has maintained a press board and press book for Marin General.

Mrs. Robert W. Smith, recreational therapy chairman, reported a daily program of therapy workers in the Pediatric Department. Community groups have been contacted with suggested items for groups to make and response has been very favorable. Many gifts are donated to Pediatric Department at Marin General Hospital and all add to the happiness of the hospitalized small patient.

A report by Mrs. John Kyle, Scholarship Chairman, gave $600 as the figure granted to deserving Junior Pink Ladies to further their nursing education. A report by Mrs. Arne Kionig, Service Cart Chairman, told of the Christmas and Easter sales which supplemented the receipts from the service cart which rotates through the hospital daily. A new service has been established recently for patients and guests by the Service League; it is the hospitality cart and the chairman of this project is Mrs. Kenneth Maxwell.

Mrs. Mary Malloy, who is field director for Camp Fire District One and Three, will attend the outing. Mrs. W. M. Vanderbilt is program chairman for the area.

St. Stephen's Guild

St. Stephen's Guild will meet tomorrow at 10 a.m. at Whitaker Hall according to Mrs. E. G. Weed, president. Officers for the coming year will be elected. Guests are welcome to attend.

WINE AND FOOD SOCIETY TO CELEBRATE ANNIVERSARY

The Wine and Food Society of Marin County will celebrate its first anniversary tonight at the Fleur d'Lys restaurant in San Anselmo.

Since its establishment a year ago the Marin chapter of the international gourmet society has had dinners featuring rare foods and wines at Ondin, the St. Francis Yacht Club and the Bohemian Club. This branch of the society is unusual in that its membership is made up of both men and women. Membership now numbers 50, with some coming from as far away as Beverly Hills and El Dorado to attend.

The officers are Mr. George Goheen, president; Mrs. Tracy W. Harron, vice president; Mrs. Charles N. Fulcher, secretary. On the board of governors are Mrs. George Goheen, Miss Eva Wales, Mrs. Charles N. Fulcher, Mr. and Mrs. Lawrason Driscoll, Dr. and Mrs. Ralph Scovel, Mr. and Mrs. Henry White and Mr. Tracy W. Harron.

Sausalito Nursery Sets Founders' Day

The Sausalito Co-operative Nursery School will have its annual Founders' Day dinner at the school on Friday, June 10, at 7 p.m. A potluck affair, anyone interested in the school is invited. All those who have had children in the school and those who are current members attend the dinner.

Mrs. Edward Davis, president, has Mrs. Tom Matthews as chairman for the evening, with Mrs. Edward Ripley taking reservations.

John Antons Dinner Hosts

Mr. and Mrs. N. John Anton of Kent Woodlands entertained at a cocktail and dinner party Thursday night honoring Paul E. Brown of Des Moines, who came west as a legal adviser and a delegation chairman at the ninety-first annual convention of the National Assn. of Insurance Commissioners in San Francisco.

Another guest from Des Moines was George Fish of the head office there of the Bankers Life Insurance Co., which also held a convention in San Francisco last week.

Other guests of the Anton's were Mr. Brown's half brother, Roy A. Brown of San Rafael, and his wife, Mr. and Mrs. Eugene Severin of Sausalito, and Mr. and Mrs. Richard Pastel of Petaluma.

Marin Women

Wedding Theme Of Churchwomen's Meet In Novato

Wedding memories is to be the subject of the June meeting of United Presbyterian Women of Novato to be held in Trevitt Hall on Wednesday, June 15.

Mrs. William Echoff is in charge and has asked members and guests to wear or display their wedding gowns. Mrs. Philip Dickinson will lead the nuptial devotional period.

Wedding music will be furnished by Mrs. Philip Dickinson and Mrs. Walter Panholzer.

Table decorations will be done in the wedding motif by Mrs. Edjar Hansen and the wedding luncheon will be served at noon by the Mesdames N. S. Halsey, Charles Dugdale, Andrew McLaughlin, William Hambridge, George Bellamy and Robert Merritt.

The business meeting will be held at 11 a.m. preceding the noon luncheon. Prayer Fellowship is scheduled for 11:45 and wedding memories from 1 to 2 o'clock.

Thunder Storms Seen For Sierra Nevada

SAN FRANCISCO (AP)—Scattered afternoon thunder storms are forecast through Tuesday in California's Sierra Nevada. Coastal overcast will continue.

Otherwise fair weather is expected the next two days at least in the northern and central counties.

The thunder storms will occur mainly in the central and southern ranges of the Sierra, Forecaster W. J. Denney said, as well as in the Southern California mountain and desert areas.

Somewhat cooler temperatures were predicted for interior valleys.

Thunder Storms Seen For Sierra Nevada

SAN FRANCISCO (AP)—Scattered afternoon thunder storms are forecast through Tuesday in California's Sierra Nevada. Coastal overcast will continue.

Otherwise fair weather is expected the next two days at least in the northern and central counties.

The thunder storms will occur mainly in the central and southern ranges of the Sierra, Forecaster W. J. Denney said, as well as in the Southern California mountain and desert areas.

Somewhat cooler temperatures were predicted for interior valleys.

THE PARENTS' CORNER

By RICHMOND BARBOUR, Ph. D.
Guidance Counsellor

If Daughter's 'Movie Mad,' You Will Just Have To Show Patience

Is your daughter movie mad? Nothing can be sillier than a girl of 14 with a passion for pictures. Have you ever noticed?

We were just as bad at that age. But we had some advantages your daughter lacks.

The pictures we saw were clean. The movie stars we worshipped appeared morally upright, decent people. They set good examples in public.

That is not always the case now.

What can you do with a movie mad teen-ager? Not much. She'll spend her money on movie magazines. She'll plaster her walls with pictures of stars, write nauseating fan letters and spend hours with her friends discussing actors and actresses.

She'll live in her dream world, and love it.

Interfere with her only when you must. She'll have to get her school work done, of course. She'll need to be reminded of her housework, frequently. She can't stay awake until 2 a.m. reading about Elvis. But within reasonable limits, let her dream. She'll get over her madness quickest that way.

Keep an eye on the movies she attends. There'll be a rash of imported sex films this summer. I've previewed some of them. They were serious films, artistic successes. But they were made to be shown to adult European audiences. They never were intended for impressionable American teen-agers. Your daughter may get some odd ideas if she sees them.

Gradually she'll recover. In a year or two, she'll look back on her movie madness and blush. Be patient.

READERS' FORUM

(Q) "Do you advocate a strict public censorship of movies?"
D.E.T.

(A) No. I've worked under censorship, and learned to hate it. However, I believe parents must control our children's movie attendance. We should give them the protection they need until they are mature enough not to be influenced by immoral films.

DAILY CRYPTOQUOTE — Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

If Daughter's 'Movie Mad,' You Will Just Have To Show Patience

Is your daughter movie mad? Nothing can be sillier than a girl of 14 with a passion for pictures. Have you ever noticed?

We were just as bad at that age. But we had some advantages your daughter lacks.

The pictures we saw were clean. The movie stars we worshipped appeared morally upright, decent people. They set good examples in public. That is not always the case now.

What can you do with a movie mad teen-ager? Not much. She'll spend her money on movie magazines. She'll plaster her walls with pictures of stars, write nauseating fan letters and spend hours with her friends discussing actors and actresses.

She'll live in her dream world, and love it.

Interfere with her only when you must. She'll have to get her school work done, of course. She'll need to be reminded of her housework, frequently. She can't stay awake until 2 a.m. reading about Elvis. But within reasonable limits, let her dream. She'll get over her madness quickest that way.

Keep an eye on the movies she attends. There'll be a rash of imported sex films this summer. I've previewed some of them. They were serious films, artistic successes. But they were made to be shown to adult European audiences. They never were intended for impressionable American teen-agers. Your daughter may get some odd ideas if she sees them.

Gradually she'll recover. In a year or two, she'll look back on her movie madness and blush. Be patient.

READERS' FORUM

(Q) "Do you advocate a strict public censorship of movies?"
D.E.T.

(A) No. I've worked under censorship, and learned to hate it. However, I believe parents must control our children's movie attendance. We should give them the protection they need until they are mature enough not to be influenced by immoral films.

Planners Approve Projected Strawberry Recreation Center

The Marin County Planning Commission today approved establishment of a community recreation center at Belvedere boulevard and Ricardo road in Strawberry.

The facilities will include a pool, dressing room, tennis courts, baseball diamonds, multi-purpose and craft buildings. The center will be on the southeast corner of the intersection.

Approval of a use permit for the center was granted to the Strawberry Recreation District, provided at least 30 parking spaces are included and Ricardo road be widened to at least 36 feet. As precise development plans become ready, they will be subject to review and approval by the commission.

No complaints about the pool and ball field locations were heard at a general meeting of the Recreation District, the planning staff pointed out.

The commission also approved an application from the Three-R School, San Rafael Meadows, for architectural supervision in connection with the proposed addition to the school. Approved were layout and number of off-street parking spaces, points of access, fencing, landscaping and other items other than the design and location of the buildings.

A total of 38 parking spaces, plus a bus unloading area, is provided.

The planning staff commented that the plan for landscaping and parking was a considerable improvement over previous proposals, though it was "far from being the best that could be devised and seems in keeping with the minimal standards maintained by the Three-R School facilities (except in education, of course)."

LEE HODDY, JR.
Was scout in France

ERIC PHILLIPS
Shares Marinwood "first"

Marinwood Scouts Get Eagle Rank

The first Marinwood Boy Scouts to receive scouting's highest award will be honored in a special Eagle Scout Court of Honor at 8 p.m. today at Christ Presbyterian Church in Terra Linda.

Receiving the Eagle Scout rank will be Lee Hoddy Jr., 17, assistant scoutmaster of Troop 64, and Eric Phillips, 14, senior patrol leader of Troop 74. Both troops are sponsored by the Marinwood Home and School Club.

Eric is a son of Debby and Gordon Phillips of 650 Kernberry drive, Marinwood. He is in the eighth grade at Vallecito School, where he played first trumpet in the school band. His award will be proudly witnessed by his three sisters and a brother, as well as the "Beavers," Marinwood Pony League ball team on which Eric plays first base.

Lee is a son of Lt. Col. and Mrs. Hoddy of Hamilton Air Force Base. Lee is a junior at San Rafael High School and only recently moved to Hamilton with his family from Danberry Lane in Marinwood.

Lee transferred to the Marinwood troop from Troop 125, Paris, France, and has already seen much of Europe through his scouting activities.

Current Affairs Lectures Scheduled

Ed Radenzel of Mill Valley, foreign news editor of the San Francisco Chronicle and news analyst for television station KQED, will give a series of lectures on current affairs in Mill Valley, beginning June 21.

They will be from 9:30 a.m. to 11:30 a.m. for six consecutive Tuesdays, starting June 21, at the Donald Fowler residence at 17 Cornelia Avenue. Those wishing to attend may communicate with Mrs. Carl Mosher of 535 Summit Avenue. There will be a charge for the lectures. Proceeds will go to the American Field Service fund for Tamalpais High School exchange students.

Entitled "Down From the Summit — A New Period of Crisis," the lecture series will include the decline of United States-Russian relations, the rising power of Communist China, and the challenge of the Communist bloc to the free world.

Black Point Recreation Plan Told

Plans for a private recreational club in the Black Point area, a swimming pool and small boat harbor, were outlined to the Marin County Planning Commission yesterday.

The commissioners postponed action on the proposal, however, until June 20 so they can make a tour of the property.

A number of Black Point residents submitted letters of objection to the proposed development, and the Black Point Improvement Club asked postponement of consideration of the item until more detailed information is obtained.

Developers Robert B. and Doris W. Campbell propose to establish the club on an approximately 18-acre parcel of land about a half-mile from the intersection of Grandview avenue and the Northwestern Pacific Railroad.

Facilities would include a pool, dressing rooms, tennis courts, club house, caretaker's cottage, putting green, cabanas, picnic areas and small boat harbor.

Most of the residents protesting the development claimed the water supply in the area was inadequate and that Grandview avenue would not accommodate the additional traffic.

The improvement club said Campbell is scheduled to discuss his plans before the members Friday night.

Planner B. D. Dobbs said that the parcel of land has heavily wooded hills and flat open marshland adjoining Petaluma Creek, but doesn't appear to be isolated from adjoining property. He said aerial surveys or topographic maps were needed to obtain more detailed information.

Grandview is a narrow, rather winding street with a paved surface about 16 feet wide, and will not accommodate any additional heavy traffic, Dobbs said.

Sullivan To Open Music Chest Series

Brian Sullivan, leading tenor of the Metropolitan Opera Assn., will open the Marin Music Chest's summer concert season Sunday, June 19, at 3 p.m. in Forest Meadows on the Dominican College campus.

The California-born tenor owes much of his popularity to being "at home" in both musical comedy and grand opera.

Currently in his 12th season at the "Met", Sullivan has won honors in the most popular French and Italian repertoire. However, he has sung more leading roles in English than any tenor in the Metropolitan Opera Assn.'s annals.

Sullivan's appearance in Forest Meadows marks his second under Music Chest auspices, having opened the chest's 1956 season at which time he sang to a capacity audience.

$226,320 Building Permits Issued For Mill Valley

There were four more building permits issued in Mill Valley last month than in May, 1959, but the amount of money spent in building was almost the same. Total spent this May was $226,320; total spent last May was $235,564, reported Preston L. Canfield, building inspector.

Vernon A. Libby of 328 Richardson Drive, Strawberry Point, attended the 51st annual convention of Rotary International last week in Miami Beach, Fla., as a delegate from the San Francisco Rotary Club.

BENJAMIN S. STROUT
Youngest graduate

Marin Youth Youngest Graduate

Benjamin Stackpole Strout of Kentfield was graduated with highest honors Sunday from Claremont Men's College to become, at 18, the youngest graduate in the 13-year history of the Southern California institution.

Young Strout is a son of Mr. and Mrs. Roger S. Strout of 20 Terrace Avenue, Kentfield. His father teaches mathematics and engineering at College of Marin.

An accounting major, Strout earned straight A's for three semesters. He won the Marshall Evans fellowship in business administration, which will enable him to work for his master's degree next year at University of California in Berkeley. He also received the Philip Roland prize for an essay on public administration.

Strout was graduated from the eighth grade when 12 years old, then entered Drew School in San Francisco, where he completed a four-year high school course in two years. At 14, he enrolled in College of Marin. He entered Claremont after completing junior college work at the Kentfield school.

Far from an academic grind, Strout has a variety of interests outside his studies. He holds an amateur radio license, is a member of the Sierra Club and is interested in photography. At College of Marin he was a member of rifle and naturalists' clubs. At Claremont he played drums in the Pep Band and was treasurer of the college church. He also plays the piano.

The young graduate has already lined up a summer job with the San Francisco accounting firm of Ernst & Ernst.

Family Day Observed At School In Ross

Parents, students and teachers at the Ross School played vollyball, softball and handball, and ate a hot dog and hamburger dinner at the annual Family Day Friday.

The faculty and students operated booths and the faculty and parents met the students on the atheletic field.

Awards were given for music and athletics. Jean McCauley and Marion Bullard were co-chairmen for the annual event.

Japan Publisher Speaks In Marin

An Esperanto speaking publisher from Japan will address the Esperanto Society of Marin tomorrow at 7:30 p.m. at 354 Lovell Avenue in Mill Valley.

William E. Walker, president of the Marin group, said all those interested in Esperanto are invited to attend. Speaker is to be Eizo Itoo, a World Federalist and publisher of two magazines, one in Japanese and the other in Esperanto. Itoo will speak in Esperanto, which will be translated into English.

He will report on his participation in three major international conferences. They were the Esperanto Congress in Warsaw, UNESCO Summer Seminar in Sweden, and World Federalist Congress in Oosterbeck, Netherlands.

Planners Approve Projected Strawberry Recreation Center

The Marin County Planning Commission today approved establishment of a community recreation center at Belvedere boulevard and Ricardo road in Strawberry.

The facilities will include a pool, dressing room, tennis courts, baseball diamonds, multi-purpose and craft buildings. The center will be on the southeast corner of the intersection.

Approval of a use permit for the center was granted to the Strawberry Recreation District, provided at least 30 parking spaces are included and Ricardo road be widened to at least 36 feet. As precise development plans become ready, they will be subject to review and approval by the commission.

No complaints about the pool and ball field locations were heard at a general meeting of the Recreation District, the planning staff pointed out.

The commission also approved an application from the Three-R School, San Rafael Meadows, for architectural supervision in connection with the proposed addition to the school. Approved were layout and number of off-street parking spaces, points of access, fencing, landscaping and other items other than the design and location of the buildings.

A total of 38 parking spaces, plus a bus unloading area, is provided.

The planning staff commented that the plan for landscaping and parking was a considerable improvement over previous proposals, though it was "far from being the best that could be devised and seems in keeping with the minimal standards maintained by the Three-R School facilities (except in education, of course)."

LEE HODDY, JR.
Was scout in France

ERIC PHILLIPS
Shares Marinwood "first"

Marinwood Scouts Get Eagle Rank

The first Marinwood Boy Scouts to receive scouting's highest award will be honored in a special Eagle Scout Court of Honor at 8 p.m. today at Christ Presbyterian Church in Terra Linda.

Receiving the Eagle Scout rank will be Lee Hoddy Jr., 17, assistant scoutmaster of Troop 64, and Eric Phillips, 14, senior patrol leader of Troop 74. Both troops are sponsored by the Marinwood Home and School Club.

Eric is a son of Debby and Gordon Phillips of 650 Kernberry drive, Marinwood. He is in the eighth grade at Vallecito School, where he played first trumpet in the school band. His award will be proudly witnessed by his three sisters and a brother, as well as the "Beavers," Marinwood Pony League ball team on which Eric plays first base.

Lee is a son of Lt. Col. and Mrs. Hoddy of Hamilton Air Force Base. Lee is a junior at San Rafael High School and only recently moved to Hamilton with his family from Danberry Lane in Marinwood.

Lee transferred to the Marinwood troop from Troop 125, Paris, France, and has already seen much of Europe through his scouting activities.

Current Affairs Lectures Scheduled

Ed Radenzel of Mill Valley, foreign news editor of the San Francisco Chronicle and news analyst for television station KQED, will give a series of lectures on current affairs in Mill Valley, beginning June 21.

They will be from 9:30 a.m. to 11:30 a.m. for six consecutive Tuesdays, starting June 21, at the Donald Fowler residence at 17 Cornelia Avenue. Those wishing to attend may communicate with Mrs. Carl Mosher of 535 Summit Avenue. There will be a charge for the lectures. Proceeds will go to the American Field Service fund for Tamalpais High School exchange students.

Entitled "Down From the Summit — A New Period of Crisis," the lecture series will include the decline of United States-Russian relations, the rising power of Communist China, and the challenge of the Communist bloc to the free world.

Black Point Recreation Plan Told

Plans for a private recreational club in the Black Point area, a swimming pool and small boat harbor, were outlined to the Marin County Planning Commission yesterday.

The commissioners postponed action on the proposal, however, until June 20 so they can make a tour of the property.

A number of Black Point residents submitted letters of objection to the proposed development, and the Black Point Improvement Club asked postponement of consideration of the item until more detailed information is obtained.

Developers Robert B. and Doris W. Campbell propose to establish the club on an approximately 18-acre parcel of land about a half-mile from the intersection of Grandview avenue and the Northwestern Pacific Railroad.

Facilities would include a pool, dressing rooms, tennis courts, club house, caretaker's cottage, putting green, cabanas, picnic areas and small boat harbor.

Most of the residents protesting the development claimed the water supply in the area was inadequate and that Grandview avenue would not accommodate the additional traffic.

The improvement club said Campbell is scheduled to discuss his plans before the members Friday night.

Planner B. D. Dobbs said that the parcel of land has heavily wooded hills and flat open marshland adjoining Petaluma Creek, but doesn't appear to be isolated from adjoining property. He said aerial surveys or topographic maps were needed to obtain more detailed information.

Grandview is a narrow, rather winding street with a paved surface about 16 feet wide, and will not accommodate any additional heavy traffic, Dobbs said.

Sullivan To Open Music Chest Series

Brian Sullivan, leading tenor of the Metropolitan Opera Assn., will open the Marin Music Chest's summer concert season Sunday, June 19, at 3 p.m. in Forest Meadows on the Dominican College campus.

The California-born tenor owes much of his popularity to being "at home" in both musical comedy and grand opera.

Currently in his 12th season at the "Met", Sullivan has won honors in the most popular French and Italian repertoire. However, he has sung more leading roles in English than any tenor in the Metropolitan Opera Assn.'s annals.

Sullivan's appearance in Forest Meadows marks his second under Music Chest auspices, having opened the chest's 1956 season at which time he sang to a capacity audience.

$226,320 Building Permits Issued For Mill Valley

There were four more building permits issued in Mill Valley last month than in May, 1959, but the amount of money spent in building was almost the same. Total spent this May was $226,320; total spent last May was $235,564, reported Preston L. Canfield, building inspector.

BENJAMIN S. STROUT
Youngest graduate

Marin Youth Youngest Graduate

Benjamin Stackpole Strout of Kentfield was graduated with highest honors Sunday from Claremont Men's College to become, at 18, the youngest graduate in the 13-year history of the Southern California institution.

Young Strout is a son of Mr. and Mrs. Roger S. Strout of 20 Terrace Avenue, Kentfield. His father teaches mathematics and engineering at College of Marin.

An accounting major, Strout earned straight A's for three semesters. He won the Marshall Evans fellowship in business administration, which will enable him to work for his master's degree next year at University of California in Berkeley He also received the Philip Roland prize for an essay on public administration.

Strout was graduated from the eighth grade when 12 years old, then entered Drew School in San Francisco, where he completed a four-year high school course in two years. At 14, he enrolled in College of Marin. He entered Claremont after completing junior college work at the Kentfield school.

Far from an academic grind, Strout has a variety of interests outside his studies. He holds an amateur radio license, is a member of the Sierra Club and is interested in photography. At College of Marin he was a member of rifle and naturalists' clubs. At Claremont he played drums in the Pep Band and was treasurer of the college church. He also plays the piano.

The young graduate has already lined up a summer job with the San Francisco accounting firm of Ernst & Ernst.

Family Day Observed At School In Ross

Parents, students and teachers at the Ross School played vollyball, softball and handball, and ate a hot dog and hamburger dinner at the annual Family Day Friday.

The faculty and students operated booths and the faculty and parents met the students on the atheletic field.

Awards were given for music and athletics. Jean McCauley and Marion Bullard were co-chairmen for the annual event.

Japan Publisher Speaks In Marin

An Esperanto speaking publisher from Japan will address the Esperanto Society of Marin tomorrow at 7:30 p.m. at 354 Lovell Avenue in Mill Valley.

William E. Walker, president of the Marin group, said all those interested in Esperanto are invited to attend. Speaker is to be Eizo Itoo, a World Federalist and publisher of two magazines, one in Japanese and the other in Esperanto. Itoo will speak in Esperanto, which will be translated into English.

He will report on his participation in three major international conferences. They were the Esperanto Congress in Warsaw, UNESCO Summer Seminar in Sweden, and World Federalist Congress in Oosterbeck, Netherlands.
